This Agreement is made and entered into by Dell Marketing L.P., One Dell Way, Mailstop 8708, Round Rock, TX 78682 ("Contractor") and the State of Minnesota, Department of Administration ("State") on behalf of the State of Minnesota, participating members of the National Association of State Procurement officials (NASPO), members of the Western States Contracting Alliance (WSCA) and other authorized Purchasing Entities.

RECITALS

WHEREAS, the State has the need to purchase and the Contractor desire to sell; and,

WHEREAS, the State has the authority to offer contracts to CPV members of the State of Minnesota and to other states.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties agree as follows:

INTENT AND PURPOSE

The intent and purpose of this Agreement is to establish a contractual relationship with equipment manufacturers to provide, warrant, and offer maintenance services on **ALL** products proposed in their response to the RFP issued by the State of Minnesota. Delivery, support, warranty, and maintenance may be provided by the Contractor using subcontractors. The Contractor agrees to take responsibility for the warranty and maintenance of all products furnished under this Agreement. The Contractor is responsible for the timeliness and quality of all services provided by individual subcontractors. Subcontractor participation will be governed by individual Participating Entities, who have the sole discretion to determine if they will accept services from a subcontractor.

Individual Purchasing Entities may enter in to lease agreements for the products covered in this Master Price Agreement, if they have the legal authority to enter into these types of agreements without going through a competitive process. The Contractor submitted copies of its lease agreements with its response to the RFP. The lease agreements were not reviewed

or evaluated as part of the RFP evaluation process. The agreement is located in Exhibit D, Leasing.

The Agreement is **NOT** for the purchase of major, large hardware or hardware and software offerings. In general, individual units/configurations for servers and storage (SANs, etc.) should not exceed \$300,000 each. Desktop per unit/configuration costs should not exceed \$100,000. Printers of all types and monitors per unit/configuration costs should not exceed \$50,000 each. It is the expressed intent of some of the Participating States to set this level at not to exceed \$25,000 each, or \$50,000. Contractors must be willing to comply with these restrictions by agreeing to supply products in those price ranges only. This **IS NOT** a restriction on how many units/configurations can be purchased, but on the value of each individual unit/configuration. Individual Participating States and Participating Entities may set specific limits in a participating addendum above these limits, with the prior approval of the WSCA Directors; or may set specific limits in a participating addendum below these limits.

Contractors may offer, but participating states and entities do not have to accept, limited professional services related **ONLY** to the equipment and configuration of the equipment purchased through the Agreement.

1. Definitions

"Announced Promotional Price" are prices offered nationally to specific categories of customers (Consumer, Business or government) for defined time periods under predefined terms and conditions.

"Consumables" those items that are required for the operation of the Equipment offered or supplied which are consumed over time with the purchaser's use of the equipment are included – printer cartridges, batteries, projector bulbs, etc. Consumables such as magnetic media, paper and generally available office supplies are excluded.

"Configuration" in most instances in this document means a total system configuration. This may include more than one model or part number (or SKU), or a combination of hardware, software, and configuring of the system to make the system work.

"Contract" means a binding agreement for the procurement of items of tangible personal property or services. Contract and Master Price Agreement are used interchangeably in this document.

"Contractor" means the successful Responder who enters into a binding Master Price Agreement. The Contractor is responsible for all sales, support, warranty, and maintenance services for the products included in this Agreement. The Contractor must manufacture or take direct, non-assignable, legal responsibility for the manufacture of the equipment and warranty thereof. For the purposes of this Contract, the term Contractor and Contract Vendor are synonymous.

"CPV Member" is any governmental unit having independent policy making and appropriating authority, that is a member of Minnesota's Cooperative Purchasing Venture (CPV) program.

"CPV Program." The Cooperative Purchasing Venture (CPV) program, as established by Minn. Stat. § 16C.03, subd. 10, authorizes the commissioner of Administration to "enter into a cooperative purchasing agreement for the provision of goods, services, and utilities with [governmental entities] ..., as described in section 471.59, subdivision 1." Based on this authority, the commissioner of Administration, through the Materials Management Division (MMD), enters into a joint powers agreement that designates MMD as the authorized purchasing agent for the governmental entity. It is not legal for governmental entities that are not members of the CPV program to purchase from a State contract. Vendors are free to respond to other solicitations with the same prices they offer under a contract, but that is not considered use of the "State contract price."

"Cumulative Volume Discount" means a contractual, cumulative, permanent volume discount based on dollars resulting from the cumulative purchases by all governmental purchasers for the duration of the Master Price Agreement.

"Documentation" refers to manuals, handbooks, and other publications listed in the PSS, or supplied with products listed in the PSS, or supplied in connection with services. Documentation may be provided on magnetic media or may be downloaded from the Contractor's web site.

The exception to this definition is whiteboards, which can be sold as part of the Instructional Bundles, but not as a stand-alone item.

"FCC" means the Federal Communications Commission or successor federal agency. In the event of deregulation, this term applies to one or more state regulatory agencies or other governing bodies charged to perform the same, or similar, role.

Terms and conditions contained in a Participating Addendum shall take precedence over the corresponding terms in the master price agreement. Additional terms and conditions, including but not limited to payment terms, may be added via the Participating Addendum. However, a Participating Addendum may not alter the scope of this Agreement or any other Participating Addendum. ***Unless otherwise specified, the Participating Addendum shall renew consecutively with the Master Price Agreement.*** One digitally formatted, executed copy of the Participating Addendum must be submitted to the WSCA/NASPO Contract Administrator PRIOR to any orders being processed.

Payment shall be made within 30 days following receipt of an invoice. The ordering entity is not required to pay the Contractor for any goods and/or services provided without a written purchase order or other approved ordering document from the appropriate purchasing entity. 8. Termination

The following provisions are applicable in the event that the agreement is terminated.

A. Termination for Convenience

At any time, the State may terminate this agreement, in whole or in part, by giving the Contractor (30) days written notice; provided, however, neither the State nor a Purchasing Entity has the right to terminate a specific purchase order for convenience after it has been issued if the product is ultimately accepted. At any time, the Contractor may terminate this Agreement, in whole or in part, by giving the WSCA/NASPO Contract Administrator sixty (60) days written notice. Such termination shall not relieve the Contractor of warranty or other Service obligations incurred under the terms of this Agreement. In the event of a cancellation, the Contractor shall be entitled to payment, determined on a pro rata basis, for work or services satisfactorily performed and accepted.

B. Termination for Cause

Either party may terminate this Agreement for cause based upon material breach of this Agreement by the other party, provided that the non-breaching party shall give the breaching party written notice specifying the breach and shall afford the breaching party a reasonable opportunity to correct the breach. If within thirty (30) days after receipt of a written notice the breaching party has not corrected the breach or, in the case of a breach that cannot be corrected in thirty (30) days, begun and proceeded in good faith to correct the breach, the non-breaching party may declare the breaching party in default and terminate the Agreement effective immediately. The non-breaching party shall retain any and all other remedies available to it under the law.

C. A Purchasing Entity's Rights

In the event this Agreement expires or is terminated for any reason, a Purchasing Entity shall retain its rights in all Products and services accepted

prior to the effective termination date.

D. The Contractor's Rights

In the event this Agreement expires or is terminated for any reason, a Purchasing Entity shall pay the Contractor all amounts due for Products and services ordered and accepted prior to the effective termination date or ordered before the effective termination date and ultimately accepted.

9. Non-Appropriation

The terms of this Agreement and any purchase order issued for multiple years under this Agreement is contingent upon sufficient appropriations being made by the Legislature or other appropriate governing entity. Notwithstanding any language to the contrary in this Agreement or in any purchase order or other document, a Purchasing Entity may terminate its obligations under this Agreement, if sufficient appropriations are not made by the governing entity at a level sufficient to allow for payment of the goods or services due for multiple year agreements, or if operations of the paying entity are being discontinued. The Purchasing Entity's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final and binding.

A Purchasing Entity shall provide sixty (60) days notice, if possible, of its intent to terminate for reason cited above. Such termination shall relieve the Purchasing Entity, its officers and employees from any responsibility or liability for the payment of any further amounts under the relevant Purchase Order.

10. Shipment and Risk of Loss

A. All deliveries shall be F.O.B. destination, prepaid and allowed, with all transportation and handling charges included in the price of the product and paid by the Contractor. Responsibility and liability for loss or damage shall remain with the Contractor as long as the Contractor designates the carrier, until delivery to the identified ship-to address, when responsibility shall pass to the Purchasing Entity except as to latent defects, fraud and Contractor's warranty obligations.

B. Whenever a Purchasing Entity does not accept Products due to missing, damaged, defective, incorrect order and returns them to the Contractor, all related documentation furnished by the Contractor shall be returned also. Unless otherwise agreed upon by the Purchasing Entity, the Contractor is responsible for the return shipping cost of returned Products. In addition, if any third party obtains a judgment against a Purchasing Entity based upon the Contractor's trade secret infringement relating to any Contractor Branded Product or Contractor Branded Service provided under this Agreement, the Contractor agrees to reimburse the Lead State for all costs, attorneys' fees and the amount of the judgment. The minimum monthly interest penalty payment for an unpaid, undisputed balance of \$100 or more will be \$10. For an unpaid balance of less than \$100, the amount will be the actual penalty due. A subcontract that takes civil action against the Contractor to collect interest penalties and prevails will be entitled to its costs and disbursements, including attorney's fees that were incurred in bringing the action. The Contractor agrees to take all steps necessary to comply with said statute. A consultant is a subcontractor under this Contract. In the event the Contractor fails to make timely payments to a subcontractor, the State may, at its sole option and discretion, pay a subcontractor or supplier any amounts due from the Contractor and deduct said payment from any remaining amounts due the Contractor. Before any such payment is made to a subcontractor or supplier, the State shall provide the Contractor written notice that payment will be made directly to a subcontractor or supplier. If there are not remaining outstanding payments to the Contractor, the State shall have no obligation to pay or to see to the payment of money to a subcontractor except as may otherwise be required by law.

The Contractor shall ensure that the subcontractor transfers all intellectual or industrial

property rights, including but not limited to any copyright it may have in the work performed under this Contract, consistent with the intellectual property rights and ownership sections of this Contract. In the event the Contractor does not obtain the intellectual property rights of the subcontractor consistent with the transfer of rights under this Contract, the State may acquire such rights directly from the subcontractor. Any and all costs associated with such a direct transfer may be deducted from any amount due the Contractor.

24. Indemnification, Hold Harmless and Limitation of Liability

The Contractor shall hold the Lead State, Participating Entities and its agencies and employees harmless and shall indemnify the Lead State, Participating Entities and its agencies and employees against any and all claims, suits, actions, liabilities and costs of any kind, including reasonable attorney's fees for personal injury or damage to real property or tangible personal property arising from the negligent or willful acts or omissions of the Contractor, its agents, officers, employees or subcontractors. The State agrees that the Contractor, its principals, members and employees shall not be liable to the State for any actions, damages, claims, liabilities, costs, expenses, or losses in any way arising out of or relating to the goods provided or services performed hereunder for an aggregate amount in excess of \$2,000,000.
- B. Contractor shall not be liable for damages that are the result of negligence by the Lead State, Participating Entity, or its employees. To the extent permitted by law, a Participating Entity accepts responsibility for and represents and warrants that: (a) the Participating Entity has obtained the appropriate license, intellectual property rights, or any other permissions required to support any Service Description, SOW, or Technical Specification Form signed by the Parties, or Contractor's performance of the Services, including the right to make any copies or Reproductions of any Participating Entity-provided software, (b) the Participating Entity's representations regarding the existence of an export license or the eligibility for export of software without a license are accurate, or (c) that Contractor shall not be held liable for the effect (if any) on the Participating Entity's third-party product warranties caused by having Contractor perform services on such third-party Products. The Contractor's liability under the contract for any cause whatsoever shall be limited to an aggregate amount of \$2,000,000. The foregoing limitation does not apply to Articles 12 and 24 A through 24 C of this Agreement or to damages resulting from personal injury caused by the Contractor's negligence. In no event shall the Contractor be liable for any indirect, special, punitive, or consequential damages arising out of this Agreement or the use of the Products or Services purchased by the Purchasing Entity hereunder.

27. Severability

If any provision of this Contract, including items incorporated by reference, is found to be illegal, unenforceable, or void, by a court of competent jurisdiction then both the State and the Contractor shall be relieved of all obligations arising under such provision. If the remainder of this Contract is capable of performance, it shall not be affected by such declaration or finding and shall be fully performed.

28. Enforcement of Agreement/Waivers

- A. No covenant, condition, duty, obligation, or undertaking contained in or made a part of this Contract shall be waived except by the written consent of the parties. Forbearance or indulgence in any form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the other party. Until complete performance or satisfaction of all such covenants, conditions, duties, obligations, and undertakings, the other party shall have the right to invoke any remedy available under law or equity, notwithstanding any such forbearance or indulgence.

- B. The Contractor agrees to maintain and support Participating State and Entity Internet websites for access to the specific Participating Entity PSS, as well as all other items listed in Item 29A. above. The website shall have the ability to hold quotes for 45 days, as well as the ability to change the quote.

33. Release

The Contractor, upon final payment of the amount due under this Agreement, releases the Lead State and Participating Entities, its officers and employees, from all contractual liabilities, claims and obligations whatsoever arising from or under this Agreement. In the event that the Contractor subcontracts any or all of the work to be performed under the Contract, the Contractor shall retain responsibility under the terms of this paragraph for such work.

35. Organizational Conflicts of Interest

- A. The Contractor warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are not relevant facts or circumstances which could give rise to organizational conflicts of interest. - a Contractor is unable or potentially unable to render impartial assistance or advice to the State;
 - the Contractor's objectivity in performing the work is or might be otherwise impaired; or

The Contractor shall give written notice to the State's authorized agent of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of this Contract. Failure to do so may result in the Contractor being held in default. This consent requirement includes reassignment of this Contract due to a change in ownership, merger, or acquisition of the Contractor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contractor's right to assign this Contract to corporations to provide some of the services hereunder. Notwithstanding the foregoing acknowledgment, the Contractor shall remain solely liable for all performance required and provided under the terms and conditions of this Contract.

B. Participating Entity Reports and Fees

1. Participating Entities may require an additional fee be paid directly to the State on purchases made by Purchasing Entities within that State. For all such requests, the fee level, payment method and schedule for such reports and payments shall be incorporated in to the Participating Addendum that is made a part of this Agreement. All such agreements shall have no affect whatsoever on the WSCA fee or the prices paid by the Purchasing Entities outside the jurisdiction of the State requesting the additional fee.

EXHIBIT B – COMPLAINT RESOLUTION

A dedicated member of your Account Team, your Sales Representative is the owner for any procurement, pricing, or supply issues that may arise. Your Sales Representative has a clearly defined escalation path for issues which includes routing them through an Inside Sales Manager, up through to the appropriate Regional Director. Your Sales Representative is directly accountable to NASPO/WSCA and will keep you apprised of issue resolution and progress.

In the rare case an issue cannot be resolved through standard channels; the escalation process would be directed to the level of Sales Vice President.

The Dell Account Teams provide Executive Business Reviews on a quarterly basis. This tool is like a bank statement that provides purchase history information, tracks our performance against Service Level Agreements and develops specific action plans where needed to meet your objectives. The goal is to use the benefits of our direct relationship to provide you with unprecedented accountability on the products, services and support you want and give you as proactive analysis of what's working and what's not.

Invoicing Resolution

Purchase order management helps Dell maintain our commitment to excellence by allowing us to process orders accurately and efficiently. In support of these goals, Dell assigns a Finance/Accounting Associate to each account. This individual is responsible for resolution of disputed invoices. The Associate will work with NASPO/WSCA's Accounts Payable, Procurement or other necessary departments to resolve disputes.

Your Dell Customer Care representative will help with errors such as duplicate invoices, wrong product shipped, etc. If needed, the dedicated Finance/Accounting Associate for NASPO/WSCA will resolve billing issue.

If NASPO/WSCA is set up for monthly consolidated invoicing, Dell requires that you pay undisputed item(s) and follow the above procedures for error correction.

Dell provides the following solutions to customers in resolving their most common invoicing issues:

If a customer didn't receive original copy in the mail, or it is delayed or lost in the customer's mailroom, Dell makes available round-the-clock access to online copies for all Dell invoices – paid and unpaid – for 24 months. The online invoices look just like the original hard-copy invoices and include service tag numbers for simplified comparisons. Dell can also provide email notification of invoices.

If a customer wants one invoice per purchase order, Dell's collections team can set the customer up for consolidated invoicing. Or, if the request is just for one PO, Dell's customer care or collections team can request a manual consolidated invoice.

If a customer wants their invoice to match their purchase order, Dell's customer care or collections team can request manual invoice.
