REQUESTS FOR ADDITIONAL SAVINGS

In November of 2009, the City Manager requested that all employee groups eliminate normal contractual growth (COLA, Steps, Merit, Longevity, etc.) for both FY11 and FY12 without any provision for catch up (FLAT) and a reduction to wages in amounts that equate to 8% for both FY11 and FY12 (WAGE ROLLBACK). These significant requests were in addition to any previously reached agreements.

Wages rollback would also result in PERS savings to the City.
