Re: SUP-33755

To whom it may Concern:

Please find attached letters in support of the Special Use Permit application to allow RV storage on the property located at 1717 Decatur. Nine of the fourteen home owners with homes that abut the property to the immediate east have expressed their support of the usage in writing. Two of the property owners that originally opposed the usage, Annie Mathiesen and James Bledsoe, have provided letters in support.

In the past several years, while the site was being used to store automobiles, no complaints have been made to the owner of the property. Some of the neighbors stated that after the lot use was changed to auto storage their properties were buffered by the lot and they had fewer problems related to vandalism. The RV Storage will be providing 24 hour security to the lot, a factor that many homeowners are appreciative of.

Thank You,
