Applications for Extensions of Time for ZON-21165, SUP-21168, SUP-21169,
SUP-21171, SUP-21172, SDR-21175, VAC-21173

Dear Mr. Reel

This letter is written in response to the above-referenced Extension of Time Applications. Please be advised that City staff has reviewed your submitted applications and has determined that the applications are incomplete and therefore they are rejected. Las Vegas Municipal Code 19.18 mandates that a completed Application/Petition Form be signed by the owner(s) of the real property, a contract purchaser or an optionee prior to the expiration of the two-year approval period. Not all owners of all of the real properties which are the subject of these applications have signed the Application/Petition Form or have submitted the requisite contract purchase agreement. In addition, the Department of Planning and Development was not able to verify some of the applications in regarding authorized agents. Please review the attached spread sheet for a disposition and detail of all parcels and land owners. The parcels in question are highlighted in yellow and indicate what is missing from the application or what information could not be verified by the Department of Planning and Development.

If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Douglas Rankin, AICP
Planning Manager
