Nevada EECBG Awards

- Cities, counties & state – 21 Awards
- Tribes – 15 Awards
- Awards over \$2M (5) – Joel & Kenny
- State EECBG award – smaller cities and counties will be allocated >60% of state funding

American Recovery and Reinvestment Act Technical Assistance Program

- Assistance with technical aspects of ARRA projects, strategies, policies, and programs
- Complete Technical Assistance Request form and submit by email

For form and details go to website:

<http://apps1.eere.energy.gov/wip/arra.cfm>

Award Package:

- Assistance Agreement
- Special Terms and Conditions
- Attachments:
 1. Statement of Project Objectives
 2. Federal Assistance Reporting Checklist
 3. Budget Pages (SF 424A)

Assistance Agreement

- Box 7. Period of Performance:
36 months total
- Box 12. Total Amount: amount
of total Award/allocation
- Box 13. Funds Obligated:
Amount available for
expenditure
- Box 22. Signature block:
Does not need to be signed
by awardee. “Acknowledge”
button takes place of
signature.

	DUNS Number: In addition to this Assistance Agreement, this award consists of the items listed in the Special Terms and Conditions, Provision 2, Award Agreement Terms and Conditions. In Block 7 of the Assistance Agreement, the Period of Performance reflects the beginning of the project through the end of the current Budget Period, shown as 08/31/2009 through 08/30/2012. Blocks 12 and 13 of this Assistance Agreement indicate the Total Obligated Amount of this project, which is the Recipient's total allocation. The funds available in ASAP to the Recipient through this action is limited to \$ [REDACTED] due to the restrictions in 16, National Environmental Policy Act (NEPA) Requirements and Provision Number 20, the Subcontract/Subgrant Approvals, in the Special Terms and Conditions. Once these conditions have been met, the remaining funds will be released to the Recipient according to Provision Number 15, Staged Disbursement Clause of the Special Terms and Conditions. DOE Award Administrator: Yolanda Ramirez E-mail: yolanda.ramirez@go.doe.gov Phone: 303-275-4908 DOE Project Officer: Mitchell Duran E-mail: mitchell.duran@go.doe.gov Phone: 303-275-4772				

Special Terms and Conditions

Phased disbursement of funds

- Awarded - \$5,449,200
- Obligated - \$5,449,200
- Released – \$726,852
- Remainder released after conditions lifted and progress review(s) demonstrate
 - **Satisfactory progress on activities**
 - **Funds expended appropriately**
 - **Compliance with reporting requirements**
 - **Jobs created**

Special Terms and Conditions

Award Condition: NEPA

Activity – City Facilities Solar Covered Parking Project:

Recipient is prohibited from implementing the Solar installations, other energy efficiency improvements, retrofits, or renewable energy generation opportunities, including demolition, repair, replacement, installation, construction, or alteration activities, pending: (1) further submission by Recipient of detailed information specifically describing the types and extent of all activities it intends to implement under this program; and (2) a final NEPA determination from DOE regarding those activities.

Activity – City Facilities Retrofits:

Recipient is prohibited from implementing the Solar installations, other energy efficiency improvements, retrofits, or renewable energy generation opportunities, including demolition, repair, replacement, installation, construction, or alteration activities, pending: (1) further submission by Recipient of detailed information specifically describing the types and extent of all activities it intends to implement under this program; and (2) a final NEPA determination from DOE regarding those activities.

Activities – Green Chips Energy Retrofit Loan Fund and Home Free Nevada Energy Rebates:

Recipient is restricted from distributing Federal funds pending: (1) further submission by Recipient of detailed information specifically identifying all retrofit activities authorized or funded under these programs; and (2) a final NEPA determination from DOE regarding those activities.

Special Terms and Conditions

Award Condition: Sub-contract/grant approvals

- Sub-contractors/grants have not been identified
- When identified, they must be approved by DOE
- Upon selection and within 180 days of award date submit info on all subs

- **Name**
- **DUNS Number**
- **Award Amount**
- **Statement of work including applicable activities**
- **EF-1 for all proposed activities**

Special Terms and Conditions

American-made equipment and products

- To the greatest extent practicable, all equipment and products purchased with award funding should be American-made
- Many countries designated as exceptions
- Exception when cumulative cost of such material will increase overall cost of project by more than 25%
- Questions regarding specific items?
Send us an email for a legal determination.

Special Terms and Conditions

Davis-Bacon Act

Laborers paid by Recovery Act funds must receive no less than prevailing local wage rates for construction or repair work.

- For Davis-Bacon guidance go to: <http://www.dol.gov/esa/whd/contracts/dbra.htm>
- To determine labor rates go to: <http://www.wdol.gov/dba.aspx>
- If you still have questions send us an email

Attachment 1: Statement of Project Objectives

- Current SOPO consists of submitted Activity sheets
- Need revised SOPO with tasks & milestones for each activity
- SOPO template will be provided
- Project Officers and Monitors will assist with revisions

Attachment 2: Federal Assistance Reporting Checklist

- Lists required reports & reporting frequency
- Attached instructions describe reports
- Please note special ARRA reporting requirements in special terms and conditions

More on reporting later

DOE F 4000.2 (5/06) All Other Editions Are Obsolete		U.S. Department of Energy FEDERAL ASSISTANCE REPORTING CHECKLIST AND INSTRUCTIONS		TDC Attachment #2	
1. Identification Number: DE-EE-		2. Program/Project Title: Priority EDCBO Formula Projects			
3. Recipient: Maricopa County, AZ					
4. Reporting Requirements:		Frequency	No. of Copies	All 3rd versions	
A. MANAGEMENT REPORTING ☒ Program Report ☐ Special Status Report		Q, A		mtcdoe@doe.gov	
B. SCIENTIFIC/TECHNICAL REPORTING (Reports/Products must be submitted with appropriate DOE F 241. The 241 forms are available at www.eri.aesdlink) ☐ Final Scientific/Technical Report DOE F 241.3 ☐ Conference paper/proceedings* ☐ Software/Manual DOE F 241.4 ☐ Other (see special instructions) * Scientific and technical conferences only

E. OTHER REPORTING ☐ Annual Indirect Cost Proposal ☐ Annual Inventory of Federally Owned Property, if any ☒ Other		A		See Special Instructions Below	
FREQUENCY CODES AND DUE DATES: A - Within 5 calendar days after events or as needed. F - Final, 90 calendar days after expiration or termination of the award. Y - Yearly, 90 days after the end of the reporting period. S - Semi-annually, within 30 days after end of reporting period. Q - Quarterly, within 30 days after end of the reporting period. 3. Special Instructions: NOTE: The Reporting Requirements shown on this checklist are to be used in the interim and will be revised when the EERCBO reporting system is finalized. This checklist will be replaced at that time with a modification to the award. Other Reporting: AMERICAN RECOVERY AND REINVESTMENT ACT REPORTING: See the Special Terms and Conditions for Recovery Act reporting requirements, along with the following web site: www.doe.gov/indirectcosting . The required reports are due no later than ten calendar days after each calendar quarter in which the recipient receives the assistance award funded in whole or in part by the Recovery Act. Recipients are instructed to maintain data in order to report cumulatively beginning with an estimated October 10, 2009 reporting deadline.					

Attachment 3: Budget Information (SF 424A)

- Approved budget for project
- Broken out by Activity
- Alert Project Officer if there are significant changes to budget (funding shifts between activities)

10-CFR-600

Prior Approval

- Any revision to the scope or objectives of the project
- Budget revisions which would require additional funds
- Changes to key persons as specified in grant application
- Need to extend period of availability of funds
- Changes to direct cost categories in budget > 10%
- Pre-award costs and capital equipment

Management Reporting

- Progress report
- Special status report

Financial Reporting

- Form SF425

Other Reporting

- ARRA reporting

ARRA reports due 10 days after each calendar quarter but may change to monthly.

Reporting requirements

ARRA Reporting

- ARRA Reporting website now open for registration
- Reporting templates available for download
- Reports can be submitted 3 ways:
 - Form completed on-line
 - Excel template completed and uploaded
 - XML file created and uploaded

**Next ARRA Report
due Jan. 10th!**

The screenshot shows the FederalReporting.gov website. At the top is the site logo and navigation links: Home, About, Downloads, FAQ, and Help. Below this are three main sections. The first section, 'Log In', contains input fields for 'User ID' and 'Password', a 'Login' button, and a link for 'I forgot my password'. The second section, 'Not Registered?', features a 'Register Now' button. The third section, 'Download Templates', offers links for 'Microsoft Excel' and 'XML Schema'. To the right of these sections is a 'Messages' box with three bullet points: 'Registration begins Monday, August 17, 2009', 'Excel and XML Validation Tool Available September 15th', and 'Reporting begins Thursday, October 1, 2009'. At the bottom right is a 'Registration' box with a brief description of the process and a note about submitting reports.

Messages

- **Registration begins Monday, August 17, 2009.** Registration for all Federal Agencies and Recipients begins Monday, August 17, 2009. The Service Desk will be available for user support from 7 a.m. through 9 p.m. (ET) Monday through Friday to support Registration.
- **Excel and XML Validation Tool Available September 15th:** Registered users of the system will have the ability to test the structure and business rules associated with a sample file to verify compliance before full reporting begins October 1st.
- **Reporting begins Thursday, October 1, 2009.** The FederalReporting.gov system opens for reporting on Thursday, October 1, 2009. The Service Desk will be available 24 hours, 7 days a week during reporting period.

Registration

Registration for all Federal Agencies and Awardees (Prime Recipients and Sub Recipients) begins on Monday, August 17th. Each individual who will be submitting or reviewing reports on behalf of an Agency or a Recipient must register as a user. Before you can submit reports through FederalReporting.gov, you must complete a one-

Progress Report

- Reports entered into Performance and Accountability for Grants in Energy (PAGE) website
- PAGE system will send email invitations when ready
- Do not send reports to EECBG@go.doe.gov
- Reports currently required quarterly – may change to monthly
- Reports due 30 days after each calendar quarter – may change to 10 days after
- If PAGE system not up, progress report template will be provided

Next progress report due Jan. 30th!

Special Status Report

Notify Project Officer within 5 days of events such as:

- Developments with significant favorable impacts
- Significant delays or cost increases
- Death or injuries on project
- NEPA issues/concerns, etc.

Notify Project Officer directly by email.

Financial report

- Federal Financial Report Form SF425
- New form as of this year
(takes the place of SF269 and SF272)
- Will be completed in PAGE
- Currently required quarterly – may change to monthly
- Currently due 30 days after each calendar quarter – may change to 10 days after

Introduction to PAGE

The Performance and Accountability for Grants in Energy (PAGE) System is a tool that is being developed by Energy Efficiency and Renewable Energy's Office of Weatherization and Intergovernmental Program. Once fully launched, the site will provide grantees with the ability to electronically submit and manage grant performance and financial information.

**Upcoming Critical Dates**

- October 10, 2009 – Energy Efficiency and Conservation Block Grant (EECBG) Performance and Financial Reports are due

Features

**EERE Recovery Act Activities**

**Energy Efficiency and Conservation Block Grant Program**

**EERE Information Center**

**The Energy Lab**

Energy Efficiency and Conservation Block Grant (EECBG) Program Activity Workbook

Entering and Submitting

How a grantee creates, reviews, and submits an activity

Training Videos are 5-7 minutes each

Desktop monitoring

- Examination of all reports to
 - **Assess progress toward goals and objectives**
 - **Determine compliance with Federal rules and regulations**
 - **Assess fiscal tracking of resources expended**

Onsite Monitoring

- Scheduled visits of at least 30% of grants above \$2M each year (minimum requirement)
- Random onsite monitoring visits in each state each year
- Rapid Response Team will visit when high-risk problems are identified

- Periodic comprehensive progress reviews will be conducted
- Onsite and desktop monitoring reports used to assess compliance with grant requirements
- Grantee expected to demonstrate continued progress in:
 - **Funds expenditure**
 - **Compliance with reporting requirements**
 - **Jobs creation**
- If deficiencies found, Grantee must provide corrective action plan (CAP).

- Authorized for Advance Payments
- Funds electronically transferred to organization upon payment request
- Must enroll in ASAP before making requests
- Enrollment email with required forms was sent by Barbara Huyck to organization contact
- Barbara is available to answer questions at: barbara.huyck@go.doe.gov or 303-275-4746
- For more info on ASAP enrollment, go to:

http://fms.treas.gov/asap/pr_questions_enrollment.html

Recipient presentation of Activities & status

For each Activity:

- 1) **Overview of Activity objectives and approach to successful implementation.**
- 2) **Description of Activity tasks**
- 3) **Activity milestones & schedule/timeline**
- 4) **Current status**

U.S. Department of Energy
Energy Efficiency and Renewable Energy
