PERFORMANCE MEASURES FORM

Anticipated Program Outcomes: Complete the chart below to describe the most significant outcome(s) this program is expected to accomplish involving its participants for year 2010/2011. Provide the number of households and/or individuals that will benefit from each outcome. Also, explain how each outcome will be measured.

Outcomes: Outcomes are not the products for the agency, but the benefits for the participants. What will be the benefits for the client? Why is this program being done? Examples of outcomes include increase the percentage of individuals and their families that are living in stable housing, increase housing affordability for clients and their families, increase accessibility to affordable housing for clients and their families, etc. Include only the major program outcomes supported by the requested City funds.

Major Tasks: Outline the major tasks/activities to be conducted by this program (e.g. client outreach/assessment; housing referrals, information/referral, counseling/care coordinator, etc.

Outputs: Quantifiable products of tasks, e.g. number of clients and their families receiving rental housing assistance, number of clients and their families assisted to prevent from becoming homeless, number of clients and their families that received a housing referral or information, number of clients and their families receiving supportive services, etc.

Outcome Measurements: How will outcomes be measured? What follow-up/tracking will be provided to ensure outcomes are met? How will the program's impact on participants be evaluated?

Outcome #1 Describe how participants will benefit and how many are expected to realize this outcome.

Supportive Services

The primary purpose of Golden Rainbow's Direct Financial Assistance Program is to provide a safety net for those individuals and families living with HIV/AIDS. Individuals often become part of the Golden Rainbow/HIV continuum of care when other agencies' rationed monthly funds have been depleted. Some situations require immediate financial assistance [less than 24 hour turn around] and other agencies are unable to provide relief as quickly as it is required, or the request is not approved under the agency's eligibility criteria. Under most circumstances, Golden Rainbow can provide financial assistance within 24 hours of receipt of request.

It is our goal to provide prompt and responsive assistance to at least 122 impacted individuals for the FY10/11 grant year with HOPWA funds. Golden Rainbow's Direct Financial Assistance Program assists with emergency short-term needs and limited assistance for eligible clients in order to provide and maintain an adequate living environment, including support for medical care. Financial assistance is available to prevent eviction, termination of utility services and to cover essential medical costs, e.g. co-pay, medications not paid by insurance.

Major Tasks Necessary to Realize Outcomes	Outputs Resulting from Tasks
Receive referrals from all AIDS Service Organizations	Golden Rainbow in the next 12 months will assist • 23 clients with short term housing • 7 clients with utilities • 92 clients with supportive services A total of 122 clients and 61 family members will have been assisted through our Emergency Financial Assistance Program.
Maintain effective communications between all AIDS Service Organizations	Golden Rainbow's staff will participate in the Clark County Coalition of HIV/AIDS Service Providers, in Nurse Case Management meetings and the Partners in Care Program.

Outcome Measurements: Describe evaluation tools, methods and benchmarks used to measure this outcome.

The program is evaluated using Client Satisfaction Surveys to ensure we are meeting the needs of our clients and providing effective services. Golden Rainbow continually collaborates with various Community-Based Organizations to clarify program services, avoid duplication and provide the most effective and efficient services possible.

Outcome #2 *Describe how participants will benefit and how many are expected to realize this outcome.*

Housing Operations:

The primary purpose of Golden Rainbow's Affordable Housing Program is to enhance the lives of low-income people living with HIV/AIDS and to address the barriers posed by the lack of affordable housing. We operate 2 four-plexes and one three-bedroom home. Tenants can stay as long as they have a need for housing. The four-plexes are used for individuals, couples or small families and the house is available for families. The benefit provided to our clients through HOPWA monies is payment of utilities and routine maintenance. Thus clients can utilize their limited income for medical costs, food and other essential needs. Our goal for the HOPWA cycle is to provide housing for at least 23 unduplicated clients.

Major Tasks Necessary to Realize Outcomes	Outputs Resulting from Tasks
Receive referrals from all AIDS Service Organizations	Golden Rainbow in the next 12 months will assist • Through our 9 units 23 infected/affected individuals every month. Golden Rainbow's Housing Program is a permanent housing program. We are committed to the idea that stable housing is an essential need of those in the HIV/AIDS community.

Outcome Measurements: Describe evaluation tools, methods and benchmarks used to measure this outcome.

Communication is on going with AIDS service organization staff serving the needs of the HIV/AIDS community. Staff also communicates with clients to determine unmet needs, procedural difficulties and/or other issues that are encountered as they journey through the social service system. Results of these discussions are communicated through individual and group meeting with the various HIV/AIDS service providers. Additionally, staff attends various training and/or net working sessions on services and funds available through AIDS service organizations and Community Based Organizations in this EMSA to ensure an optimal utilization of resources. Golden Rainbow staff also provides training and information for Board and Advisory Board members to ensure all are familiar with the Golden Rainbow service guidelines, procedures and anticipated results.

All Project Sponsors who fall under the requirements of OMB A-133 Auditing Rules must submit a full and complete copy of such audits to the Neighborhood Services Department. It is the responsibility of the Project Sponsor to ensure that audits are completed in a proper and timely manner. Unless an alternative spending plan has been approved in writing by Neighborhood Services, twenty-five (25%) of the award must be spent at least quarterly. To ensure compliance with this requirement, the HOPWA grant must be spent as follows: a minimum of ten percent (10%) must be expended by September 30th fifty (50%) must be expended by December 31st, seventy-five percent (75%) must be expended by March 30th, or the deficiencies in the expenditure of funds will be reprogrammed. The Completed Request for Funds (EXHIBIT "C") and Monthly Client Reporting Forms (EXHIBIT "D") for the first quarter must be received by October 15th; the second quarter must be received by January 10th, and the third quarter must be received by March 15th. In addition to the right to reprogram the unspent HOPWA funds, if the Subrecipient fails to utilize all of the HOPWA funds allocated hereunder, the City shall be entitled in its sole discretion to reduce any future request for HOPWA funding submitted by the Subrecipient to the City by the amount of the HOPWA funds which have not been spent pursuant to this Agreement.
