

AGENDA MEMO

CITY COUNCIL MEETING DATE: April 7, 2010

DEPARTMENT: Public Works

ITEM DESCRIPTION: Bid No. 09.1730.14-LED, Elkhorn Springs and Buffalo Drive Storm Drain System

This project involves storm drain improvement of various drain sizes from 18-inch to 60-inch reinforced concrete pipe (RCP) with total length (including laterals) of approximately 3,610 linear feet. The project will consist of, but not be limited to, removal and replacement of asphalt, concrete sidewalk, curb and gutter, and irrigation systems; removal of existing storm drain and appurtenances; removal of existing sanitation sewer; installation of RCP (varying diameter), storm drain manholes and drop inlets with appurtenances; traffic striping; and existing utility adjustments and other related work.
