Re: Regional Transportation Commission of Southern Nevada Advisory Committee
on Bus Bench-Shelters

Councilman Anthony's liaison, Anthony Ruggiero, contacted Mr. William McCurdy, whose term on the Regional Transportation Commission (RTC) of Southern Nevada Advisory Committee on Bus Bench-Shelters expires on January 21, 2010. Mr. McCurdy wishes to be appointed for another 1 year term on the Commission. Per RTC records, to date, he has attended five of the five meetings held in the last twelve months. Councilman Anthony recommends Mr. McCurdy's reappointment.
