Your Key To Success!

September 29, 2009

City of Las Vegas
Planning & Development Department
Las Vegas, NV 89125

Dear Sir or Madam:

Please consider this letter as a "Justification Letter" for the purpose of having the water feature for The Woodlands Community re-activated.

The fountain has been out of service for some time now and the Community would like to have it turned back on as it is a signature design for the Association and an object of tranquil beauty!

The park, where the fountain is housed, is small in body and the fountain is the main focal point. It is worse than a shame to have this wonderful piece of art still and broken.

The Community is looking to your Department for approval to have this water feature repaired and turned back on.

We look forward to your reply and hope that it is a positive one.

Thank you,

Barbara Parker, CAM
