RECOGNITION OF THE AMERICAN PLANNING ASSOCIATION DEBOER AWARD WINNERS

Minutes:

MARGO WHEELER, Director of Planning and Development, stated the City of Las Vegas received two American Planning Association DeBoer Awards. One was due in part to COUNCILMAN ROSS leadership on the Floyd Lamb Park and Tule Springs Park Plan, which is currently being implemented. The other award was for the West Las Vegas Plan update.

COUNCILMAN ROSS was proud of this park and its development. He was delighted about the award and thanked TOM FERRIGO, Deputy Director of Planning and Development, who spearheaded this project, as its focus was on historical resources and future observations.

MS. WHEELER then recognized MAYOR GOODMAN for receiving the Distinguished Leadership Elected Official Award. She noted that without the leadership of the Mayor and Council, less could be done, and thanked the Mayor for being an excellent student and advocate.

MAYOR GOODMAN stated that it is a privilege for government to do anything without the private sector. He thanked MS. WHEELER, Planning and Development staff and the City Managers Office for their continued efforts in making Las Vegas the greatest city in the world.
