PURPOSE/BACKGROUND:

This bill will revise and relocate within the Municipal Code the provisions regulating the naming of streets and assignment of addresses and, in addition, will adopt the City of Las Vegas Street Naming and Address Assignment Regulations, 2009 Edition as a replacement for the 1993 Edition of that document. The revised and updated provisions reflect changes that have occurred since the issue was last revisited and represent a coordinated effort among local entities. The Code provisions are being relocated so as to appear in Title 19 of the Code rather than Title 13.
