Minutes:

ANTHONY HODGES recalled former Council members and mentioned how he keeps abreast on important issues and the Council. He was also proud to have received correspondence from PRESIDENT BARACK OBAMA and former Presidents. He appreciated the fact that Ward 5 has appropriate representation since former COUNCILMAN WEEKLY.

RASHAN JOSHUA COLLINS submitted his written comments and hopes that everyone will be saved and give their lives to God.

RUSSELL SAN V, also known as TEDDY RUSSELL, introduced his brother-in-law and sister who were present. He used the overhead to display a crime alert and read the information. He highly praised the Las Vegas Metropolitan Police Department and Marshals and urged that layoffs will not continue within these two divisions.

STANLEY WASHINGTON and GENE COLLINS were shocked and disappointed at the Mayors reaction concerning PRESIDENT BARACK OBAMAS comments regarding Las Vegas. They will continue to support the President and work with colleagues on fighting against the Yucca Mountain Project.
