ANALYSIS

This is the first request for an extension of time for a previously approved Special Use Permit (SUP-20498) for Outdoor Storage, Accessory at the northwest corner of El Capitan Way and Durango Drive. In the time since the original approval of the Special Use Permit (SUP-20498), the applicant has been issued several building permits and submitted two Plan Checks for the retail shell buildings and a restaurant, though construction has not yet begun.

In accordance with Title 19.18.060, a Special Use Permit is exercised upon the approval of a business license for the activity, if required, or upon the issuance of a certificate of occupancy or approval of a final inspection.

FINDINGS

The Special Use Permit (SUP-20498) has not met the requirements outlined in Title 19.18.060 to exercise the entitlement. Though plans have been submitted and building permits issued, construction of the project has not yet begun. The applicant is requesting an extension of time to continue with the development of the project. Staff is recommending approval with a one-year time limit. Conformance to the conditions of approval of Special Use Permit (SUP-20498) shall be required.
