RE: Montecito Town Center Development Agreement Status Report

Dear Mr. Kagafas:

Pursuant to Section 5 of the Montecito Town Center Development Agreement between the Montecito Companies and the City of Las Vegas, and as discussed in our meeting on June 10, 2009, attached is our 2 year Status Report for your records outlining the status of development and compliance with the Agreement.

Please review the attached Status Report and let me know if there are any questions or if additional clarification is required. Thank you in advance for your cooperation in this matter.

Sincerely,

Joe P. Gwerder, PE  
Sr. VP of Engineering

IV. Development Agreement Compliance:

Included below is a bullet point summary regarding specific terms outlined in the Agreement.

- The Project is under the allowable number of residential units allowed under the Agreement
- The Project is under the allowable maximum square footage of non residential development allowed under the Agreement
- All completed development within the Project is in conformance with the Montecito Town Center Land Use and Design Standards
- Encroachment Agreements, running with the land, requiring the maintenance and repair of landscape and other facilities within certain public rights-of-way have been recorded with applicable final maps.
- Several property owners associations have been created within Montecito Town Center for the separate residential and commercial components within the Project
- The Project has designed and constructed the required portions of water, sanitary sewer, storm drainage, and transportation facilities per City standards.

As outlined above, this Status Report indicates that the Owner and City have substantially complied with the terms of the Development Agreement for Montecito Town Center. The next Status Report shall be required on July 1, 2011 unless other provisions have been made. Attached with this report is an exhibit outlining the Montecito Town Center Project area.
