The City of Las Vegas entered into an Interlocal Contract with the Regional Transportation Commission (RTC) on November 10, 2005 and a Supplemental Interlocal Contract on December 11, 2008 for the construction, design, right-of-way acquisition and right-of-way other for improvements associated with the installation of bus turnouts along the Citizen Area Transit bus routes on Decatur Boulevard, between Meadows Lane and Sahara Avenue (Bus Turnout Project-Fiscal Year 2006). Supplemental Interlocal Contract 522b will extend the project completion date to December 31, 2015 and will decrease project funding in the amount of \$1,160,000. The Contract is being reduced to align projected expenditures with the recent reductions in the Regional Transportation Commission of Southern Nevada 20-year Capital Improvements Program. Total cost of the contract shall not exceed \$1,440,000. The Regional Transportation Commission of Southern Nevada approved this Contract at its October 8, 2009 Board meeting.

CITY COUNCIL MEETING OF: DECEMBER 16, 2009

NOTE: Under Item 9 COUNCILMAN ROSS disclosed that as Secretary-Treasurer of the Southern Nevada Building and Construction Trade Council, he secures work for union workers who are members of the trades he represents. Because the Council awards a number of construction contracts and the labor unions may later become interested in jobs provided by these contracts, if the trades unions take an active interest in a particular contract or compete for jobs on a contract awarded by the City of Las Vegas, he will abstain from a vote on such a contract. Almost all construction contracts awarded by the City of Las Vegas goes through a competitive bid process pursuant to NRS 338 requiring award to the lowest responsive and responsible bidder. The law does not favor union or non-union. If the construction contract is awarded under NRS 338, is unchallenged or does not involve the Trade Council, he will disclose but not abstain. For this reason, he disclosed on Items 40, 42 and 43. For Item 30 involves rejection of the low bidder and may involve a conflict between union and non-union. He disclosed and will abstain on that item. Item 44 further advances the funding for the new City Hall project. Members of the labor union he represents are seeking a project labor agreement and the Southern Nevada Building and Construction Trade Council is actively engaged in the negotiations. He disclosed and abstained on Item 44 as well.
