

AGENDA MEMO

CITY COUNCIL MEETING DATE: APRIL 21, 2010

DEPARTMENT: ADMINISTRATIVE SERVICES

ITEM DESCRIPTION: Approval of an Interlocal Agreement between the City of Las Vegas and the Board of Regents of the Nevada System of Higher Education on behalf of the University of Nevada, Las Vegas to subaward \$75,000 for the development of an energy efficiency education and outreach project as part of the Energy Efficiency and Conservation Block Grant (EECBG) American Recovery and Reinvestment Act (ARRA) of 2009

The School of Environmental and Public Affairs at the University of Nevada, Las Vegas has agreed to partner with the City to develop an education and outreach component that highlights the importance of renewable energy, energy efficiency, and conservation. The University of Nevada, Las Vegas will develop an Internet-based Sustainable Energy Portal that will provide data and information on current energy retrofit projects, in addition to energy efficient retrofit projects and solar installations performed at city facilities using ARRA funds. A website will be included that displays all EECBG funded projects and detail conservation measures taken, real time performance (as permissible be the technology used), energy produced or saved, and greenhouse gas emissions saved.
