

THE POOR MAN'S PRAYER

Oh, Maker of heaven and earth,
Creator of man and things thereof,
With my tongue, out comes the poor man's prayer.

Thanks for this day, and the little place I have
to stay in;

For my eyes open in order to see the sunrise
In the east, O God.

You give me gifts, little as they seem;
No greater blessings come to any man
Starting with a reasonable amount of health.

Bread and water on the table,
Also the very air I breathe;
Let me know that life is the greatest gift
I will ever own.

So have an ear to hear

The poor man's prayer,

At the starting of each day. Amen.

Gentlemen:

On behalf of the concerned people, I feel that the border situation, including drug trafficking and possible terrorist activity, is completely out of control. It threatens our democracy and national security, leading to a possible downfall of the government.

We must immediately create a volunteer and reserve addition to strengthen the US Border Patrol without damaging the relations between the US and Mexico.

If other agencies have reserves and volunteers, why not the US Border Patrol? This would give an immediate relief to this national crisis. They should maneuver along the 1800 mile border, including the military.

We also need to deport the illegal aliens, dating back to 1980, including those with forged papers.

The American people would appreciate your prompt attention to this potentially explosive situation.

Sincerely,

Anthony Lorenzo Hodges

PMS PRESIDENT GEORGE BUSH RPT DLY MGM
WHITE HOUSE DC 20500

I, ANTHONY L HODGES, A CITIZEN OF THE UNITED STATES WISH TO USE THE FIRST AMENDMENT, THE FREEDOM OF THE PRESS AND THE RIGHT OF THE PEOPLE TO PETITION THE GOVERNMENT OF THE UNITED STATES. I HEREBY WOULD LIKE FOR THE PRESIDENT, THE SENATE AND THE CONGRESS TO STOP SELLING LAND AND PROPERTY TO FOREIGN COUNTRIES. I WILL PERSONALLY PETITION THE PEOPLE TO PETITION THE GOVERNMENT IN 1991 TO PASS A BILL TO BE EFFECTIVE IN 1992 TO STOP THE SALE OF LAND AND PROPERTY TO ALL FOREIGN COUNTRIES. THE PETITION WILL HAVE ONE NATIONAL NAME, THAT BEING: LORENZO AND THE PEOPLE OF THE UNITED STATES. IF WE SELL ALL THE LAND ALL WE HAVE LEFT IS THE FLAG AND THERE ARE PEOPLE BURNING THE FLAG.

PERSONAL OPINION: TO THE PRESIDENT OF THE UNITED STATES, I BELIEVE THE BEST WAY TO PAY OFF THE NATIONAL DEBT IN THE NEXT 2 OR 3 YEARS WOULD BE FOR THE GOVERNMENT TO CUT FOREIGN AID IN HALF, EFFECTIVE OVER THE NEXT 2 YEARS. WE NEED A PRICE CONTROL FREEZE OVER THE NEXT 2 YEARS IN ORDER TO STOP RUNAWAY INFLATION WHICH CAN CAUSE A RECESSION. CONCERNING NO RAISING OF TAXES, I KNOW THAT YOUR POLITICAL PROMISE WAS THAT, BUT IN ORDER TO STOP DEPRESSION IN THIS COUNTRY YOU MAY HAVE TO GO BACK A LITTLE ON THAT WORD FOR THE SURVIVAL OF THE COUNTRY HAS PRIORITY; THUS, IF THE COUNTRY GOES DOWN YOU "WON'T GET REELECTED NO WAY".

TO SENATE & HOUSE OF REPRESENTATIVES: WE IN THE U.S. HAVE A "THROWAWAY" EMPLOYMENT APPLICATION FOR JOBS WHICH OFFERS NO COPY TO THE APPLICANT. IF THE ORIGINAL BECOMES NO LONGER EXISTANT, THAT APPLICANT HAS NO PROOF HE HAS EVER MADE SUCH JOB APPLICATION.

SUMMARY TO PRESIDENT BUSH: I HAVE CONTACTED 5 PRESIDENTS OF WHOM 3 HAVE ANSWERED BACK. WROTE TO LYNDON JOHNSON IN 1964 LISTING 8 SPECIFIC THINGS WITH WHICH I FELT THE COUNTRY WAS FACED...ALL HAVE COME TRUE. I WILL FORWARD A COPY TO YOU, PRESIDENT BUSH, AND ONE TO THE MEDIA TO VERIFY. GOD BLESS YOU, MR PRESIDENT, THE FIRST LADY AND FAMILY, AND THANK YOU FOR TAKING THE TIME (I HOPE) TO STUDY MY MESSAGE. MY DEEPEST CONCERN IS FOR THE PROTECTION OF THE GREAT NATION OF THE UNITED STATES. I LOVE MY COUNTRY.

Lyndon B. Johnson, President of the United States
White House
Washington 25, D.C.

14 May 1964

Dear Mr. President:

There are many things which are endangering our great nation, most of which we could not list on one page. There are a few which I feel we need to consider more than others. Men in influential offices should more seriously consider the following as being highly dangerous to our national security:

1. Communism
2. Crime
3. Juvenile delinquency
4. Divorce rates
5. Racial conflicts
6. Organizations that attempt to run government
7. mentally ill

8. LIKE OF EDUCATION

These are the things that endanger the security of 185 million Americans. If we don't want to see a repeat of the bombings in Alabama, or another "Kennedy", or tremendous rioting throughout the nation that endangers us all, we must stop fooling around with ourselves and get down to seriousness. Government officials should not make promises which can't be kept; they should not promote programs which can not in reality be fulfilled. I often think on these things as I lie awake at night. I fear that some morning we will all wake up to realize another national disaster has occurred, affecting all of us. These are the things which often make us wonder ~~if~~ Freedom free?

IS FREEDOM FREE?

Every day man is alive, he is not free from the near existence of God and Man.

No, you can't buy freedom for long.

No, you can't buy a piece of mind.

No, you can't buy the love of others.

No, you can't buy eternal life for any price - before birth and after death.

No, you can't buy time, when your time is up.

No, you can't buy Forever and Always.

No, you can't buy the right to live outside of Judgement.

No, you can't buy the soul of another, without selling your own.

No, you can't buy Joy, Happiness, and Good Health. If so, a millionaire could live forever.

No, you can't buy the right to ask time to stand still for you alone.

If so, some of us could not have been born.

And you ask: "Is freedom free for you and me?"

Yes, some 8/10ths, some 3/4th, some 1/2 and others never heard of the word "Freedom."

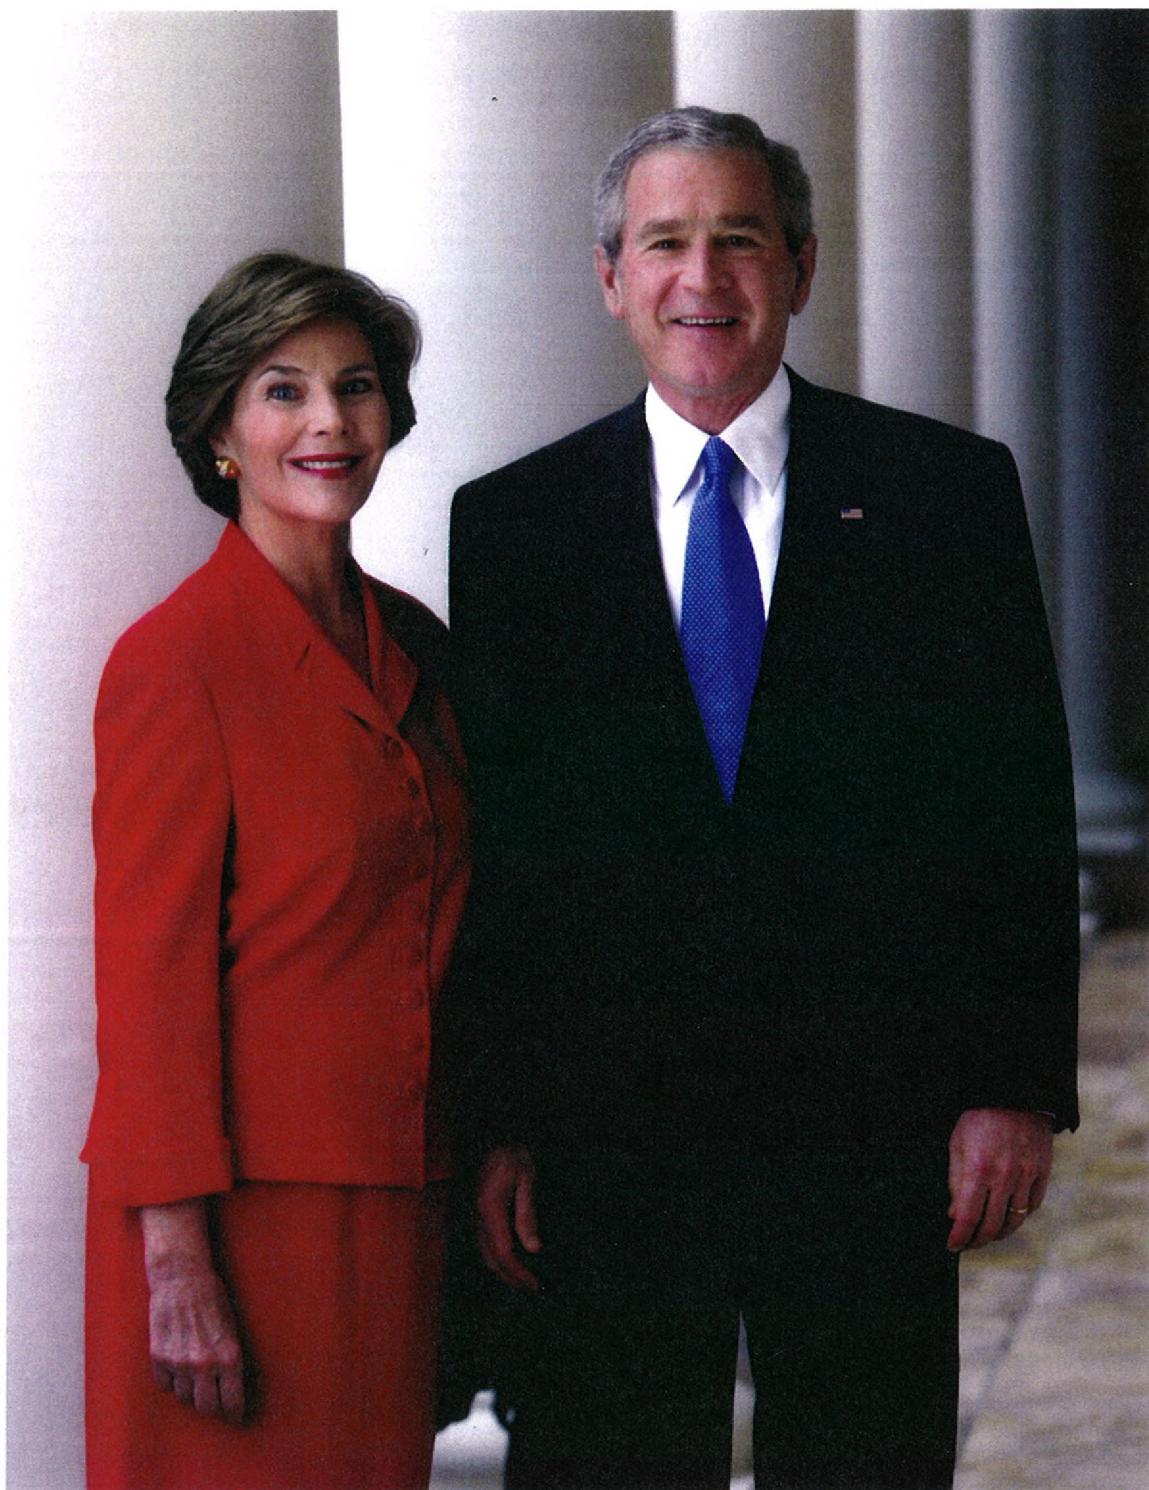

You are never out of debt of men, for your soul belongs to God. And you have to pay the full price.

There are many areas of freedom *YOU HAVE YOURS, I HAVE ~~THE~~ MIND.* ~~that must be bought.~~

President Johnson, this is my second time to write you at the Whitehouse on matters concerning Negroes and Government, and you have denied me the privilege of an answer. It leaves me no other choice than to assume that you are discriminating against the Negro in a polite sort of way. If I do not receive a letter in reply to this one, I can only assume you are using the Negro for political purposes. I am, for one, first to know.
