5. A Waiver from foundation landscaping requirements is hereby approved, to allow the foundation landscaping to be less than the required six foot minimum width.
6. A permanent underground sprinkler system shall be installed in all landscape areas as required by the City of Las Vegas and shall be permanently maintained in a satisfactory manner.
7. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. The landscape plan shall include irrigation specifications.
8. All mechanical equipment, air conditioners and trash areas shall be fully screened in views from the abutting streets.
9. All utility boxes exceeding 27 cubic feet in size shall meet the standards of Municipal Code Section 19.12.050.
10. Parking lot lighting standards shall be no more than 20 feet in height and shall utilize downward-directed lights. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.
11. A Master Sign Plan shall be submitted for approval of the Centennial Hills Architectural Review Committee—Town Center (CHARC-TC) prior to the issuance of a Certificate of Occupancy for any building on the site and prior to the issuance of any sign permits.
12. Prior to the submittal of a building permit, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.
13. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
14. The applicant will be required to provide a transit service turn out at the southwest corner of Kyle Canyon Road and Oso Blanca Road along Kyle Canyon Road. This turn out may be designed as an exclusive right-turn lane per the drawing provided by the Regional Transportation Commission.
15. All City Code requirements and design standards of all City departments must be satisfied.
