SHOWDOWN ON FOREMASTER STREET

by R. Joshua Collins

The Opening Statement at the Trial of Roussan Joshua Collins

Homeless Preacher-Advocate Arrested & Jailed For 22-days while waiting For Trial For Issues Arriving From Sleeping On a Sidewalk on Foremaster Street.

Collins, one of our own, spends 22-days imprisoned in Las Vegas then defends himself in his court trial and wins his case. This is his opening statement he read at his trial. He was just released from jail after his court victory and called us with the great news. More details of his case will follow, including possible legal action pending against the City and Police.

By R. Joshua Collins

My name is Roussan Joshua Collins, and I am an ex math instructor turned homeless street preacher and activist for the homeless. I am also a Christian song writer and have been involved in photo journalism, and my hope is to see true justice prevail in the often corrupted courts of Las Vegas.

While ministering in Las Vegas I've seen that just as the Nazis persecuted the Jews, the homeless are often persecuted by the rich and powerful. Many are jailed for sleeping outside, and the criminalization of the poor must end.

As the book of Job tells us in Job 24:4 "They push the needy off the road, and the poor of the land are forced to hide."

I am here today in court because I chose not to hide, but to stand up for the poor of this city.

I have studied State, City, Constitutional and Biblical law, and have found the City of Las Vegas guilty of Treason and great hypocrisy for shamelessly promoting sin and vice, while at the same time claiming innocence and virtue. Surely millions have been corrupted by the promoters of evil in this city, and I pray soon this city will be brought to its knees before the LORD JESUS CHRIST, who alone should be our Lawgiver, Judge, and King.

After being held 22 days for no crime at all, I am prepared to defend myself through CHRIST JESUS, and know my persecutors owe me and many others a great apology for failing to be good Samaritans, for imposing excessive fines, and cruel and unusual punishments, and for failing to uphold good morals and public decency as prescribed by State, City and Biblical law (The Bible being the foundation of many of our laws in the USA).

Those who fail to see this are not fit to govern and expose their ignorance of the development of this nation, and my hope is to see the abuse of the poor ended soon.

Sincerely in CHRIST JESUS,
Roussan Joshua Collins

Sexual sin leads to Hell! Obey JESUS, not satan. Be sober, don't curse, smoke, gamble or lie, for you JESUS died. Be forgiven and baptized. We are in the last days. May GOD bless you as you obey CHRIST JESUS our LORD.

The photo of the No Trespassing sign above is another wave of aggression by the city and county RTC. The sign is at a bus station at Tropicana near Boulder Highway.]

[RIVER Organization Christian Church's Editor's Note: We scheduled a future interview with R. Joshua Collins to cover the details of his trial and information regarding his case. We will bring those reports to you as soon as we have processed them. We also intend to cover the Showdown on Fremont Street and other developments of related events shortly. We are glad Josh has finally been released from jail. We prayed relentlessly for Josh and God answered our prayers. We congratulate him on his winning his case. We look forward to the next victory.

SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

A PETITION TO THE LAS VEGAS MAYOR AND CITY COUNCIL
SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

SAVE OUR MARSHALS

As a concerned citizen who uses City of Las Vegas public facilities, I support the Las Vegas City Marshal program, and I ask that you keep the law enforcement officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, do not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety.

SAVE OUR MARSHALS!

THE LAS VEGAS CITY MARSHALS - TO PROTECT AND TO SERVE

Dear Mayor and City Council:

I am writing as a concerned citizen in support of the Las Vegas City Marshal program, and I am asking that you keep the officer levels at full force. Public safety in our parks, our community centers, and our city courts and buildings is important for the safety of our community, our families, our tourists, and our city's reputation. I urge you, please, to not reduce the ranks of the brave men and women who protect our public places and who ensure our public safety

James E. Krafft, Principal

February 18, 2010

Dear Mayor Goodman & Members of the City Council,

Our school, First Good Shepherd Lutheran, has taken a major step in the redevelopment program in the downtown area of the city of Las Vegas. We moved forward with a $4.1 million building program by tearing down four crumbling apartment buildings. In their place, we built a beautiful new school complex that houses a preschool, grades K-2, a lunch room, offices, meeting rooms, etc. If you have not had an opportunity to tour our new facility, we welcome you at any time.

We have appreciated both the Las Vegas Metropolitan Police Department and the Marshals Office for their diligence in patrolling the areas in and around our school these past many years, and especially now that we improved an entire square block. You have no idea how much we have appreciated their assistance in keeping this area clear of people who would cause problems for our school &/or our church.

With this thought in mind, please continue with your support for these law enforcement people so that there are no future cuts to public safety, especially in this downtown area, in our parks, and wherever children are involved in constructive activity.

Our city marshals are an extremely important unit as I'm sure you will agree. Without them our children and their families would be jeopardized, making many areas of Las Vegas much less safe than at the present time.

Sincerely,

James E. Krafft
principal
