CITY COUNCIL MEETING OF: AUGUST 5, 2009

Minutes:

MAYOR GOODMAN declared the Public Hearing open.

ATTORNEY CHRIS KAEMPFER, appearing on behalf of the owner and the applicant, referred to the billboard location on the site map and stated that the parcels in green represent the homes, virtually all of them, that were purchased after the sign had been erected in the mid 90s. Staff's main concern is the fact that the sign was about two feet higher than the nearby highest sign, but that has been corrected. The Planning Commission was concerned about the sign's proximity to the park, which he pointed out is on the other side of Washington Avenue and adjacent to the drainage facility. He alleged it is not near enough to justify denial. ATTORNEY KAEMPFER requested approval.

Handling this matter for COUNCILMAN ANTHONY, COUNCILMAN ROSE clarified that people are under the misimpression that the application involves an additional billboard. He requested a five-year review, and MARGO WHEELER, Director of Planning and Development, added that Condition 2 would be amended as such.

MAYOR GOODMAN declared the Public Hearing closed.
