**** STAFF REPORT ****

PROJECT DESCRIPTION

This is a request for a Special Use Permit to allow a Beer/Wine/Cooler On-Sale Establishment within a proposed restaurant at 7541 West Lake Mead Boulevard, Suite #110. The Beer/Wine/Cooler On-Sale Establishment use will be ancillary to the restaurant. The applicant is requesting a Waiver to allow a 120-foot separation distance from a park where 400 feet is required. The Waiver is appropriate as the park is located across Lake Mead Boulevard, a 100-foot primary Arterial, and is located within a large commercial stopping center containing other similar uses.

As this request can be conducted in a compatible and harmonious manner with the surrounding land uses, staff is recommending approval of this application. If the application is denied, the subject site will remain as a restaurant that cannot sell beer or wine on the premises.

ANALYSIS

This request is for a Special Use Permit for a proposed Beer/Wine/Cooler On-Sale Establishment for a proposed restaurant at 7541 West Lake Mead Boulevard, Suite #110. The beer and wine will be sold in conjunction with meals inside and outside of the restaurant. The total square footage of the restaurant is 2,310 square feet of interior seating for 32 patrons, and a proposed patio area of 250 square feet seating 28 patrons. The hours of operation for the proposed restaurant are Monday through Sunday, 10 a.m. to 10 p.m.

The proposed location is part of an established shopping center at the northeast corner of Lake Mead Boulevard and Buffalo Drive, which supplies the required amount of parking for this site. This shopping center is able to accommodate a variety of uses such as professional offices, personal services, restaurants, and retail stores.

As part of this request, the applicant is asking for a Waiver of the 400-foot distance separation requirement because the proposed restaurant is located approximately 120 feet away from a protected use (a park). The Waiver is appropriate as the park is located across Lake Mead Boulevard, a 100-foot primary Arterial, and is located within a large commercial stopping center containing other similar uses. The addition of a Beer/Wine/Cooler On-Sale Establishment use is ancillary to the proposed restaurant, it can be conducted in a manner that is harmonious and compatible with existing surrounding land uses. Therefore, staff recommends approval.

FINDINGS

The following findings must be made for a Special Use Permit:

1. **“The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.”**

The proposed land use can be conducted in a manner that is harmonious and compatible with the surrounding uses.

2. **“The subject site is physically suitable for the type and intensity of land use proposed.”**

The subject site is physically a large commercial shopping center, and is suitable for the type and intensity of land use proposed.

3. **“Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.”**

Site access is provided from Lake Mead Boulevard, a 100-foot Primary Arterial, and Buffalo Drive, a 100-foot Primary Arterial as designated in the Master Plan of Streets and Highways. These streets provide adequate access to and from the subject property.

4. **“Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.”**

It will not compromise the public health, safety, or welfare as the use is subject to licensing and inspections by the City of Las Vegas. The use is consistent with the existing SC (Service Commercial) General Plan designation.

5. **The use meets all of the applicable conditions per Title 19.04.**

The proposed Beer/Wine/Cooler On-Sale Establishment use does meet the applicable conditions per Title 19.04, with the exception of the requested Waiver.
