**** STAFF REPORT ****

PROJECT DESCRIPTION

The subject property is undeveloped land with a previously approved Special Use Permit (SUP-23886) for an Electric Utility substation. The applicant has not made any progress on the proposed project, as lack of development in the surrounding area has not required the additional load requirements for a new substation. No building permits have been issued nor has a plan check been submitted for review. The applicant is requesting a four-year Extension of Time to allow the surrounding area time to develop and warrant the Utility Substation. Staff recommends approval.

ANALYSIS

This is the first request for an Extension of Time of a previously approved Special Use Permit (SUP-23886) for a proposed Electric Utility Substation approximately 370 feet east of the corner of Hualapai Way and Darling Road. No building permits have been issued nor has plans been submitted for review. The area surrounding the subject site is undeveloped with no proposed uses. Title 19.18.060 deems a Special Use Permit exercised upon the approval of a business license, if approved, or upon the issuance of a certificate of occupancy or approval of a final inspection.

FINDINGS

The Special Use Permit (SUP-23886) has not met the requirements outlined in Title 19.18.050 as no permits have been issued for the proposed project. The applicant is requesting an Extension of Time to allow the surrounding neighborhoods to develop and warrant the additional Utility Substation. Staff is recommending approval with a four-year time limit. Conformance to the conditions of approval of the Special Use Permit (SUP-23886) shall be required.
