PURPOSE/BACKGROUND:

The City of Las Vegas entered into an Interlocal Contract with Clark County and the Regional Transportation Commission of Southern Nevada (RTC) on March 11, 2004 for improvements needed to provide fiber optics interconnect conduit and fiber optic cable. This Supplemental Interlocal Contract will change the scope of the project to include striping and intersection improvements as necessitated by the fiber optics interconnect conduit and fiber optic cable installation, add improvements to Craig Road, Tenaya Way to Decatur Boulevard, the installation of Closed Circuit Television Cameras and Permanent Count Stations along the various corridors that are part of this project and will include an additional run along Rainbow Boulevard from Charleston Boulevard to Sahara Avenue to tie into the Microwave hub at this location. The Regional Transportation Commission approved this contract at its June 11, 2009 Board meeting.

RECOMMENDATION:

Approval

BACKUP DOCUMENTATION:

1. Supplemental Interlocal Contract 461e
2. Exhibit A

Motion made by GARY REESE to Approve Items 13-16, 18-27, 29 and 31-64
