Re: GPA-33746 and ZON-33747
City Council Meeting – September 2, 2009
APN: 138-04-404-016

Ms. Bridges,

The Applicant/Owner Daniel Shannon, having met with Ward 4 Councilman Stavros S. Anthony on July 30, 2009, has requested the **withdrawal without prejudice** of the above-referenced items on the September 2, 2009 City Council meeting.

The reason for this withdrawal is we were unable to get the neighbors consensus and approval for a modified application/development.
Please withdraw these two items at the September 2, 2009 City Council meeting.

Sincerely,

Thomas L. Hellurns, P.L.S., W.R.S.
