RE: Withdrawal of ROC- 35032 and EOT 35170 (for SUP 29448)

On behalf of Triple Five Development and the Yeshiva Day School we respectfully request the withdrawal of Review of Condition 35032 and Extension of 35170 for Special Use Permit 29448 without prejudice.

The operation of this school was originally approved by the Planning Commission on September 25, 2008. Since then the enrollment for the 2009-2010 school year will have approximately 50 students and 8 staff members. As a result of this growth it has been determined that a larger more suitable site be chosen to locate the school.

I want to thank staff for the time they have spent meeting with us and reviewing our application.

Sincerely,

James Grindstaff
Triple Five Development Nevada
