

**PROPERTY CONVEYANCE AND CONSTRUCTION AGREEMENT
BETWEEN THE CITY OF LAS VEGAS AND THE SUN CITY
SUMMERLIN COMMUNITY ASSOCIATION, INC.**

This Property Conveyance and Construction Agreement between the City of Las Vegas and the Sun City Summerlin Community Association Inc ("Agreement") is dated this 3rd day of MARCH, 2010, by and between the City of Las Vegas (the "City") and the Sun City Summerlin Community Association Inc ("SCSCAI"). The City and SCSCAI may hereinafter be referred to individually as a "Party" or collectively as the "Parties."

RECITALS

1. The City is a political subdivision of the State of Nevada.
2. SCSCAI is a Nevada not-for-profit homeowner's association formed pursuant to the provisions of NRS 116, 81.410 through 81.540 and governed by the SCSCAI Community Association Board. The City and SCSCAI desire to have a fire station close to SCSCAI residents so there is a rapid response time by the Fire Department to residents within the Sun City community.
3. City of Las Vegas Fire and Rescue ("CLVFR") has been attempting to secure a location for a fire station in the immediate area of Sun City Summerlin in order to serve not only the residents of Sun City Summerlin effectively and efficiently, but also the area surrounding Sun City Summerlin. CLVFR has not been successful in finding suitable real property for a fire station that would result in the acquisition of land and the construction of a fire station within its allotted budget.
4. SCSCAI is the owner of three golf courses within Sun City Summerlin. At the northeast intersection of Del Webb Boulevard and Sundial Drive, SCSCAI has offered to sell to the City for \$1.00 certain golf course property to be used for the construction by the City of a fire station upon that site. The City will also accept conveyance of certain SCSCAI-owned and maintained parcels along Cheyenne Avenue.

NOW, THEREFORE, in consideration of the foregoing recitals, the promises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

The SCSCAI Emergency Response Team will be given a key or key card (whichever is utilized) to access the storage room, but access to the storage room is at the discretion of the person in charge at the fire station, who will also have access to the room. SCSCAI understands that the person in charge of the fire station may access the room from time to time to confirm that no improper materials are stored at the fire station and for good cause this person in charge may from time to time be required to restrict SCSCAI access to this storage room; and

5. The fire station shall not be initially designed with a security gate and/or walls (other than a perimeter wall), but subsequent construction of such a gate or walls (other than a perimeter wall) is at the discretion of the Fire Chief, upon consultation with SCSCAI. If a gate or walls (other than a perimeter wall) are ultimately determined to be necessary, the design of the gate and/or walls (as with the perimeter wall) shall comply with the SCSCAI architectural and color standards. However, SCSCAI is limited to commenting on the aesthetics of such a gate and/or walls and SCSCAI board approval shall not be unreasonably withheld for the City's construction of the gate and/or walls.

B. Fire Station Construction.

The City shall construct a fire station upon the Subject Property, and the City will use its best efforts to commence construction of the fire station within thirty-six (36) months after the effective date of this Agreement and complete construction within sixty (60) months. SCSCAI acknowledges and agrees that the timing of construction shall be at the sole discretion of the City, but not before the following actions occur:

1. The City shall notify SCSCAI that construction of the Fire Station shall commence within one hundred-eighty (180) days, and SCSCAI shall complete all necessary reconstruction of the Tee Box to accommodate the fire station construction upon the Subject Property. Tee Box reconstruction shall not commence prior to receiving notification of the commencement of fire station construction from the City. The Tee Box reconstruction shall be completed to the satisfaction of each Party before construction of the fire station commences.
2. All necessary approvals for construction of the fire station have been granted by the appropriate entities and authorities;
3. Conveyance of the Subject Property and Cheyenne Parcels to the City as provided herein; and
4. Construction of a perimeter wall on the Subject Property by the City (which shall be a wrought iron fence with pilasters consistent with SCSCAI architectural and color standards) in accordance with SCSCAI and City Council site plan approvals.

C. Fire Station Operation. The City will staff and operate the fire station as soon as practicable subsequent to the completion of construction of the fire station. SCSCAI acknowledges and agrees that the timing of staffing and operation of the fire station shall be at the sole discretion of the City.

1. Staffing. Upon commencing the operation of the Fire Station, CLVFR will endeavor to man the fire station with a minimum of six (6) firefighters per shift. SCSCAI acknowledges and agrees that such staffing levels shall be at the sole discretion of the Fire Chief.

2. Apparatus. Upon commencing the operation of the Fire Station, CLVFR will endeavor to equip the station with at least one rescue unit and one engine. SCSCAI acknowledges and agrees that equipment allocation shall be at the sole discretion of the Fire Chief.

SCSCAI acknowledges and agrees that CLVFR standard operating procedures may be amended from time to time at the sole discretion of the Fire Chief. However, regarding noise control, CLVFR and SCSCAI agree to the following:
 - a. the fire station will have no outdoor speakers of any kind, unless otherwise required by law;
 - b. the equipment at the fire station will be equipped with back-up alarms, but CLVFR shall endeavor to utilize a quiet system for back-up guidance when backing equipment into the station.
 - c. attached hereto at Exhibit "6" is the current CLVFR noise control standard operating procedure. SCSCAI acknowledges and agrees that this noise control standard operating procedure may be amended from time to time at the sole discretion of the Fire Chief.
 - d. The fire station will be designed with an outdoor barbeque and picnic table for use by the firefighters assigned to the fire station, their families and their guests. CLVFR will take all reasonable measures to minimize loud and prolonged noise emanating from the barbeque and picnic area.

III. City Obligation to Reimburse SCSCAI for Reconstruction of Tee Box.

As indicated above, a condition precedent to closing is the documentation of the City obligation to reimburse SCSCAI for costs associated with the design and reconstruction of a tee box, associated cart paths and drainage facilities necessary for the construction of the fire station that are within the area of the reconstructed tee boxes and associated cart paths ("Tee Box") affected by the creation and conveyance of the Subject Parcel as depicted on "Exhibit 7". In addition, construction of the fire station may not begin until such time as the reconstruction of the Tee Box is complete.

- A. Reimbursement Not-to-Exceed Amount. Any reimbursement to SCSCAI by the City for design and reconstruction of the Tee Box affected by the creation and conveyance of the Subject Parcel shall not exceed \$184,195.00, except that once design of the Tee Box commences, any City-mandated changes that increase costs shall also be paid for by the City. The same shall be true of any City-mandated changes that occur during the reconstruction phase of the Tee Box. The agreement to be negotiated for reimbursement of these monies shall provide that if the actual cost of reconstruction exceeds the not-to-exceed amount, then the Parties shall renegotiate such not-to-exceed amount and such amount shall be adjusted upwardly so as to fairly and reasonably reimburse SCSCAI for

the actual costs of reconstruction at the time of reconstruction of the Tee Box.

- B. City's Obligation to Reimburse. The City's obligation to reimburse SCSCAI for the design and reconstruction of the Tee Box accrues only upon the completion of the reconstruction of the Tee Box. Actual reimbursement of costs will occur as defined by that certain agreement of the Parties as delineated by paragraph Section I(I)(8), herein.
- C. City Termination of Agreement. If this Agreement is terminated by the City as provided by Section IV(A) or (B) herein prior to or after the conveyance of the Subject Parcel to the City, and provided that SCSCAI received written notification regarding construction of the fire station as provided by II(B)(1) herein, and SCSCAI completed reconstruction of the Tee Box, the City shall pay to SCSCAI all monies necessary to complete the Tee Box reconstruction in accordance with Section III(A) above as liquidated damages for the termination of this Agreement by the City.
- D. SCSCAI Termination of Agreement Prior to Conveyance of Subject Property. If this Agreement is terminated by SCSCAI (for other than an uncured breach by the City) as provided by Section IV(A) herein prior to the conveyance of the Subject Parcel to the City, SCSCAI acknowledges and agrees that the City shall have no obligation to reimburse SCSCAI for any costs associated with the design and reconstruction of the Tee Box, nor any other damages, of any kind, associated with the design and reconstruction of the Tee Box, specifically including any costs necessary to return the Tee Box back to its original position.
- E. SCSCAI Termination of Agreement After Conveyance of Subject Property. If this Agreement is terminated by SCSCAI (for other than an uncured breach by the City) as provided by Section IV(C) herein after the conveyance of the Subject Parcel to the City, and provided that SCSCAI received written notification regarding construction of the fire station as provided by II(B)(1) herein, and SCSCAI completed reconstruction of the Tee Box, the City shall pay to SCSCAI all monies necessary to complete the Tee Box reconstruction in accordance with Section III(A) above as liquidated damages for the termination of this Agreement by the City.

IV. Termination of Agreement

- A. By Either Party; Without Cause. This Agreement may be terminated by either Party, for any reason, or no reason at all, upon fourteen (14) calendar days notice to the other Party at any time prior to the close of escrow and conveyance of the Subject Property and the Cheyenne Parcels to the City. Reimbursement costs related to such termination shall be paid to the non-terminating party as otherwise set forth in this agreement as provided by Section III (A) & (B), above. Once escrow has closed and the

Subject Property and the Cheyenne Parcels have been conveyed to the City, termination of this Agreement by either Party is only permitted pursuant to IV(B) or IV(C) below.

B. By the City; Failure to Fund Construction. This Agreement may be terminated by the City, upon a declaration by the City Council at a regularly-scheduled public hearing that the City is not going to fund the construction of the fire station contemplated by this Agreement. Upon this declaration, this Agreement is terminated, and the City shall, by grant, bargain and sale deed, convey the Subject Property back to SCSCAI and SCSCAI shall accept such conveyance and record the deeds reconveying such property. Reimbursement costs related to such termination shall be paid to the non-terminating party as otherwise set forth in this agreement as provided by Section III (C), above.

C. By SCSCAI; For Cause after Designated Time Period. This Agreement may be terminated by SCSCAI, if the City has not commenced construction by a date prior to ten years from the effective date of this Agreement. SCSCAI shall deliver a written notice of termination to the City, and upon receipt of such notice, the City shall, by grant, bargain and sale deed convey the Subject Property and the Cheyenne Parcels back to SCSCAI and SCSCAI shall accept such conveyance and record the deeds reconveying such property. Reimbursement costs related to such termination shall be paid to the non-terminating party as otherwise set forth in this agreement as provided by Section III (D) & (E), above.

V. Reversion of Subject Parcel to SCSCAI; Limitations.

A. Reversion of the Subject Parcel to SCSCAI. If the City discontinues the use of the Subject Property as a fire station, the Subject Property shall revert back to the ownership of SCSCAI, except as otherwise provided below. For SCSCAI to assert such right of reversion, a discontinuation of use must occur for a period of time longer than one-hundred eighty consecutive (180) calendar days from the date upon which the use of the Subject Property as a fire station was discontinued by the City. At all times subsequent to a discontinuation of the use of the Subject Property as a fire station, the City agrees that it will continue to maintain the Subject Property in a reasonable condition, unless SCSCAI's right to reversion accrues and SCSCAI exercises such right.

B. Use of the Subject Property for an Agreed Public Use Permitted. The Parties acknowledge that the intended use for the Subject Property is as a fire station. However, during the 180 consecutive day period where the use of the fire station is discontinued by the City ("Period of Discontinued Use"), the City and SCSCAI shall meet and confer in good faith as to what other appropriate public uses by the City and residents of SCSCAI, if any, would be acceptable to SCSCAI on the Subject Property and otherwise specifically permitted by the CC&Rs of SCSCAI. The City acknowledges that the SCSCAI CC&Rs presently allow for a fire station only on the Subject Property and unless and until such CC&Rs are appropriately amended no other use can be allowed on the Subject Property.

If the City proposes an alternate use that is reasonable and consistent with the SCS community, and the residents of the SCS community fail to approve an amendment to the SCSCAI CC&Rs to permit such alternate use upon the Subject Property, and the ownership of the Subject Property reverts back to SCSCAI as provided by Section V(A), above, the Cheyenne Parcels shall also revert back to the ownership of SCSCAI, along with any and all liabilities and maintenance responsibilities occurring after the reversion.

C. Right of Reversion Accrual. SCSCAI acknowledges and understands that it cannot assert any right to revert based upon a delay in the actual construction or initial operation of the fire station by the City, except as provided by Section IV(C), herein

D. Except as otherwise provided by Section IV(C) and Section V, above, once the Cheyenne Parcels are conveyed to the City, the Cheyenne Parcels shall remain the property of the City and the City shall be responsible for all costs involved in timely and properly maintaining these parcels. Additionally, the City shall not place any building(s) or other structure(s) on the Cheyenne Parcels without first giving written notice to and receiving input from SCSCAI.

VI. Default and Effect of Default

A. General Default Events; Opportunity to Cure. In the event of any noncompliance with any provision of this Agreement, the Party alleging noncompliance shall deliver to the other by certified mail a five (5) business day notice of default and opportunity to cure. The time of notice shall be measured from the date of certified mailing. The notice of default shall specify the nature of the alleged default and the manner in which it may be satisfactorily corrected, during which five (5) business day period the Party alleged to be in default shall not be considered in default for the purposes of the remedies for default as provided herein. If the default is corrected, then no default shall exist and the Party alleging the non-compliance party shall take no further action.

If the default cannot be reasonably cured within the five (5) business day cure period, the non-compliant Party may request a reasonable extension of time from the other Party to cure the default, and as long as the non-compliant party is reasonably acting to cure the default, then the Party alleging the non-compliance shall take no further action. If the non-compliant party does not act reasonably in its cure of the alleged default, the Party alleging the non-compliance may declare the non-compliant party in default.

B. Default; Remedies. If a default exists pursuant to Section VI(A), above, or an alleged default is not corrected within the relevant cure period pursuant to Section VI(A) above, the non-complaint Party is in default, the Party alleging non-compliance may declare the breaching party in default and upon a declaration of default, either Party may institute legal proceedings consistent in a court of competent jurisdiction consistent with the terms of this Agreement.

L. Maintenance of Cheyenne Parcels and Northern Flood Channel Wall by City. Upon conveyance of the Cheyenne Parcels to the City as provided herein, the City shall maintain any landscaping existing at the time of conveyance and the northern flood channel wall a part of the Cheyenne Parcels according to City maintenance standards. At no time will the City be responsible for the maintenance, repair, replacement or structural integrity of any SCSCAI Homeowner's Perimeter Wall. A depiction of the Northern Flood Channel Wall is attached hereto as "Exhibit 9".

SCSCAI acknowledges and understands that the City has no plans to improve the landscaping that exists upon the Cheyenne Parcels and that any change to the landscaping is at the sole discretion of the City.

M. Maintenance of Walls by SCSCAI. SCSCAI acknowledges that any and every wall not otherwise defined as the Northern Flood Channel Wall that is adjacent to the Cheyenne Parcels are the responsibility of SCSCAI and such walls shall be maintained and repaired by SCSCAI. Should SCSCAI assume the defense of the City, SCSCAI shall nevertheless consult with and keep the City fully apprised of all material matters affecting any claim, suit or action assumed by SCSCAI. Notwithstanding the

foregoing, SCSCAI shall be under no obligation to defend, indemnify or otherwise hold the City harmless or pay the City's costs of defense if any such claim, suit or action is a result, in whole or in part, of the City's willful misconduct or its own negligence.

As provided at Section I(I)(9), the Parties will negotiate and execute a separate agreement requiring SCSCAI to maintain such walls, and such agreement will delineate the standard by which such walls will be maintained.

**MAINTENANCE AGREEMENT BETWEEN
THE CITY OF LAS VEGAS AND THE SUN CITY
SUMMERLIN COMMUNITY ASSOCIATION, INC.**

This Maintenance Agreement between the City of Las Vegas and the Sun City Summerlin Community Association, Inc. ("Maintenance Agreement") is dated this ____ day of _____, 2010, by and between the City of Las Vegas (the "City") and the Sun City Summerlin Community Association, Inc ("SCSCAI"). The City and SCSCAI may hereinafter be referred to individually as a "Party" or collectively as the "Parties."

RECITALS

1. The City and SCSCAI entered into that certain Property Conveyance and Construction Agreement between the City of Las Vegas and the Sun City Summerlin Community Association, Inc. on _____, 200__, ("Conveyance Agreement") whereby SCSCAI sold certain real property to the City for a nominal sum, provided that the City design and construct a fire station upon such property. The Conveyance Agreement is attached hereto as Exhibit 1. Unless otherwise indicated herein, all capitalized terms in this Maintenance Agreement shall be defined as indicated in the Conveyance Agreement.

2. Among other things, the provisions of the Conveyance Agreement require that the Parties enter into a separate agreement to: 1) memorialize SCSCAI's ongoing obligation to maintain storm sewer facilities constructed on SCSCAI golf course property; 2) memorialize the City's ongoing obligation to maintain the Cheyenne Parcels at its sole discretion; and 3) memorialize SCSCAI's acknowledgement that SCSCAI is responsible for, or SCSCAI's CC&Rs require an adjacent homeowner to be responsible for the maintenance, repair and structural stability of the SCSCAI Homeowner's Perimeter Wall adjacent to the Cheyenne Parcels (hereinafter referred to as the "SCSCAI Homeowner's Perimeter Wall). A depiction of such wall is attached hereto as Exhibit 2. The Parties would not have otherwise entered into the Conveyance Agreement unless this Agreement was subsequently negotiated and executed by the Parties.

3. This Maintenance Agreement shall accomplish the requirements of the Conveyance Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals, the promises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

...

...

...

AGREEMENT

I. Obligations of SCS.

A. Maintenance of the Storm Sewer Facilities on SCSCAI Property.

1. SCSCAI acknowledges and agrees that the alignment and discharge points for the storm drain improvements as depicted on the City's approved Fire Station 107 Site Development Plans ("FS 107 Plans") are acceptable to SCS.

2. SCSCAI acknowledges that it does own and will perpetually maintain any and all portions of the storm drain improvements that are located or to be located on SCSCAI property. Maintenance of these storm drain improvements, include, but are not limited to maintenance of all pipes, cleanouts and riprap and other related appurtenances in accordance with the FS 107 Plans.

3. The Parties acknowledge that there are numerous storm drain facilities that carry storm and nuisance flow from real property owned by SCSCAI or individual landowners within the Sun City Summerlin residential development, and such facilities directly transport storm and nuisance flow into the Cheyenne Road flood control channel. SCSCAI acknowledges that such facilities existing upon any property owned by SCSCAI or any individual property owner within Sun City Summerlin (save and except for property on which the City has an easement and a documented maintenance obligation) are the maintenance responsibilities of SCSCAI or the individual homeowner, as the case may be, and shall not be the maintenance responsibility of the City.

4. The Parties explicitly acknowledge the existence of drainage ports (which includes, without limitation, block wall openings, weep holes and/or storm drain outlets) within the SCSCAI Homeowner's Perimeter Wall and the southern wall of the Cheyenne Road flood control channel. SCSCAI acknowledges that the City is not responsible for the functionality, maintenance or repair of drainage ports located within the SCSCAI Homeowner's Perimeter Wall.

B. Acknowledgement of Perpetual Obligation to Maintain SCSCAI Homeowner's Perimeter Wall Adjacent to Cheyenne Parcels.

1. SCSCAI acknowledges and agrees that SCSCAI is responsible for, or SCSCAI'S CC&Rs require an adjacent homeowner to be responsible for all maintenance, repair and structural stability of the SCSCAI Homeowner's Perimeter Wall in perpetuity. This includes, but is not limited to general maintenance of such wall, the maintaining structural stability of such wall, graffiti removal and restoration and or reconstruction of such wall when damaged.

2. If the City becomes aware of a maintenance or repair issue regarding the SCSCAI Homeowner's Perimeter Wall, the City may choose to notify SCSCAI of such issue(s). If the City does notify SCSCAI of such issue(s), SCSCAI shall respond in writing within

fourteen (14) calendar days as to how it plans to proceed with the maintenance or repair of such wall. This process does not prevent or otherwise preclude the City's Code Enforcement Department from taking all legal action to require the repair or maintenance of such wall if necessary after the expiration of the fourteen (14) calendar day notice period. However, the City agrees that the City shall take no action against SCSCAI as long as SCSCAI is acting reasonably to correct any such maintenance or repair issue(s).

3. SCSCAI acknowledges and agrees that the City is in no way responsible for the repair or ongoing maintenance of the SCSCAI Homeowner's Perimeter Wall, even if a portion of such wall is found to be upon the Cheyenne Parcels after conveyance of the Cheyenne Parcels to the City.

4. SCSCAI acknowledges that any and every wall not otherwise defined as the Northern Flood Channel Wall that is adjacent to or upon the Cheyenne Parcels are the responsibility of SCSCAI and such walls shall be maintained and repaired by SCS. The City shall permit SCSCAI to enter the Cheyenne Parcels to repair or maintain such walls upon reasonable notice and approval by the City Department of Field Operations. At the option of SCS, it may request an appropriate written instrument from the City to enter onto the Cheyenne Parcels for maintenance and repair purposes.

SCSCAI hereby agrees to fully indemnify, pay any and all costs to defend and hold the City, its officers, employees and agents, harmless from and against any and all claims, damages, losses, expenses, suits, actions, decrees, judgments, awards, attorneys' fees and court costs for any claims against the City by any party for maintenance, repair, replacement or any other structural damage that occurs or did occur or was alleged to have occurred in the design or construction of any and every wall not otherwise defined as the Northern Flood Channel Wall that is adjacent to the Cheyenne Parcels. Prior to undertaking its own defense, the City shall notify SCSCAI in writing of any alleged claim, suit or action for which the City seeks indemnification under this paragraph and shall tender in writing such defense to SCSCAI. SCSCAI shall assume the defense of the City in such claim, suit or action unless within five business days following receipt of that tender, SCSCAI notifies the City in writing that it will not assume such defense. Should for whatever reason SCSCAI notify the City in writing within 5 business days after receiving the City's tender of defense that SCSCAI will not assume the defense of the City, the City has the option to proceed with its own defense at the cost of SCSCAI as otherwise provided in this paragraph. Should SCSCAI assume the defense of the City, SCSCAI shall nevertheless consult with and keep the City fully apprised of all material matters affecting any claim, suit or action assumed by SCSCAI. Notwithstanding the foregoing, SCSCAI shall be under no obligation to defend, indemnify or otherwise hold the City harmless or pay the City's costs of defense if any such claim, suit or action is a result, in whole or in part, of the City's willful misconduct or its own negligence.

C. Cheyenne Parcel Maintenance.

The Parties acknowledge and agree that there are no landscaping irrigation facilities in place upon or among the Cheyenne Parcels, and that the City has no plans to improve upon the landscaping that currently exists upon the Cheyenne Parcels. The Parties further
