PURPOSE/BACKGROUND:

The Downtown Centennial Plan includes development standards for the various districts located within the Plan area. The standards for the Parkway Center District currently do not allow alcohol-related uses. This bill will allow a number of the typical alcohol-related uses within that district by means of special use permit. Doing so will encourage development within that district and is consistent with the standards for the nearby Symphony Park District.

RECOMMENDATION:

ADOPTION at 11/4/2009 City Council meeting pursuant to the 10/20/2009 Recommending Committee.
