PURPOSE/BACKGROUND:

The Town Center Development Standards currently allow the sale of used motor vehicles, but only in conjunction with new vehicle sales. In order to respond to the closing of vehicle dealerships that has occurred during the economic downturn, it has been proposed to allow the sale of used motor vehicles in Town Center as a stand-alone use, but on a temporary basis only. Approval by the City Council would be required and the use would be subject to conditions designed to ensure compatibility with surrounding uses.

RECOMMENDATION:

ADOPTION at 11/4/2009 City Council meeting pursuant to the 10/20/2009 Recommending Committee.
