RECOGNITION OF THE TEAM OF THE QUARTER

Minutes:

MAYOR GOODMAN invited City employees from several departments who make up the Team of the Quarter to the podium and applauded them for their efforts. Their talents, creativity and workmanship helped keep the historic Fremans house at Lloyd Lamb Park at Tule Springs for use as a visitors center. The restoration was completed this past December and was the recipient of the 2009 Mayors Urban Design award for exceptional design of a public place. In addition, the project was completed \$450,000.00 under budget.

The Mayor has personally visited this beautiful site and is confident that visitors will enjoy it. On behalf of the Council, the Mayor congratulated all of them for a job well done.

COURTNEY MOONEY, Planning and Development Department, enjoyed working with the team and was pleased that everyone rose to the challenge with professionalism and creativity.
