Citizen Law Project Advisory Board**

CITY CLERK

Dear Ms. Bridges,

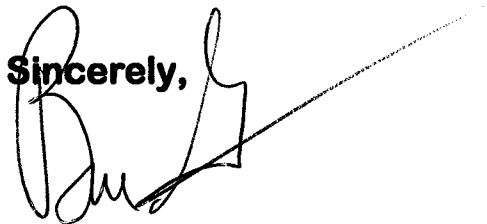

**I want to thank you, Ms. Vogel and others for your patience
over the administration of the Oath to the Advisory Board.**

**I have always supported the efforts of the City and the program
that Ms. Vogel directs. I will continue to do that in anyway
possible, but find that a conflict, at least in perception may be
developing which requires me to decline the honor of serving
on the Advisory Board.**

**Please pass my regards along to Councilman Reese, Billie
Bastian and Ms. Vogel.**

Best Wishes,

Sincerely,
