Ten Year Homeless Plan

- **Increase the Availability of Stable and Sustainable Housing.**
- **Strengthen Partnerships and/or Capacity of Community and Faith Based Organizations.**
- **Prevent Individuals and/or Families from Becoming Homeless.**
- **Facilitate the Transition from Homelessness through Case Management and Support Services.**

Accomplishments

- Over 63,000 individuals/families have received multiple homeless assistance.
- 1,200+ new and rehabilitated low-income affordable housing units.
- 2,290 low-income households received housing and/or utility assistance.
- 10,000+ homeless received emergency shelter services.
- 710 individuals/families received homeless services.
- 486 city jail inmates received discharge planning services.

Pilot Accomplishments

- 20 households (52 family members) were rapidly housed.
- Provided intensive case management services.
- An additional 80+ individuals were housed or relocated with their families in other states.
- The majority served in the last three months were from the Corridor of Hope area.

Moving Forward

- **Challenges**
- **Regional Partnerships**
