Minutes:

MAYOR PRO TEM REESE called forward LARRY HAUGSNESS, Director of Field Operations, to help him recognize REBECCA RURY, Management Analyst for Field Operations, as January's Employee of the Month for working for the City at the Bureau of Land Management to help speed the process for the City to obtain public land to build parks, fire stations, police substations and detention basins and to obtain right-of-way grants. With her expertise, the former two-year process has been reduced to four months, which allows the City to construct parks and provide amenities to residents faster.

MR. HAUGSNESS stated that Ms. RURY is a great technical person and congratulated her on this well-deserved honor.

MS. RURY accepted the Employee of the Month certificate and stated that she is blessed to have landed in Field Operations after 20 years with the City and to work with such wonderful people.
