Dept./Division: PW/Traffic Engineering/Engineering Planning

PURPOSE/BACKGROUND:

The Nevada Department of Transportation is widening US-95 between Washington Avenue and Ann Road. In conjunction with the work, NDOT is requesting encroachment rights on city right-of-way to perform various drainage and construction related improvements, reimbursement for costs associated with the construction of city-requested right turn lane improvements and costs associated with relocating city sewer manholes. NDOT is also requesting that the city maintain, operate, and provide power for a new traffic signal, and that the city approve the temporary closure of city streets where necessary to facilitate construction.
