Section 1.03 RIDERS.

The following Riders are attached to and made a part of this Lease: Rider No. 1 - Tenant Work Letter; Rider No. 2 - Option to Purchase Premises.

ARTICLE 2 LEASE TERM

Section 2.01 LEASE OF PROPERTY FOR LEASE TERM.

(a) Landlord hereby leases the Premises to Tenant, and Tenant leases the Premises from Landlord, for the Lease Term. The Lease Term is for the period stated in Section 1.01 above and shall begin and end on the dates specified in Section 1.01 above. The "Commencement Date" shall be the date specified in Section 1.01 above for the beginning of the Lease Term.

(b) Provided that Tenant is not in default of this Lease at the time of the exercise of an Option to Renew Lease (as defined below) or at the expiration of the then expiration date of the Lease Term, the Tenant shall have two options to renew and extend this Lease (each referred to as an "Option to Renew Lease") for a term of fifteen (15) years each (each referred to as a "Renewal Term"), upon written notice to the Landlord delivered not less than twelve (12) months before the then expiration date of the Lease Term. Upon the delivery of such notice by Tenant and subject to the conditions set forth in the preceding sentence, this Lease shall be extended without the necessity of the execution of any further instrument or document; provided, however, that each party agrees to execute and deliver such further instruments or documents as the other party may reasonably request to memorialize or acknowledge the exercise of an Option to Renew Lease. Each Renewal Term shall commence upon the then expiration date of the initial term of this Lease, shall expire upon the anniversary of such date fifteen (15) years thereafter, and be upon the same terms, covenants and conditions as provided in this Lease for the initial Lease Term, provided that the Base Rent shall be the then Base Rent as increased pursuant to Section 1.02. Tenant shall only be able to exercise the Option to Renew Lease as to all of the Premises.

(c) Tenant agrees that in the event Tenant Completion, including, without limitation, the opening of businesses on the entire ground floor of the Premises, has not occurred for any reason whatsoever within twenty-four (24) months of the Effective Date, that Tenant shall be in default of this Lease and Landlord shall have the right to exercise all of its rights and remedies under this Lease.

Section 2.02 DELIVERY OF POSSESSION.

Landlord will deliver to Tenant possession of the Premises concurrently with the execution of this Lease by Tenant and Landlord for the limited purpose of conducting the feasibility inspections pursuant to Section 6.01(b) below. At the Effective Date, Landlord shall deliver to Tenant full possession of the Premises.

Section 2.03 HOLDING OVER.

Tenant shall vacate the Premises upon the expiration or earlier termination of this Lease. Tenant shall reimburse Landlord for and indemnify and hold Landlord harmless against all damages, claims, losses, penalties, charges, and expenses (including reasonable attorney's fees) incurred by Landlord resulting from any delay by Tenant in vacating the Premises. If Tenant does not vacate the Premises upon the expiration or earlier termination of this Lease, Tenant's occupancy of the Premises shall be a tenancy at sufferance, subject to all of the terms of this Lease applicable to a tenancy at sufferance, except that the Base Rent then in effect shall be equal to two hundred percent (200%) of the Base Rent in effect immediately prior to the expiration or earlier termination of this Lease. Nothing contained in this Section 2.03 shall be construed as consent by Landlord to any holding over of the Premises by Tenant, and Landlord expressly reserves the right to require Tenant to surrender possession of the Premises to Landlord upon the expiration or earlier termination of this Lease.

ARTICLE 3 BASE RENT

Section 3.01 TIME AND MANNER OF PAYMENT.

Base Rent is due on or before the first (1st) day of each month without offset, deduction or prior demand. The Base Rent for the first month of the Lease Term shall be prorated on the basis of the actual number of days in such month, if such month is a fractional month. If such month is a fractional month, the Base Rent for such fractional month and the Base Rent for the first full calendar month shall be due and payable on the Commencement Date. Thereafter, on the first day of the second full month of the Lease Term and each month thereafter, Tenant shall pay Landlord the Base Rent, in advance, without offset, deduction or prior demand. The Base Rent shall be payable at such of Landlord's Addresses as may be designated by Landlord in writing or at such other place as Landlord may designate in writing. It is understood and agreed by Tenant that Landlord's acceptance of any payment for sums due under this Lease which payment represents less than all sums due and owing from Tenant to Landlord shall, in addition to reserving any and all of Landlord's rights under this Lease, be credited to Tenant's account in the order and manner deemed appropriate solely at the discretion of Landlord.

Section 3.02 BASE RENT ABATEMENT.

Landlord agrees that, at such time as one hundred percent (100%) of the first floor is occupied by businesses that are open for business to the public and in compliance with the terms and conditions of this Lease (including without limitation, that such businesses are Permitted Uses and are in compliance with all applicable Laws), Tenant shall be entitled to a full abatement of Base Rent for that sixty (60) consecutive month period commencing on the first month after (i) Tenant provides Landlord with its certification that Tenant has achieved the threshold requirement of this Section 3.02 and (ii) Landlord approves in writing such certification which approval shall not be unreasonably withheld or delayed. Tenant agrees that only the Base Rent shall abate as provided herein and that Tenant shall be required to pay all other amounts required to be paid under this Lease by Tenant and perform all other obligations to be performed by Tenant under this Lease.

ARTICLE 4
OTHER CHARGES PAYABLE BY TENANT

Section 4.01 ADDITIONAL RENT.

All charges payable by Tenant hereunder other than Base Rent are called "Additional Rent." Unless this Lease provides otherwise, all Additional Rent shall be paid with the next monthly installment of Base Rent and under the same terms and conditions as the Base Rent. The term "Rent" shall mean Base Rent and Additional Rent. Tenant shall pay Landlord all Rent without offset, deduction or prior demand.

Section 4.02 OPERATING COSTS.

(a) The parties acknowledge that this Lease is intended to be a fully triple net lease and that Tenant shall be responsible for all repairs and maintenance required to the Premises and for the provision and payment of all utilities and services at the Premises, including but not limited to, water, sewage, trash removal, waste disposal, janitorial, electricity, telephone, security, and cleaning of the Premises, together with any taxes thereon. The costs of installing or otherwise bringing any meters or utilities to the Premises shall constitute a cost of Work pursuant to Rider No. 1. Tenant shall contract with and pay, directly to the appropriate supplier, the cost of all utilities and services supplied to the Premises. All such contracts and suppliers will be subject to Landlord's prior, reasonable approval.

(b) Tenant shall, on and after the Conceptual Approval (defined in Rider No. 1), pay all Real Property Taxes. Upon receipt of all bills for Real Property Taxes, Landlord shall submit promptly such bills to Tenant for payment. Tenant agrees (i) to pay such bills no later than fifteen (15) days prior to the due date for the payment of such bills and (ii) promptly provide to Landlord with evidence of such payment, including, without limitation, cancelled checks. In the event Tenant fails to pay any Real Estate Taxes when required under this Lease, Landlord shall have the right to pay such Real Estate Taxes and such amount shall be immediately due and payable by Tenant as Additional Rent. All payments of Real Estate Taxes shall be prorated as between Landlord and Tenant for the year in which Tenant's obligation to pay Real Estate Taxes commences terminates or expires. Tenant shall pay to Landlord (i) at Concept Approval for any Real Estate Taxes previously paid by Landlord covering periods after Conceptual Approval and (ii) at or prior to the expiration or earlier termination of this Lease, Tenant shall pay to Landlord for all installments of Real Estate Taxes relating to any period prior to such expiration or termination which are payable by Landlord after the date of such expiration or termination.

Section 4.03 PERSONAL PROPERTY TAXES.

(a) Tenant shall pay all taxes charged against trade fixtures, utility installations, furnishings, equipment or any other personal property belonging to Tenant. Tenant shall use its best efforts to have its personal property taxed separately from the Premises.

(b) If any of Tenant's personal property is taxed with the Premises, Tenant shall pay Landlord the taxes for the personal property within fifteen (15) days after Tenant receives a written statement from Landlord for such personal property taxes.

Section 4.04 INSURANCE.

(a) Tenant shall, at Tenant's sole expense, purchase and maintain at all times during the Lease Term, in a company or companies lawfully authorized to do business in the jurisdiction in which the Premises is located, property insurance in the amount of the 100% of replacement cost of the

Premises. Property insurance shall be on an "all-risk" or equivalent policy form and shall include, without limitation, insurance against the perils of fire (with extended coverage) and physical loss or damage including, without duplication of coverage, theft, vandalism, malicious mischief, collapse, earthquake (if available at a cost deemed reasonable by Tenant), flood, windstorm.

(b) Tenant shall, at Tenant's sole expense, maintain a policy of Commercial General Liability insurance insuring Tenant and as additional insureds, Landlord and any First Mortgagees, against liability arising out of the ownership, use, occupancy or maintenance of the Premises. Such insurance shall be on an occurrence basis providing single-limit coverage in an amount not less than Two Million Dollars (\$2,000,000) per occurrence. The initial amount of such insurance shall be subject to periodic increase upon reasonable demand by Landlord based upon inflation, increased liability awards, recommendation of professional insurance advisers, and other relevant factors but in no event more than twice the current limits provided herein. However, the limits of such insurance shall not limit Tenant's liability nor relieve Tenant of any obligation hereunder. Such policy shall contain the following provision: "Such insurance as afforded by this policy for the benefit of Landlord shall be primary as respects any claims, losses or liabilities arising out of the use of the Premises by the Tenant or by Tenant's operation and any insurance carried by the Landlord shall be excess and noncontributing." The policy shall insure Tenant's performance of the indemnity provisions of Section 5.05.

(c) Tenant shall, from time to time, at Tenant's sole expense, obtain and maintain other types of insurance as Tenant, Landlord or the First Mortgagees of Landlord may reasonably require in form, in amounts and for insurance risks against which a prudent tenant would protect itself.

(d) Insurance required to be maintained by Tenant hereunder shall be in companies holding a Best's Key rating of "A VII" or higher, as set forth in the most current issue of "Best's Insurance Guide," or such comparable ratings as Landlord shall approve, in its sole discretion. Tenant shall promptly deliver to Landlord, on or before the Commencement Date, original certificates evidencing the existence and amounts of such insurance. No such policy shall be cancelable or subject to reduction of coverage except after thirty (30) days prior written notice to Landlord. Tenant shall, within thirty (30) days prior to the expiration, cancellation or reduction of such policies, furnish Landlord with renewals or "binders" thereof. Tenant shall not do or permit to be done anything which shall invalidate the insurance policies required under this Lease.

Section 4.05 RESERVED.

Section 4.06 LATE CHARGES.

Tenant acknowledges that Tenant's failure to pay Base Rent or Additional Rent promptly may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by any ground lease, mortgage or trust deed encumbering the Premises. Therefore, if Landlord does not receive any Rent payment within ten (10) days after it becomes due, Tenant shall pay Landlord a late charge equal to ten percent (10%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late payment. In the event that a late charge is payable hereunder, whether or not collected, for three (3) consecutive installments of Rent, the Rent shall automatically become due and payable quarterly in advance, rather than monthly, notwithstanding Section 3.01 above.

Section 4.07 INTEREST ON PAST DUE OBLIGATIONS.

Any amount owed by Tenant to Landlord which is not paid when due shall bear interest at the Lease

Interest Rate. The payment of interest on such amounts shall not excuse or cure any default by Tenant under this Lease.

Section 4.08 RETURN OF CHECK.

If Base Rent or Additional Rent is paid by check and the check is returned to Landlord for any reason whatsoever without payment, Tenant shall be assessed a late charge and interest on past due amount pursuant to Sections 4.06 and 4.07 as well as a One Hundred Dollar (\$100) fee. If payment is returned for insufficient funds, Landlord has the right to demand that such payment be in the form of a cashiers or certified check. If Tenant has two (2) or more insufficient funds payments in a twelve (12) month period, Tenant shall, at Landlord's option, make all subsequent payments in the form of a cashiers or certified check.

Section 4.09 SECURITY DEPOSIT; INCREASES.

(a) Tenant shall deposit with Landlord the following cash security deposits (the "Security Deposit"):

(i) The two installments of One Hundred Sixteen Thousand Five Hundred Dollars (\$116,500.00) each required to be deposited by Tenant pursuant to Rider No. 1 in connection with the design and construction to work to the Premises to be completed by Tenant and to be held by Landlord pursuant to the terms of Rider No.1.

(ii) The sum of Two Hundred Thirty-Three Thousand Dollars (\$233,000.00)) concurrently with Tenant's first payment of Base Rent.

(b) In no event may Tenant apply the Security Deposit to pay any Rent due under this Lease. Landlord may apply all or part of the Security Deposit to any unpaid Rent or other charges due from Tenant or to cure any other defaults of Tenant. If Landlord uses any part of the Security Deposit, Tenant shall restore the Security Deposit to its full amount within ten (10) days after Landlord's written request. Tenant's failure to do so shall be a material default under this Lease. If Tenant is in default under this Lease more than two (2) times in any twelve (12) month period, irrespective of whether or not such default is cured, without limiting Landlord's other rights and remedies provided for in the Lease or at law or in equity, the Security Deposit shall automatically be increased by an amount equal to six (6) months of the then current Base Rent, which shall be paid to Landlord forthwith on demand. The increase in the Security Deposit shall be paid to Landlord forthwith on demand. Tenant's failure to do so shall be a material default under this Lease. No interest shall be paid on the Security Deposit. Landlord shall not be required to keep the Security Deposit separate from its other accounts and no trust relationship is created with respect to the Security Deposit. Each time the Base Rent is increased, Tenant shall if requested by Landlord, on or before the date that the first increased Base Rent payment is due, deposit additional funds with Landlord sufficient to increase the Security Deposit to an amount which bears the same relationship to the adjusted Base Rent as the Initial Security Deposit bore to the initial Base Rent. Notwithstanding anything in the Lease to the contrary, no purchaser of Landlord's interest in the Building or holder of any mortgage, deed of trust, ground lease or other lien on the Building shall be liable for the return of any Security Deposit unless and until such Security Deposit is actually transferred by Landlord to such party.

Section 4.10 TERMINATION; ADVANCE PAYMENTS.

Upon expiration of this Lease or other termination of this Lease not resulting from Tenant's default, and after Tenant has vacated the Premises in the manner required by this Lease, an equitable adjustment shall be made concerning advance rent and other advance payments made by Tenant to Landlord, and Landlord shall refund any unused portion of the Security Deposit to Tenant, or, at Landlord's option, to Tenant's assignee or sublessee.

ARTICLE 5 USE OF PROPERTY

Section 5.01 PERMITTED USES.

Landlord and Tenant acknowledge that Tenant will be operating the Premises as a master landlord and subletting portions of the Premises for the operation of businesses by subtenants approved pursuant to Article 9 below. Tenant, and its approved subtenants, may use the Premises for the following uses (the "Permitted Uses"): (i) Tenant agrees that the ground floor of the Premises shall only be used for retail, nightclub, restaurant and other similar retail or entertainment uses as approved by Landlord which approval shall not be unreasonably withheld or delayed and (ii) the balance of the Premises may be used for any other use which is a lawful use pursuant to applicable Law. In no event shall the ground floor be used for general office, medical or any uses which are not retail and entertainment in nature. Notwithstanding the foregoing the Premises shall not be used for any of the following uses:

(i) any establishment which offers entertainment or service by nude or partially dressed male or female persons, including, without limitation, any establishment required to be licensed pursuant to Chapter 6.06B of the Municipal Code of the City of Las Vegas or any successor provision thereto, except that this provision shall not preclude the following which are permitted (a) tanning, massage, or other services offered by fully clothed, trained personnel as part of a legitimate fitness, health, or tanning facility or a day spa operation that also offers beauty, body care, skin care, or similar services and (b) partially dressed male or female employees of a bar or nightclub otherwise permitted under this Lease;

(ii) "adult entertainment uses," which shall include, without limitation, for the purposes of this Lease, any theater or other establishment which shows, previews, or prominently displays, advertises, or conspicuously promotes for sale or rental: (a) movies, films, videos, magazines, books, or other medium (whether now or hereafter developed) that are rated "X" by the movie production industry (or any successor rating established by the movie production industry) or are otherwise of a pornographic or obscene nature (but not including the following which are permitted (i) the sale or rental of movies, films or (b) sexually explicit games, toys, devices, or similar merchandise or (c) live entertainment by nude or partially male or female persons, including, without limitation, so-called "topless clubs";

(iii) so-called "head shops" (*i.e.*, shops offering or promoting illegal drug paraphernalia or items intended for or commonly associated with the use of illegal drugs); and/or

(iv) any establishment that provides medical treatment, services or care of any sort or at which medical procedures of any sort are performed.

In addition, Tenant agrees that it shall not operate, or permit to be operated, any establishment which is a nightclub, entertainment club or venue, or any similar operation which serves alcohol in any form and permits minors to enter or otherwise be present notwithstanding that it may be legal for minors to be present. Tenant agrees that it shall be a violation of this Lease to permit any operation on the Premises which is a nightclub, entertainment club or venue or any similar operation which serves alcohol in any form and permits minors to enter or otherwise be present. This prohibition will include any restaurant or supper club that converts its operations to a nightclub, entertainment club or venue or any similar operation after the cessation of food service during the period that such restaurant or supper club is operated as a nightclub, entertainment club or venue or similar operation.

Section 5.02 MANNER OF USE

Tenant shall not cause or permit the Premises to be used in any way (i) which constitutes (or would

constitute) a violation of any Laws, occupancy certificate, the requirements of any board of fire underwriters or similar body, as any of the same now or in the future may exist, or (ii) which annoys or interferes with the rights of Persons operating or residing areas within the vicinity of the Premises, or (iii) which constitutes a nuisance or waste. Tenant, at its sole cost and expense, shall comply with all Laws now in force or which may hereafter be in force regulating the use, occupancy or alterations by Tenant of the Premises. Landlord makes no representation or warranty as to the suitability of the Premises for Tenant's intended use or whether such use complies with all such Laws. Tenant agrees that (i) any action or activities of Tenant's subtenants which constitute a violation and/or default of the terms of this lease shall constitute a violation and/or default on the part of Tenant and (ii) Tenant is responsible for requiring its subtenants to comply in all respects with the terms and conditions of this Lease, including, without limitation, Sections 2.03, 5.01, 5.02, 5.03, and 5.04.

Section 5.03 HAZARDOUS SUBSTANCES.

(a) Reportable Uses Require Consent.

The term "Hazardous Substance" as used in this Lease shall mean any product, substance, chemical, material or waste whose presence, nature, quantity and/or intensity of existence, use, manufacture, disposal, transportation, spill, release or effect, either by itself or in combination with other materials expected to be on the Premises, is either: (i) potentially injurious to the public health, safety or welfare, the environment, or the Premises; (ii) regulated or monitored by any governmental authority; or (iii) a basis for potential liability of Landlord to any governmental agency or third party under any applicable statute or common law theory. Hazardous Substance shall include, but not be limited to, hydrocarbons, petroleum, gasoline, crude oil or any products or by-products thereof. Tenant, and its subtenants, shall not engage in any activity in or about the Premises which constitutes a Reportable Use (as hereinafter defined) of Hazardous Substances without the express prior written consent of Landlord and compliance in a timely manner (at Tenant's sole cost and expense) with all Applicable Requirements (as defined in Section 5.03(d)). "Reportable Use" shall mean (i) the installation or use of any above or below ground storage tank, (ii) the generation, possession, storage, use, transportation, or disposal of a Hazardous Substance that requires a permit from, or with respect to which a report, notice, registration or business plan is required to be filed with, any governmental authority, and (iii) the presence in, on or about the Premises of a Hazardous Substance with respect to which any Applicable Requirements require that a notice be given to persons entering or occupying the Premises or neighboring properties. In addition, Landlord may (but without any obligation to do so) condition its consent to any Reportable Use of any Hazardous Substance by Tenant, or Tenant's subtenants, upon Tenant's giving Landlord such additional assurances as Landlord, in its reasonable discretion, deems necessary to protect itself, the public, the Premises and the environment against damage, contamination or injury and/or liability therefor, including but not limited to the installation (and, at Landlord's option, removal on or before Lease expiration or earlier termination) of reasonably necessary protective modifications to the Premises (such as concrete encasements) and/or the deposit of an additional Security Deposit.

(b) Duty to Inform Landlord.

Tenant shall obtain Landlord's written consent, which consent shall be granted or withheld in Landlord's sole discretion, to the manufacturing, processing, distribution, using, producing, treating, storing (above or below ground level), disposing of, or allowing to be present, of any other Hazardous Substance in or about the Premises except for those previously approved in writing by Landlord. In connection with each such consent requested by Tenant, Tenant shall submit to Landlord a description, including the composition, quantity and all other information requested by Landlord concerning the proposed presence of any Hazardous Substance. Landlord's consent to the presence of any Hazardous Substance may be deemed given only by inclusion of a description of the composition and quantity of the proposed Hazardous Substance on Landlord's written consent to the request. Landlord's consent to the presence of any Hazardous Substance at any time during the Lease Term or renewal thereof shall not waive the requirement of obtaining Landlord's

consent to the subsequent presence of any other, or increased quantities of, any Hazardous Substance in or about the Premises. If Tenant knows, or has reasonable cause to believe, that a Hazardous Substance has come to be located in, on, under or about the Premises or the Building, other than as previously consented to by Landlord, Tenant shall immediately give Landlord written notice thereof, together with a copy of any statement, report, notice, registration, application, permit, business plan, license, claim, action, or proceeding given to, or received from, any governmental authority or private party concerning the presence, spill, release, discharge of, or exposure to, such Hazardous Substance including but not limited to all such documents as may be involved in any Reportable Use involving the Premises. Tenant shall not cause or permit any Hazardous Substance to be spilled or released in, on, under or about the Premises (including, without limitation, through the plumbing or sanitary sewer system). If any Hazardous Substance is present in or about the Premises, Landlord shall have the right upon reasonable notice to Tenant to engage a consultant to inspect the Premises and to review Tenant's use of Hazardous Substances and all of Tenant's practices with respect to such Hazardous Substances. Tenant shall cooperate in all respects with such inspections and reviews. All costs of such consultants shall be reimbursed to Landlord within fifteen (15) days of written demand by Landlord.

(c) Indemnification.

Tenant shall indemnify, protect, defend and hold Landlord, its agents, employees, lenders and ground lessor, if any, and the Premises, harmless from and against any and all damages, liabilities, judgments, costs, claims, liens, expenses, penalties, loss of permits and attorneys' and consultants' fees arising out of or involving any Hazardous Substance brought onto the Premises by or for Tenant, Tenant's subtenants or by anyone under Tenant's or Tenant's subtenants' control. Tenant's obligations under this Section 5.03 (c) shall include, but not be limited to, the effects of any contamination or injury to person, property or the environment created or suffered by Tenant or Tenant's subtenants, and the cost of investigation (including consultants' and attorneys' fees and testing), removal, remediation, restoration and/or abatement thereof, or of any contamination therein involved, and shall survive the expiration or earlier termination of this Lease. No termination, cancellation or release agreement entered into by Landlord and Tenant shall release Tenant from its obligations under this Lease with respect to Hazardous Substances, unless specifically so agreed by Landlord in writing at the time of such agreement. Tenant's indemnity obligations provided in this Section 5.03(c) shall include, without in any way limiting the foregoing:

(i) All costs, expenses and attorneys' fees incurred or sustained by any party in making any investigation on account of any claim, demand, loss, liability, cost, charge, suit, order, judgment or adjudication, in prosecuting or defending any action brought in connection therewith, in obtaining or seeking to obtain a release therefrom and in enforcing any of the agreements herein contained;

(ii) Liability for clean-up costs, fines, damages or penalties incurred pursuant to the provisions of any Applicable Requirements;

(iii) Liability for costs and expenses of abatement, correction or clean-up, fines, damages, response costs or penalties which arise from the provisions of any Applicable Requirements; and

(iv) Liability for personal injury or Premises damage arising under any statutory or common-law tort theory, including, without limitation, damages assessed for the maintenance of a public or private nuisance, or for the carrying on of an abnormally dangerous activity, and response costs.

Tenant's indemnity obligations shall survive any expiration or earlier termination of this Lease.

(d) Tenant's Compliance with Requirements.

Tenant shall, at Tenant's sole cost and expense, fully, diligently and in a timely manner, comply, and cause its subtenants to comply, with all "Applicable Requirements," which term is used in this Lease to mean all laws, rules, regulations, ordinances, directives, covenants, easements and restrictions of record, permits, the requirements of any applicable fire insurance underwriter or rating bureau, and the recommendations of Landlord's engineers and/or consultants, relating in any manner to the Premises (including but not limited to matters pertaining to (i) industrial hygiene, (ii) environmental conditions on, in, under or about the Premises, including soil and groundwater conditions, and (iii) the use, generation, manufacture, production, installation, maintenance, removal, transportation, storage, spill, or release of any Hazardous Substance), now in effect or which may hereafter come into effect. Tenant shall, within five (5) days after receipt of Landlord's written request, provide Landlord with copies of all documents and information, including but not limited to permits, registrations, manifests, applications, reports and certificates, evidencing Tenant's or its subtenants' compliance with any Applicable Requirements specified by Landlord, and shall immediately upon receipt, notify Landlord in writing (with copies of any documents involved) of any threatened or actual claim, notice, citation, warning, complaint or report pertaining to or involving failure by Tenant, its subtenants or the Premises to comply with any Applicable Requirements. Tenant shall provide Landlord annually on each anniversary date of the Commencement Date a written certification, also signed by the manager of operations of Tenant at the Premises, certifying that:

(i) Tenant's and Tenant's subtenants businesses have been conducted in full compliance with the Applicable Requirements;

(ii) All Hazardous Substances (if any) related to Tenant's and Tenant's subtenants businesses have been disclosed to Landlord or in said certificate; and

(iii) The method and frequency of off-site disposal of Hazardous Substances from the Premises, as described in the certificate, comply with the Applicable Requirements.

(e) Inspection; Compliance with Law.

Landlord, Landlord's agents, employees, contractors and designated representatives, and any First Mortgagees, shall have the right to enter the Premises, including any portions that have been subleased, at any time in the case of an emergency, and otherwise at reasonable times, for the purpose of inspecting the condition of the Premises and for verifying compliance by Tenant and its subtenants with this Lease and all Applicable Requirements, and Landlord shall be entitled to employ experts and/or consultants in connection therewith to advise Landlord with respect to Tenant's and such subtenant's activities, including but not limited to Tenant's installation, operation, use, monitoring, maintenance, or removal of any Hazardous Substance on or from the Premises. The costs and expenses of any such inspections shall be paid by the party requesting same, unless a default of this Lease by Tenant or a violation of Applicable Requirements or a contamination, caused or contributed to by Tenant, is found to exist or to be imminent, or unless the inspection is requested or ordered by a governmental authority as the result of any such existing or imminent violation or contamination. In such case, Tenant shall upon request immediately reimburse Landlord or Landlord's First Mortgagee, as the case may be, for the costs and expenses of such inspections.

Section 5.04 SIGNS AND AUCTIONS.

Tenant shall not place any signs on the Premises which are visible from the exterior of the Premises without Landlord's prior written consent which consent will not be unreasonably withheld. Tenant shall not conduct or permit any auctions or sheriff's sales at the Premises.

Section 5.05 INDEMNITY.

Tenant shall indemnify and hold harmless Landlord and all agents, servants and employees of Landlord from and against all claims, losses, damages, expenses (including reasonable attorneys' fees), penalties and charges arising from or in connection with (i) Tenant's use of the Premises during the Lease Term, including without limitation, any use of the Premises by Tenant's subtenants, or (ii) the conduct of Tenant's and/or its subtenants' businesses, or (iii) any activity, work or things done, permitted or suffered by Tenant or Tenant's subtenants in or about the Premises during the Lease Term. Tenant shall further indemnify and hold harmless Landlord from and against any and all claims, loss, damage, expense (including reasonable attorneys' fees), penalty or charge arising from any default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any negligence of Tenant, or any of Tenant's subtenant's, agents, contractors, or employees, and from and against all costs, attorneys' fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon. If any action or proceeding be brought against Landlord by reason of any such claim, the Landlord may require Tenant, upon notice from Landlord, to defend the same at Tenant's expense by legal counsel reasonably satisfactory to Landlord. Tenant, as a material part of its consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in or upon the Premises arising from any cause and Tenant hereby waives all claims in respect thereof against Landlord. Tenant's indemnity is not intended to nor shall it relieve any insurance carrier of its obligations under policies required to be carried by Tenant pursuant to the provisions of this Lease. Tenant's obligations under this Section 5.05 shall survive the expiration or termination of this Lease.

Section 5.06 LANDLORD'S ACCESS.

Landlord or its agents, employees or contractors may enter the Premises (including any portions of the Premises that have been subleased to subtenants) after twenty-four (24) hours prior written notice to Tenant (except, in the case of emergency no such notice will be required) to examine the Premises, to show the Premises to potential buyers, investors, or other parties or for any other purpose Landlord reasonably deems necessary. In exercising the rights reserved in this Section, Landlord shall use reasonable efforts to minimize disruption of Tenant's and its subtenants' businesses.

Section 5.07 OPERATION OF THE PREMISES.

(a) Tenant acknowledges and agrees that Landlord has entered into this Lease in consideration of Tenant's agreement and representations that (i) Tenant will be actively subleasing portions of the Premises to Persons for the operation of businesses in the Premises which are Permitted Uses, (ii) Tenant at all times shall use its best commercially reasonable efforts to sublease portions of the Premises to Persons for the operation of Permitted Uses and (iii) Tenant shall at all times operate, manage and maintain the Premises in a first-class condition and manner. Tenant shall provide to Landlord quarterly written reports as to the leasing status of the Premises and the ongoing efforts of Tenant to sublease the Premises to third party Persons for the operation of Permitted Uses. All such reports shall be in form and content as required by Landlord containing all information requested by Landlord.

(b) Tenant agrees that it fully assumes the risk of operating the Premises and subleasing portions thereof to third Persons and that Landlord assumes no risk in connection therewith. Tenant further agrees that its obligations under this Lease, including, without limitation, the obligation to pay Rent are independent of and not in any way or manner contingent upon the success of Tenant's plan to sublease portions of the Premises to third Persons.

ARTICLE 6
CONDITION OF PROPERTY; MAINTENANCE, REPAIRS AND ALTERATIONS

Section 6.01 EXISTING CONDITIONS.

(a) Tenant acknowledges and agrees that the Premises is to be leased to and accepted by Tenant in an "as is" condition with, if any, all faults and defects. Landlord makes no representations or warranties of any kind whatsoever, either expressed or implied, with respect to the Premises or any of such related matters; in particular, but without limitation, Landlord makes no representations or warranties with respect to the use, condition, title, occupation or management of the Premises, compliance with applicable statutes, laws, codes, ordinances, regulations or requirements relating to leasing, zoning, subdividing, planning, building, fire, safety, health or environmental matters, compliance with covenants, conditions and restrictions (whether or not of record), other local, municipal, regional, state or federal requirements, or other statutes, laws, codes, ordinances, regulations or requirements affecting or relating to the Premises. Tenant acknowledges that notwithstanding any prior or contemporaneous oral or written representations, statements, documents or understandings, this Agreement constitutes the entire understanding of the parties with respect to the subject matter hereof and the lease of the Premises and supersedes any such prior or contemporaneous oral or written representations, statements, documents or understandings.

(b) Landlord and Tenant agree that Tenant shall have sixty (60) days from the Execution Date (the "Feasibility Period") to perform due diligence investigations and inspections as to the condition of the Building, including environmental condition and an asbestos survey, upon the following terms and conditions:

(i) Tenant and Tenant's representatives, agents and designees will have the right at reasonable times during the Feasibility Period, and upon at least three (3) business days' prior written notice to Landlord, to enter upon the Building for the purpose of performing such tests and investigations as Tenant deems necessary or appropriate within its sole discretion. With respect to such testing and investigation, Tenant agrees that:

(A) All tests and investigations will be at Tenant's sole cost and expense;

(B) The persons or entities performing such tests and investigations will be properly licensed (if applicable), duly qualified, and will have obtained all appropriate licenses and permits therefor, if required;

(C) Landlord will have the right to approve (which will not be unreasonably withheld, conditioned or delayed) any proposed invasive testing or drilling;

(D) Tenant will advise Landlord in advance of the dates of all tests and investigations and will schedule all tests and investigations during normal business hours whenever feasible;

(E) Landlord will have the right to have a representative of Landlord accompany Tenant and Tenant's representatives, agents or designees in the Building in the course of any inspections, but such Landlord's representative will not impede or delay Tenant's investigations unless such investigations violate this Lease;

(F) Tenant will indemnify, defend and hold Landlord harmless for, from and against any and all claims, damages, costs, liabilities and losses (including mechanic's liens) arising out

of any entry upon the Building by Tenant or its agents, designees or representatives, unless caused by the gross negligence or willful misconduct of Landlord; and

(G) If Tenant causes damage to the Building in connection with the Tenant's inspections thereof, the Tenant will restore the Building to the same condition as it existed immediately prior to the occurrence of such damage, at Tenant's sole cost and expense.

(H) Tenant agrees to obtain and furnish to Landlord prior to the entry onto the Building, a Certificate of Insurance showing that there is in effect a policy of a minimum of \$2,000,000.00 combined single limit bodily injury and broad form property damage coverage, including broad form contractual liability, with respect to the Building. Such coverage shall be on an "occurrence" basis and not on a "claims made" basis. Coverage limits may be met by utilizing a combination of primary and excess/umbrella policies written in blanket form. Each of the parties comprising the Landlord shall be named as an additional insured party and such notation shall appear on the Certificate of Insurance furnished by the Tenant's insurance company. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer. The adequacy of the insurance supplied by the Tenant, including the rating and financial health of each insurance company providing coverage, is subject to the approval of Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. Landlord requires insurance carriers to maintain a Best's Key rating of "A VII" or higher. The Certificate of Insurance shall indicate that neither the insurance company nor Tenant can cancel the insurance without at least ten (10) days' prior written notice to Landlord. The Parties agree that the specified coverage or limits of insurance in no way limit the liability of the Tenant. Tenant will not do or permit to be done anything in or upon any portion of the Building or bring or keep anything thereon which will in any way conflict with the conditions of any insurance policy required hereunder. All deductibles or self-insured retention shall be fully disclosed in the Certificate of Insurance. No deductible or self-insured retention may exceed \$25,000.00 without the prior written approval of Landlord in their sole discretion.

Tenant may, in its sole discretion, by written notice to Landlord, terminate this Agreement if the Tenant is dissatisfied with any of the matters disclosed as part of its due diligence relating to the Building. In the event Tenant elects to approve feasibility, the Tenant shall deliver a written notice (the "Tenant Feasibility Notice") of such election to Landlord on or before the expiration of the Feasibility Period. The date of delivery of the Tenant Feasibility Notice is referred to herein as the "Effective Date". If Tenant does not deliver the Tenant Feasibility Notice to Landlord on or before the expiration of the Feasibility Period, Tenant shall be conclusively deemed to have elected to terminate this Lease. In the event of any such termination, no Party shall have any liability or obligation to the other, provided, however, that Tenant's indemnity obligations pursuant to Section 5.05 and Section 6.02(b)(F) and Tenant's obligation pursuant to Section 6.02(b)(G) shall survive any such termination of this Lease.

Section 6.02 EXEMPTION OF LANDLORD FROM LIABILITY.

Except for matters occurring after the Effective Date which arise from Landlord's negligence or willful misconduct (and provided that this introductory clause shall not in anyway limit Tenant's agreements under Section 6.01 above), Landlord, its governing council, officers, managers, directors, shareholders, members, agents, servants and employees shall not be liable for and Tenant shall indemnify and hold Landlord and its officers, managers, directors, shareholders, members, agents, servants and employees harmless from and against all claims, losses, damages, expenses, penalties and charges arising from or in connection with any damage or injury to the person, business (or any loss of income therefrom), goods, wares, merchandise or other property of Tenant, Tenant's subtenants, employees, invitees, customers, or any other person in or about the Premises, or any other person claiming under Tenant whether such damage or

injury is caused by or results from: (a) fire, steam, electricity, water, gas or rain; (b) the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures or any other cause; (c) the failure, delay or diminution in the quality or quantity of any utilities or services supplied to the Premises or the Building, (d) inconvenience or annoyance arising from the necessity of repairing any portion of the Building or the Premises; (e) the interruption for any reason in the use of the Premises; (f) the termination of this Lease by reason of the destruction of the Premises; or (g) any conditions arising in or about the Premises, or from other sources or places, nor shall any of the same be construed as an eviction of Tenant, nor, unless otherwise permitted under this Lease, work an abatement of Rent, nor relieve Tenant from any obligation under this Lease. Except for matters occurring after the Effective Date which arise from Landlord's negligence or willful misconduct (and provided that this introductory clause shall not in anyway limit Tenant's agreements under Section 6.01 above) and without limiting the foregoing, Landlord, its governing council, officers, managers, directors, shareholders, members, agents, servants and employees shall not be liable for and Tenant shall indemnify and hold Landlord and its officers, managers, directors, shareholders, members, agents, servants and employees harmless from and against all claims, losses, damages, expenses, penalties and charges arising from or in connection with the following: (i) any defect or shortcoming in or failure of plumbing, heating or air conditioning or ventilation systems, elevators, electric wiring or installation thereof, water pipes, stairs, railings or walks; (ii) any equipment or appurtenances becoming out of repair; (iii) the bursting, leaking or running of any tubing, radiant panel, fire sprinkler system, electric fixture, valve, fitting, tank, washstand, water closet, waste pipe, drain or other pipe or tank or any other water and/or moisture related release and/or condition and all consequences and/or conditions relating from same, upon or about the Premises or the Building; (iv) the backing up of any sewer pipe or downspout; (v) the escape of steam, hot or cold water; (vi) water, snow or ice being upon or coming through the roof of the Building or any other place upon or near the Premises; (vii) the failing of any fixture, brick, plaster or stucco; (viii) broken glass; (ix) any act or omission of cotenants or other occupants of the Building; (x) the exercise of any rights by Landlord under this Lease; or (xi) any act or omission of parties other than Landlord, its employees, agents, officers, directors, managers, shareholders, members and servants nor shall any of the forgoing be construed as an eviction of Tenant, nor, unless otherwise permitted under this Lease, work an abatement of Rent, nor relieve Tenant from any obligation under this Lease. Except for matters occurring after the Effective Date which arise from Landlord's negligence or willful misconduct (and provided that this introductory clause shall not in anyway limit Tenant's agreements under Section 6.01 above), Landlord shall not be liable for any such damage or injury even though the cause of or the means of repairing such damage or injury are not accessible to Tenant. Tenant shall have no rights whatsoever to offset or deduct against any Rent or any other sums due Landlord under the Lease for any reason whatsoever, including Landlord's default, nor shall Tenant have any rights at any time to cure any defaults of the Landlord under this Lease.

Section 6.03 LANDLORD'S OBLIGATIONS.

Landlord shall have no obligations whatsoever to repair or maintain in any way the Premises, or any portion thereof, including, without limitation, all components of the electrical, mechanical, plumbing, heating, air conditioning and ventilation systems which serve the Premises; the foundations, exterior structural walls and structural roof of the Building; windows, doors, plate glass or the interior surfaces of exterior walls; and any of the Site. Tenant expressly waives the benefit of any law, including case law, statute, rule or regulation in effect now or in the future which might give Tenant the right to make repairs at Landlord's expense or to terminate this Lease due to Landlord's failure to keep the Premises in good order, condition and repair. Tenant shall have no rights whatsoever to offset or deduct any amounts whatsoever against any Rent or any other sums due Landlord under this Lease for any reason whatsoever.

Section 6.04 TENANT'S OBLIGATIONS.

(a) Tenant shall, at Tenant's sole cost and expense, keep and maintain the Premises, including any portions sublet to subtenants, and all equipment, fixtures, additions and improvements thereof in good order and condition and shall make all ordinary and necessary repairs, renewals, and replacements with respect to the Project, including, without limitation, all components of the electrical, mechanical, plumbing, heating, air conditioning and ventilation systems which serve the Premises; the foundations, exterior structural walls and structural roof of the Building; windows, doors, plate glass or the interior surfaces of exterior walls; parking areas and landscaping. If any portion of the Premises or any system or equipment in the Premises which Tenant is obligated to repair cannot be fully repaired, Tenant shall promptly replace such portion of or system or equipment in the Premises, regardless of whether the benefit of such replacement extends beyond the Lease Term.

(b) If Tenant fails to maintain or repair the Premises as required by this Section 6.04, Landlord may, upon ten (10) days prior notice to Tenant (except that no notice shall be required in the case of an emergency), enter the Premises, including any subleased portions, and perform such maintenance or repair on behalf of Tenant. In such case, Tenant shall pay to Landlord immediately upon demand, as Additional Rent, for all costs incurred in performing such maintenance or repair, including twenty percent (20%) of such costs for Landlord's supervision.

Section 6.05 ALTERATIONS, ADDITIONS, AND IMPROVEMENTS.

(a) Except for (i) improvements proposed to be constructed in connection with a sublease pursuant to Section 9.02, Tenant shall not make any alterations, additions, or improvements to the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld, including, without limitation, any alterations, additions, or improvements to the exterior of the Premises or the Building or any alterations which affect the structural components of the Premises. Tenant shall deliver to Landlord, for Landlord's approval prior to any construction, a complete set of plans and specifications for the proposed alterations, additions or improvements, copies of contracts with general contractors, evidence of contractor's insurance and bonds, and all necessary permits for such construction. Landlord may require Tenant to provide demolition and/or lien and completion bonds in form and amount satisfactory to Landlord. Tenant shall promptly remove any alterations, additions, or improvements constructed in violation of this Section 6.05(a) upon Landlord's written request. All alterations, additions, and improvements will be accomplished in a good and workmanlike manner, in conformity with all applicable Laws, and by a contractor approved by Landlord. Landlord's approval of the plans, specifications and working drawings for Tenant's alterations shall create no responsibility or liability on the part of Landlord for their completeness, design, sufficiency, or compliance with all laws, rules and regulations of governmental agencies or authorities. Upon completion of any such work, Tenant shall provide Landlord with "as built" plans, CADD drawings, copies of all construction contracts, and proof of payment for all labor and materials.

(b) Tenant shall pay when due all claims for labor and material furnished to the Premises. Tenant shall give Landlord at least ten (10) days prior written notice of the commencement of any work on the Premises. Landlord may elect from time to time to record and post notices of non-responsibility on the Premises. Tenant will not permit to be created or to remain undischarged any lien, encumbrance or other charge (arising out of any work done or materials or supplies furnished by any contractor, subcontractor, mechanic, laborer or materialman or any mortgage, conditional sale, security agreement or chattel mortgage, or otherwise by or for Tenant) which might be or become a lien or encumbrance or other charge (collectively a "Charge") against or upon the Premises, the Building or any part thereof. If any claim or lien or notice of claim or lien on account of an alleged debt of Tenant or any notice of contract or Charge by a person engaged by Tenant or Tenant's contractor to work on the Premises shall be filed against or upon

the Premises, the Building or any part thereof, Tenant shall within fifteen (15) days after demand from Landlord commence actions to cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise, provided, that in all events that such shall be completed prior to the time that any such claim or lien can be enforced and/or foreclosed as reasonably determined by Landlord. If Tenant shall fail to cause such claim or lien or notice of claim or lien or other Charge to be discharged within the period aforesaid, then, in addition to any other right or remedy it may have, Landlord may, but shall not be obligated to, discharge the same by payment, deposit or by bonding proceedings, and in any such event Landlord shall be entitled, if Landlord so elects, to compel the prosecution of an action for the foreclosure of the same by the claimant and to pay the amount of any judgment in favor of the claimant with interest, costs and allowances. Any amount so paid by Landlord and all interest, costs and expenses, including reasonable attorneys' fees, incurred by Landlord in connection therewith shall constitute additional rent payable by Tenant under the Lease and shall be paid by Tenant to Landlord on demand. No work which Landlord permits Tenant to do shall be deemed to be for the immediate use and benefit of Landlord and no mechanics' or other claim, lien or other Charge shall be allowed against the estate, rights, title or interests of Landlord by reason of any consent given by Landlord to Tenant to do work in or about the Premises or provide materials therefor. Prior to commencement of any work or the delivery of any material to the Premises by any contractor, subcontractor or materialman (herein collectively called "Contractor"), Tenant shall deliver to the Landlord a signed and acknowledged waiver (or release) of liens from each such Contractor in a form approved by Landlord, and, to the extent permitted by law, Tenant shall at Tenant's expense cause a duly executed and notarized counterpart of any such waiver or release to be recorded in the Office of the Clark County Recorder.

Section 6.06 CONDITION UPON TERMINATION.

Upon the termination of this Lease, Tenant shall surrender the Premises to Landlord, broom clean and in the same condition as received except for (i) alterations approved by Landlord, including any Work performed pursuant to Rider-1 and (ii) ordinary wear and tear which Tenant was not otherwise obligated to remedy under any provision of this Lease. In addition, Landlord may require Tenant to remove any alterations, additions or improvements, including without limitation, any telecom and data cabling, or similar installations, (whether or not made with Landlord's consent) by written notice to Tenant within thirty (30) days after the termination of this Lease and to restore the Premises to its prior condition, all at Tenant's expense. All alterations, additions and improvements which Landlord has not required Tenant to remove shall become Landlord's property and shall be surrendered to Landlord upon the termination of the Lease, except that Tenant may remove any of Tenant's machinery or equipment which can be removed without material damage to the Premises. Tenant shall repair, at Tenant's expense, any damage to the Premises caused by the removal of any such machinery or equipment. In no event, however, shall Tenant remove any of the following materials or equipment without Landlord's prior written consent: any power wiring or power panels; lighting or lighting fixtures; wall coverings; drapes, blinds or other window coverings; carpets or other floor coverings; heaters, air conditioners or any other heating or air conditioning equipment; fencing or security gates; or other similar building operating equipment and decorations.

ARTICLE 7 DAMAGE OR DESTRUCTION

Section 7.01 PROPERTY DAMAGE.

If the Premises or any part thereof shall be damaged by fire or other peril, Tenant shall give prompt written notice thereof to Landlord. In case the Building shall be so damaged that substantial alteration, repair or reconstruction of any portion of the Building shall, in Tenant's sole opinion, be required (whether or not

the Premises shall have been damaged by such peril), Tenant may, at its option, terminate this Lease by notifying Tenant in writing of such termination within ninety (90) days after the date of such casualty. If Tenant does not thus elect to terminate this Lease, Landlord shall, as Landlord's sole obligation, commence and proceed with reasonable diligence to restore the Building shell to substantially the same condition in which it was immediately prior to the occurrence of the peril to the extent of the insurance proceeds available to Landlord. When the Building shell has been restored by Landlord, Landlord or Tenant, at Landlord's option, shall complete the restoration of the Premises, including the reconstruction of all improvements in order to complete the Premises and restore the Premises to the same condition and build-out as prior to the casualty, including all improvements constructed pursuant to Rider No. 1. However, in no event shall Landlord's costs to complete the restoration exceed the insurance proceeds. If Tenant is responsible for such restoration of the Premises, any plans and specifications for such restoration and reconstruction and the contractor retained by Tenant for such restoration and reconstruction shall be subject to the approval of Landlord. Any shortfall between the amount of insurance proceeds and the actual costs of such reconstruction shall be deposited by Tenant with Landlord prior to the commencement of such reconstruction and, if additional costs occur, immediately upon Landlord's demand therefor. All insurance proceeds payable pursuant to policies maintained by Tenant pursuant to Section 4.04 shall be paid to Landlord to be applied by Landlord and/or Tenant to such reconstruction. Landlord shall not be liable for any inconvenience or annoyance to Tenant or injury to the business of Tenant resulting in any way from such damage or the repair thereof, except as set forth in Section 7.02 below. In the event this Lease is terminated by Tenant pursuant to this Section 7.01, all insurance proceeds shall first be paid to Landlord to reimburse Landlord in full for the cost to restore the Building shell and any remaining insurance proceeds shall be paid to Tenant. Notwithstanding anything in the Lease to the contrary, Tenant's rights to any insurance proceeds as described in this Section 7.01 shall be subject and subordinate to the rights of a First Mortgagee.

Section 7.02 REDUCTION OF RENT.

If the Premises is destroyed or damaged and Landlord or Tenant repairs or restores the Premises pursuant to the provisions of this Article Seven, any Base Rent payable during the period commencing as of the date of the casualty and continuing for the period of time, as determined by Landlord, required for Tenant and Landlord to complete the repairs described in this Article Seven, due to such damage, repair and/or restoration shall be reduced according to the degree, if any, to which Tenant's use of the Premises is impaired as of the date of the casualty as determined by Landlord. If any casualty is the result of the fault or negligence of Tenant or any of Tenant's subtenant's, agents, employees or invitees, the Base Rent hereunder shall not be diminished during the repair of such damage. Except for such possible reduction in Base Rent, Tenant shall not be entitled to any abatement, compensation, reduction, or reimbursement from Landlord as a result of any damage, destruction, repair, or restoration of or to the Premises. In the event this Lease is terminated pursuant to this Article Seven, such termination shall be effective as of the date of the casualty.

Section 7.03 WAIVER.

Tenant waives the protection of any statute, code or judicial decision which grants a tenant the right to terminate a lease in the event of the substantial destruction of the leased property. Tenant agrees that the provisions of this Article Seven above shall govern the rights and obligations of Landlord and Tenant in the event of any casualty to the Premises.

ARTICLE 8 CONDEMNATION

Section 8.01 CONDEMNATION.

If the whole or substantially the whole of the Building or the Premises shall be taken for any public or quasi-public use, by right of eminent domain or otherwise or shall be sold in lieu of condemnation, then this Lease shall terminate as of the date when physical possession of the Building or the Premises is taken by the condemning authority. If less than the whole or substantially the whole of the Building or the Premises is thus taken or sold, Landlord (whether or not the Premises are affected thereby) may terminate this Lease by giving written notice thereof to Tenant; in which event this Lease shall terminate as of the date when physical possession of such portion of the Building or Premises is taken by the condemning authority. If the Lease is not so terminated upon any such taking or sale, the Rent payable hereunder shall be diminished by an equitable amount, and Landlord shall, to the extent Landlord deems feasible, restore the Building and the Premises to substantially their former condition, but such work shall not exceed the scope of the work done by Landlord in originally constructing the Building and installing improvements in the Premises, nor shall Landlord in any event be required to spend for such work an amount in excess of the amount received by Landlord as compensation for such taking. All amounts awarded upon a taking of any part or all of the Building or the Premises shall first be paid to Landlord to compensate Landlord in full for any loss suffered by Landlord and the balance, if any, shall be paid to Tenant

ARTICLE 9 ASSIGNMENT AND SUBLETTING

Section 9.01 LANDLORD'S CONSENT REQUIRED.

Except for subleases pursuant to Section 9.02 below, no portion of the Premises or of Tenant's interest in this Lease may be acquired by any other person or entity, whether by assignment, mortgage, sublease, license, transfer, operation of law, or act of Tenant, without Landlord's prior written consent. Any attempted transfer without consent shall be void and shall constitute a non-curable breach of this Lease. If Tenant is a corporation, partnership, limited liability company, (i) any cumulative transfer of more than fifty percent (50%) of the capital stock, partnership interests or membership interests or (ii) any transaction which results in a change of control of Tenant so that both Terry Caudill and Carlos Adely are no longer the controlling owners and managers of Tenant shall require Landlord's consent. Landlord agrees that its consent under this Section 9.01 shall not be unreasonably withheld or delayed provided, however, (i) that any such consent shall require the approval of the City Council of Landlord and shall therefore be subject to the applicable time and procedures for application to the City Council and (ii) Tenant agrees to provide all information reasonably requested by Landlord in determining to grant or withhold its consent under this Section 9.01.

Section 9.02 PERMITTED SUBLEASES.

(a) Landlord agrees that Tenant shall have the right to sublease portions of the Premises from time to time to third Persons for the conduct of Permitted Uses by such third Persons. All such subleases shall:

- (i) be pursuant to written subleases in a form previously approved by Landlord;
- (ii) provide that such sublease is subordinate in all respects to this Lease;

(iii) be for a term that in no event that extends beyond the Lease Term, including any options to renew or extend;

(iv) provide that in the event the Lease Term terminates for any reason whatsoever prior to the termination of the sublease, that at Landlord's option, Landlord may either terminate such sublease or assume such sublease;

(v) provide the subtenant's acknowledgement that it is taking the subleased portion of the Premises pursuant to the Permitted Use requirements of this Lease;

(vi) provide the subtenant's acknowledgment of the exculpation of Landlord for any liability or obligations whatsoever pursuant to such Sublease; and

(vii) provide such other terms and conditions as reasonably required by Landlord or a First Mortgagee.

All such subleases shall require the consent of Landlord which consent shall not be unreasonably withheld or delayed. Tenant's request for consent to a sublease shall be accompanied by a written statement setting forth the details of the proposed subtenant, including the name, business and financial condition of the proposed subtenant, the proposed financial terms of the sublease, the proposed use by the subtenant, any improvements to be constructed in connection with such sublease, a copy of the proposed sublease and any other information Landlord deems relevant. Landlord agrees to respond in writing within thirty (30) days as to whether Landlord will grant or withhold its consent (and provide the reasons for withholding its consent if it so elects). Any improvements to be constructed pursuant to a sublease shall comply with the requirements of Section 6.05 above. Tenant shall provide Landlord with copies of all subleases and any amendments or modifications to a sublease no later than ten (10) days after the execution of a sublease or amendments and modifications to an existing sublease.

Section 9.03 NO RELEASE OF TENANT.

No transfer consented to by Landlord, including, without limitation, any approved sublease, shall release Tenant or change Tenant's primary liability to pay the rent and to perform all other obligations of Tenant under this Lease. Upon the occurrence of any default under this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting any remedies against any subtenant or assignee. Upon termination of this Lease, any permitted subtenant shall, at Landlord's option, attorn to Landlord and shall pay all Rent directly to Landlord. Landlord's acceptance of Rent from any other person shall not constitute a waiver of any provision of this Article Nine. Consent to one transfer shall not constitute a consent to any subsequent transfer. Landlord may consent to subsequent assignments or modifications of this Lease by Tenant's transferee, without notifying Tenant or obtaining its consent. Such action shall not relieve Tenant of its liability under this Lease.

Section 9.04 NO MERGER.

No merger shall result from Tenant's sublease of the Premises under this Article Nine, Tenant's surrender of this Lease or the termination of this Lease in any other manner. In any such event, Landlord may terminate any or all subtenancies or succeed to the interest of Tenant as sublandlord thereunder.

ARTICLE 10
DEFAULTS; REMEDIES

Section 10.01 COVENANTS AND CONDITIONS.

Tenant's performance of each of Tenant's obligations under this Lease is a condition as well as a covenant. Tenant's right to continue in possession of the Premises is conditioned upon such performance. Time is of the essence in the performance of all covenants and conditions.

Section 10.02 DEFAULTS.

Landlord and Tenant agree that Tenant shall be in material default under this Lease:

- (a) If Tenant abandons, vacates or fails to operate the Premises for ninety (90) consecutive days;
- (b) If Tenant fails to pay Rent or any other charge required to be paid by Tenant, as and when due;
- (c) If Tenant fails to perform any of Tenant's nonmonetary obligations under this Lease for a period of ten (10) days after written notice from Landlord; provided that if more than ten (10) days are required to complete such performance, Tenant shall not be in default if Tenant commences such performance within such ten (10) day period and thereafter diligently pursues its completion, provided, however, that in all events performance is completed within no longer than ninety (90) days;
- (d) (i) If Tenant makes a general assignment or general arrangement for the benefit of creditors; (ii) if a petition for adjudication of bankruptcy or for reorganization or rearrangement is filed by or against Tenant and is not dismissed within thirty (30) days; (iii) if a trustee or receiver is appointed to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease and possession is not restored to Tenant within thirty (30) days; or (iv) if substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease is subjected to attachment, execution or other judicial seizure which is not discharged within thirty (30) days. If a court of competent jurisdiction determines that any of the acts described in this Section (d) is not a default under this Lease, and a trustee is appointed to take possession (or if Tenant remains a debtor in possession) and such trustee or Tenant transfers Tenant's interest hereunder, then Landlord shall receive, as Additional Rent, the difference between the rent (or any other consideration) paid in connection with such assignment or sublease and the rent payable by Tenant hereunder; or
- (e) Any material representation or warranty made by Tenant or by a subtenant or assignee in connection with this Lease shall have been false or misleading as of the date such representation or warranty was made.

Section 10.03 REMEDIES.

On the occurrence of any default by Tenant other than a default pursuant to Section 2.01(c) above, Landlord may, at any time thereafter, with or without notice or demand, as its sole remedy:

- (a) Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord, or, if permitted by applicable Law, Landlord shall have the right to effect a lock out of Tenant from the Premises, in which event Tenant hereby releases Landlord from any and all damages including but not

limited to damages related to interruption of Tenant's business. In such event, Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default, including without limitation (i) the full amount of any unpaid Base Rent, Additional Rent and other charges which had been earned at the time of the termination;; and (ii), any costs or expenses incurred by Landlord in recovering possession of the Premises and Landlord's reasonable attorneys' fees incurred in connection therewith, and any real estate commission paid or payable; and

(b) Retain the Security Deposit which shall be forfeited in full. Landlord and Tenant agree that such forfeiture is a fair and reasonable estimate of the costs and losses to Landlord as a result of the termination of the Lease. In the event of such forfeiture, Landlord agrees that Landlord shall not be entitled to seek any damages for unpaid Rent which would have accrued after the date of such termination.

(c) Tenant and Landlord agree that notwithstanding anything to the contrary contained in this Lease, in the event Tenant is in breach of its covenant under Section 2.01(c) above, Landlord's sole remedy will be to terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord and retain the \$233,000 portion of the Security Deposit deposited with Landlord pursuant to Rider No. 1 which shall be forfeited in full. Landlord and Tenant agree that such forfeiture is a fair and reasonable estimate of the costs Landlord will incur by reason of Tenant's failure to achieve Tenant Completion as required by Section 2.01(c). In the event of such forfeiture, Landlord agrees that Landlord shall not be entitled to seek any damages for unpaid Rent which would have accrued after the date of such termination.

(d) In addition Landlord shall have the right (at Landlord's sole discretion) to perform any obligations hereunder required to be performed by Tenant for which Tenant is in default, including, without limitation, the payment of any sums that Tenant is obligated to pay hereunder and the performance of maintenance and repair that Tenant is obligated to perform hereunder. Landlord shall have the right upon ten (10) days prior notice to Tenant (except that no notice shall be required in the case of an emergency), enter the Premises and perform such maintenance or repair on behalf of Tenant. Tenant agrees to reimburse Landlord immediately upon demand for any costs and expenses incurred by Landlord in connection with the performance by Landlord of Tenant's obligations under this Lease including twenty percent (20%) of such costs for Landlord's supervision of any maintenance and repair.

Section 10.04 CUMULATIVE REMEDIES.

Landlord's exercise of any right or remedy shall not prevent it from exercising any other right or remedy.

ARTICLE 11 PROTECTION OF LENDERS

Section 11.01 SUBORDINATION.

Landlord shall have the right to subordinate this Lease to a First Mortgage, any advances made on the security thereof and any renewals, modifications, consolidations, replacements or extensions thereof, whenever made or recorded. However, Tenant's right to quiet possession of the Premises during the Lease Term and Tenant's Option to Purchase the Premises pursuant to rider No. 2 shall not be disturbed or compromised if Tenant pays the rent and performs all of Tenant's obligations under this Lease and is not otherwise in default. If any First Mortgagee elects to have this Lease prior to the lien of its first Mortgage and gives written notice thereof to Tenant, this Lease shall be deemed prior to First Mortgage whether this Lease is dated prior or subsequent to the date of said First Mortgage or the date of recording thereof. If in

connection with obtaining construction, interim or permanent financing for the Building, the lender shall request modifications to this Lease as a condition to such financing, Tenant will not withhold or delay its consent thereto, provided that such modifications do not increase the obligations of Tenant hereunder and do not otherwise materially adversely affect Tenant's rights hereunder. In the event that Tenant should fail to execute any instrument described in this Article Eleven promptly as requested, Tenant hereby irrevocably constitutes Landlord as its attorney-in-fact to execute such instrument in Tenant's name, place and stead, it being agreed that such power is one coupled with an interest. Notwithstanding anything in the Lease to the contrary, the prior written consent of the First Mortgagee shall be required as a condition precedent to the subordination of the Lease to any junior/secondary mortgage or deed of trust. If requested by Tenant, Landlord shall use commercially reasonable efforts to obtain a subordination, non-disturbance and attornment agreement from a First Mortgagee in such form as approved by such First Mortgagee. If a monetary fee is a precondition of any First Mortgagee for the review of any changes to or to obtain any First Mortgagee approved subordination, non-disturbance and attornment agreement, Tenant shall pay this fee to Landlord prior to such First Mortgagee undertaking the review of the said document and in no event later than fifteen (15) days after the request by the Tenant for such subordination, non-disturbance and attornment agreement, such fees are payable to Landlord regardless of whether such changes are approved by the First Mortgagee. If the required fees are not paid in full by the Tenant, Landlord has no obligation to proceed to obtain the subordination, non-disturbance and attornment agreement.

Section 11.02 ATTORNMENT.

If Landlord's interest in the Premises is acquired by any First Mortgagee at a foreclosure sale, Tenant shall attorn to the transferee of or successor to Landlord's interest in the Premises and recognize such transferee or successor as Landlord under this Lease. Tenant waives the protection of any statute or rule of law which gives or purports to give Tenant any right to terminate this Lease or surrender possession of the Premises upon the transfer of Landlord's interest.

Section 11.03 SIGNING OF DOCUMENTS.

Tenant shall sign and deliver any instruments or documents necessary or appropriate to evidence any such attornment or subordination or agreement to do so. Such subordination and attornment documents may contain such provisions as are customarily required by any First Mortgagee. If Tenant fails to do so within ten (10) days after written request, Tenant hereby makes, constitutes and irrevocably appoints Landlord, or any transferee or successor of Landlord, the attorney-in-fact of Tenant to execute and deliver any such instrument or document.

Section 11.04 ESTOPPEL CERTIFICATES.

(a) Upon Landlord's written request, Tenant shall execute, acknowledge and deliver to Landlord a written statement substantially in the form attached hereto as Exhibit "C" certifying: (i) that none of the terms or provisions of this Lease have been changed (or if they have been changed, stating how they have been changed); (ii) that this Lease has not been canceled or terminated; (iii) the last date of payment of the Base Rent and other charges and the time period covered by such payment; (iv) that Landlord is not in default under this Lease (or, if Landlord is claimed to be in default, stating why); (v) that Tenant has occupied the Premises; and (vi) such other matters as may be reasonably required by Landlord or a First Mortgagee. Tenant shall deliver such statement to Landlord within ten (10) days after Landlord's request. Any such statement by Tenant may be given by Landlord to any prospective purchaser or encumbrancer of the Premises. Such purchaser or encumbrancer may rely conclusively upon such statement as true and correct.

(b) If Tenant does not deliver such statement to Landlord within such ten (10) day

period, Landlord, and any prospective purchaser or encumbrancer, may conclusively presume and rely upon the following facts: (i) that the terms and provisions of this Lease have not been changed except as otherwise represented by Landlord; (ii) that this Lease has not been canceled or terminated except as otherwise represented by Landlord; (iii) that not more than one month's Base Rent or other charges have been paid in advance; and (iv) that Landlord is not in default under the Lease. In such event, Tenant shall be estopped from denying the truth of such facts. The failure of Tenant to provide such written statement shall constitute a material default under this Lease.

Section 11.05 TENANT'S FINANCIAL CONDITION.

Within ten (10) days after written request from Landlord, Tenant shall deliver to Landlord such financial statements as are required by Landlord to verify the net worth of Tenant, or any assignee, subtenant, or guarantor of Tenant. In addition, Tenant shall deliver to any lender designated by Landlord any financial statements required by such lender to facilitate the financing or refinancing of the Premises. Tenant represents and warrants to Landlord that each such financial statement is a true and accurate statement as of the date of such statement. All financial statements shall be confidential and shall be used only for the purposes set forth herein.

ARTICLE 12 LEGAL COSTS

Section 12.01 LEGAL PROCEEDINGS.

Tenant shall reimburse Landlord, upon demand, for any costs or expenses incurred by Landlord in connection with any breach or default of Tenant under this Lease, whether or not suit is commenced or judgment entered. Such costs shall include legal fees and costs incurred for the negotiation of a settlement, enforcement of rights or otherwise. Furthermore, if any action for breach of or to enforce the provisions of this Lease is commenced, the court in such action shall award to the party in whose favor a judgment is entered, a reasonable sum as attorneys' fees and costs. Such attorneys' fees and costs shall be paid by the losing party in such action and Tenant shall also indemnify Landlord against and hold Landlord harmless from all costs, expenses, demands and liability incurred by Landlord if Landlord becomes or is made a party to any claim or action (a) instituted by Tenant, or by any third party against Tenant, or by or against any person holding any interest under or using the Premises by license of or agreement with Tenant; (b) for foreclosure of any lien for labor or material furnished to or for Tenant or such other person; (c) otherwise arising out of or resulting from any act or transaction of Tenant or such other person; or (d) necessary to protect Landlord's interest under this Lease in a bankruptcy proceeding, or other proceeding under Title 11 of the United States Code, as amended. Tenant shall defend Landlord against any such claim or action at Tenant's expense with counsel reasonably acceptable to Landlord or, at Landlord's election, Tenant shall reimburse Landlord for any legal fees or costs incurred by Landlord in any such claim or action.

ARTICLE 13 MISCELLANEOUS PROVISIONS

Section 13.01 NON-DISCRIMINATION.

Tenant promises, and it is a condition to the continuance of this Lease, that there will be no discrimination against, or segregation of, any person or group of persons on the basis of race, color, sex, creed, national origin or ancestry in the leasing, subleasing, transferring, occupancy, tenure or use of the Premises or any portion thereof.

Section 13.02 LANDLORD'S LIABILITY.

As used in this Lease, the term "Landlord" means only the current owner or owners of the fee title to the Premises or the leasehold estate under a ground lease of the Premises at the time in question. Each Landlord is obligated to perform the obligations of Landlord under this Lease only during the time such Landlord owns such interest or title. Any Landlord who transfers its title or interest is relieved of all liability with respect to the obligations of Landlord under this Lease to be performed on or after the date of transfer. However, each Landlord shall deliver to its transferee all funds previously paid by Tenant if such funds have not yet been applied under the terms of this Lease. Notwithstanding anything to the contrary contained in the Lease, Tenant agrees that it shall look solely to the estate and the property of Landlord in the land and Building of which the Premises are a part (subject to the prior rights of any First Mortgagee in the building) for the collection of any judgment (or other judicial process) requiring the payment of money by Landlord or its officers, directors, managers, shareholders, members, employees, contractors, servants and/or agents in the event of any default or breach by Landlord or its officers, directors, managers, shareholders, members, employees, contractors, servants and/or agents with respect to any of the terms, covenants, and conditions of this Lease to be observed or performed by Landlord or any other liability of Landlord or its officers, directors, managers, shareholders, members, employees, contractors, servants and/or agents in connection, directly or indirectly, with this Lease, and no other assets of Landlord or its officers, directors, managers, shareholders, members, employees, contractors, servants and/or agents shall be subject to levy, execution or other procedures for the satisfaction of Tenant's remedies.

Section 13.03 SEVERABILITY.

A determination by a court of competent jurisdiction that any provision of this Lease or any part thereof is illegal or unenforceable shall not cancel or invalidate the remainder of such provision or this Lease, which shall remain in full force and effect.

Section 13.04 INTERPRETATION.

The captions of the Articles and Sections of this Lease are to assist the parties in reading this Lease and are not a part of the terms or provisions of this Lease. Whenever required by the context of this Lease, the singular shall include the plural and the plural shall include the singular. The masculine, feminine and neuter genders shall each include the other. In any provision relating to the conduct, acts or omissions of Tenant, the term "Tenant" shall include Tenant's agents, employees, contractors, invitees, successors or others using the Premises with Tenant's expressed or implied permission.

Section 13.05 INCORPORATION OF PRIOR AGREEMENTS; MODIFICATIONS.

This Lease is the only agreement between the parties pertaining to the lease of the Premises and no other agreements are effective. All amendments to this Lease shall be in writing and signed by all parties. Any other attempted amendment shall be void.

Section 13.06 NOTICES.

All notices required or permitted under this Lease shall be in writing and shall be personally delivered or sent by certified mail, return receipt requested, postage prepaid. Notices to Tenant shall be delivered to Tenant's Address specified in Section 1.01 above, except that upon Tenant's taking possession of the Premises, the Premises shall be Tenant's address for notice purposes. Notices to Landlord shall be delivered to Landlord's Mailing Address specified in Section 1.01 above. Notices deposited in the mail in the manner hereinabove described shall be effective from and after the expiration of three (3) calendar days after it is so deposited. All other notices shall be effective upon delivery or attempted delivery in accordance with

this Section 13.06. Either party may change its notice address upon written notice to the other party.

Section 13.07 WAIVERS.

All waivers must be in writing and signed by the waiving party. Landlord's failure to enforce any provision of this Lease or its acceptance of rent shall not be a waiver and shall not prevent Landlord from enforcing that provision or any other provision of this Lease in the future. No statement on a payment check from Tenant or in a letter accompanying a payment check shall be binding on Landlord, and Landlord may, with or without notice to Tenant, negotiate such check without being bound to the conditions of such statement.

Section 13.08 NO RECORDATION.

Tenant shall not record this Lease without prior written consent from Landlord. However, either Landlord or Tenant may require that a "short form" memorandum of this Lease executed by both parties be recorded; provided that, in such event, Tenant hereby covenants and agrees that, upon the expiration or earlier termination of the Lease Term, Tenant will execute and deliver a quitclaim deed to Landlord in form reasonably satisfactory to Landlord, in favor of Landlord, or Landlord's successor in interest releasing and conveying any and all right, title, or interest of Tenant in the Premises.

Section 13.09 BINDING EFFECT; CHOICE OF LAW.

This Lease binds any party who legally acquires any rights or interest in this Lease from Landlord or Tenant. However, Landlord shall have no obligation to Tenant's successor unless the rights or interests of Tenant's successor are acquired in accordance with the terms of this Lease. This Lease shall be governed by and construed in accordance with the laws of the State of Nevada.

Section 13.10 CORPORATE AUTHORITY; PARTNERSHIP AUTHORITY.

If Tenant is a corporation, each person signing this Lease on behalf of Tenant represents and warrants that he has full authority to do so and that this Lease binds the corporation. Within thirty (30) days after this Lease is signed, Tenant shall deliver to Landlord a certified copy of a resolution of Tenant's Board of Directors authorizing the execution of this Lease or other evidence of such authority reasonably acceptable to Landlord. If Tenant is a partnership or limited liability company, each person signing this Lease for Tenant represents and warrants that he is a general or limited partner of the partnership or member or manager of the limited liability company, that he has full authority to sign for the partnership or limited liability company and that this Lease binds the partnership or limited liability company and, in the case of a partnership, all general partners or limited partners of the partnership, and in the case of any limited liability company, all members of the limited liability company. Tenant shall give written notice to Landlord of any general partner's or member's withdrawal or addition. Within thirty (30) days after this Lease is signed, Tenant shall deliver to Landlord a copy of Tenant's recorded statement of partnership, certificate of limited partnership or articles of organization. In the event Tenant is other than an individual, concurrently with Tenant's execution of this Lease, Tenant shall provide to Landlord a certificate of good standing or its equivalent that confirms that Tenant is duly qualified to do business in the state in which the Premises is located.

Section 13.11 JOINT AND SEVERAL LIABILITY.

All parties signing this Lease as Tenant shall be jointly and severally liable for all obligations of Tenant.

Section 13.12 FORCE MAJEURE.

Except as otherwise expressly provided in this Lease to the contrary, each party shall be excused from its duty to perform any covenant or obligation under this Lease, except an obligation to pay any sums of money, in the event but only so long as the performance of any such covenant or obligation is prevented, delayed, retarded or hindered by any of the following: shortages of labor or materials, act of God, fire, earthquake, floods, explosion, action of the elements, war, invasion, terrorism, insurrection, riot, mob violence, sabotage, strikes, lockouts, action of labor unions, condemnation, government moratorium, requisition, or orders of military or naval authorities (other than the lack or inability to procure funds to fulfill its covenants and obligations provided in this Lease).

Section 13.13 EXECUTION OF LEASE.

This Lease may be executed in counterparts, and, when all counterpart documents are executed, the counterparts shall constitute a single binding instrument. The delivery of this Lease by Landlord to Tenant shall not be deemed to be an offer and shall not be binding upon either party until executed and delivered by both parties.

Section 13.14 BROKERS AND LEASING AGENTS.

Landlord represents and warrants to Tenant, and Tenant represents and warrants to Landlord, that no broker, leasing agent or finder has been engaged by it in connection with any of the transactions contemplated by this Lease, or to its knowledge is in any way connected with any of such transactions. In the event of any claims for brokers' or finders' fees or commissions in connection with the negotiation, execution or consummation of this Lease, Tenant shall indemnify, save harmless and defend Landlord from and against such claims if they shall be based upon any statement or representation or agreement made by Tenant, and Landlord shall indemnify, save harmless and defend Tenant if such claims shall be based upon any statement, representation or agreement made by Landlord.

Section 13.15 DISCLOSURE OF PRINCIPALS.

Tenant represents and warrants that it has, in accordance with the current policy of Landlord, disclosed the ownership and principals of Tenant, and that it has a continuing obligation to update this disclosure whenever (i) there is a material change in the information and (ii) within thirty (30) days of a written demand by Landlord for an updated disclosure.

Section 13.16 WAIVER OF JURY TRIAL.

To the extent such waiver is permitted by law, the parties hereto waive trial by jury in any action or proceeding brought in connection with this Lease.

IN WITNESS WHEREOF, Landlord and Tenant have signed this Lease in the State of Nevada as of the Execution Date and have initialed or executed all Riders which are attached to or incorporated by reference in this Lease.

In the event that the Work is damaged by any cause during the course of the construction thereof, Tenant shall immediately repair the same at Tenant's sole cost and expense. Tenant's Agents shall maintain all of the foregoing insurance coverage in force until the Work is fully completed and accepted by Landlord, except for any Products and Completed Operation Coverage insurance required by Landlord, which is to be maintained for one (1) year following completion of the Work and acceptance by Landlord and Tenant. All policies carried under this Section R-10 shall insure Landlord and Tenant, as their interests may appear, as well as Contractor and Tenant's Agents. All insurance, except Workers' Compensation, maintained by Tenant's Agents shall preclude subrogation claims by the

insurer against anyone insured thereunder. Such insurance shall provide that it is primary insurance as respects the Landlord and that any other insurance maintained by Landlord is excess and noncontributing with the insurance required hereunder. The requirements for the foregoing insurance shall not derogate from the provisions for indemnification of Landlord by Tenant under Section R-8 of this Work Letter. Landlord may, in its discretion, require Tenant to obtain a lien and completion bond or some alternate form of security satisfactory to Landlord in an amount sufficient to ensure the lien-free completion of the Work and naming Landlord as a co-obligee.

R-12. Inspection by Landlord. Landlord shall have the right to inspect the Work at all times, provided however, that Landlord's failure to inspect the Work shall in no event constitute a waiver of any of Landlord's rights hereunder nor shall Landlord's inspection of the Work constitute Landlord's approval of the same. Should Landlord disapprove any portion of the Work, Landlord shall notify Tenant in writing of such disapproval and shall specify the items disapproved. Any defects or deviations in, and/or disapproval by Landlord of the Work shall be rectified by Tenant at no expense to Landlord, provided however, that in the event Landlord determines that a defect or deviation exists or disapproves of any matter in connection with any portion of the Work and such defect, deviation or matter might adversely affect the mechanical, electrical, plumbing, heating, ventilating, and air conditioning or life-safety systems of the Building, the structure or exterior appearance of the Building, Landlord may take such action as Landlord deems necessary, at Tenant's expense and without incurring any liability on Landlord's part, to correct any such defect, deviation and/or matter, including, without limitation, causing the cessation of performance of the construction of the Work until such time as the defect, deviation and/or matter is corrected to Landlord's satisfaction.

R-13. Copy of Record Set of Plans. Within ten (10) days after completion of construction of the Work, Tenant shall cause a Notice of Completion (or similar filing) to be recorded in the appropriate office and shall furnish a copy thereof to Landlord upon such recordation. If Tenant fails to do so, Landlord may execute and file the same on behalf of Tenant as Tenant's agent for such purpose, at Tenant's sole cost and expense. At the conclusion of construction, (i) Tenant shall cause the architect and Contractor (A) to update the Final Plans as necessary to reflect all changes made to the Final Plans during the course of construction, (B) to certify to the best of their knowledge that the "record-set" of as-built CADD drawings are true and correct, which certification shall survive the expiration or termination of this Lease, and (C) to deliver to Landlord two (2) sets of copies of such record set of drawings, and (ii) Tenant shall deliver to Landlord two (2) copies of the "Closeout Book" consisting of all warranties, guaranties, and operating manuals and information relating to the improvements, equipment, and systems in the Premises.

12 WHEREAS, the City Council has considered the Report of the Agency, the report and
13 recommendations of the Planning Commission and the proposed Plan Amendment, has

16 Amendment; and

17 WHEREAS, all actions required by law have been taken by all appropriate public
18 bodies;

19 NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES
20 HEREBY ORDAIN AS FOLLOWS:

21 Section 1. That the purpose and intent of the City Council with respect to the
22 Added Area is to accomplish the following: (a) the elimination of environmental deficiencies
23 and blight which constitute either social or economic liabilities or both and require
24 redevelopment in the interests of the health, safety and general welfare of the people,
25 including, among others, small and/or irregular lots, obsolete and aged building types,
26 economic and social deficiencies, deteriorated public improvements, inadequate parking
27 facilities and inadequate utilization of land and public facilities; (b) the assembly of land into
28 parcels suitable for modern, integrated development and allowing for improved pedestrian

and vehicular circulation; (c) the replanning, redesign and development of undeveloped areas which are stagnant or improperly utilized; (d) the strengthening of retail, office and other commercial and residential functions in the Added Area; (e) the strengthening and diversification of the economic base of the Added Area and the community by the installation of needed site improvements to stimulate new commercial expansion, employment and economic growth; (f) the provision of adequate land for parking and open spaces; (g) the establishment of financial mechanisms to assist in the upgrading and/or redevelopment of properties in the Added Area; (h) the provision of necessary public improvements to correct existing deficiencies; (i) the establishment and implementation of performance criteria to assure high site design standards and environmental quality and other design elements; (j) the minimization of conflict between pedestrian and automobile traffic and the improvement of transportation efficiency; (k) the orderly development of the Added Area; (l) the rehabilitation and preservation of historically and architecturally worthwhile structures and sites; (m) the provision of an environment where a socially balanced community can work and live by providing jobs and housing for persons of varying social, economic and ethnic groups; and (n) the upgrading of the quality of life in the Added Area.

Section 2. The City Council hereby finds and determines that

(a) The Added Area is a blighted area, the redevelopment of which is necessary to effectuate the public purposes declared in the Community Redevelopment Law. This finding is based upon the following conditions which characterize the Added Area, as more particularly set forth in the Report of the Agency to the City Council:

(1) The existence of a combination of physical and economic conditions, including: buildings that are deteriorated and dilapidated; buildings suffering from defects in design or physical construction; buildings which are substandard due to age, obsolescence, mixed character and shifting of uses; the inadequate provision of open spaces and recreational facilities; and economic deterioration or disuse resulting from faulty planning;

///

///

1 (2) The subdividing and sale of lots of irregular form and shape and
2 inadequate size for proper usefulness and development.

3 (3) The existence of inadequate streets and open spaces.

4 (4) A prevalence of economic maladjustment evidenced by a
5 stagnation of or decline in retail sales thereby reducing the tax receipts available to pay for
6 public services to the Added Area:

7 (5) A lack of proper utilization of parts of the Added Area resulting
8 in a stagnant and unproductive condition of land which is potentially useful and valuable for
9 contributing to the public health, safety and welfare; and

10 (6) A loss of population and reduction of proper use of parts of the
11 Added Area resulting in its further deterioration and added costs to the taxpayer for the
12 creation of new public facilities and services elsewhere.

13 (b) The Plan Amendment will redevelop of the Added Area in conformity
14 with the Community Redevelopment Law and in the interests of the peace, health, safety and
15 welfare of the community. This finding is based upon the fact that redevelopment of the
16 Added Area will implement the objectives of the Community Redevelopment Law by: aiding
17 in the elimination and correction of the conditions of blight; providing for planning,
18 development, redesign, clearance, reconstruction or rehabilitation of properties which need
19 improvement improving, increasing and preserving the supply of low- and moderate-income
20 housing within the community; providing additional employment opportunities; and
21 providing for higher economic utilization of potentially useful land.

22 (c) The Plan Amendment conforms to the General Plan of the City of Las
23 Vegas. This finding is based upon the finding of the Planning Commission that the Plan
24 Amendment conforms to the General Plan of the City of Las Vegas.

25 (d) The condemnation of real property, as provided for in the Plan
26 Amendment, is necessary to the execution of the Plan Amendment and adequate provisions
27 have been made for payment for property to be acquired as provided by law. This finding is

28 / / /

1 based upon the need to ensure that the provisions of the Redevelopment Plan, as amended by
2 the Plan Amendment, will be carried out and to prevent the recurrence of blight.

3 (e) Adequate permanent housing is or will be made available in the
4 community for displaced occupants of the Added Area, at rents comparable to those in the
5 community at the time of displacement, if the Plan Amendment results in the temporary or
6 permanent displacement of any occupants of housing in the Added Area. This finding is
7 based upon the fact that the Agency's plan for relocation, as contained in the Report of the
8 Agency to the City Council, and the Redevelopment Plan, as amended by the Plan
9 Amendment, provide for relocation assistance and benefits according to law and authorize
10 the Agency to provide other assistance as determined to be appropriate under the
11 circumstances.

12 (f) All noncontiguous areas of the Added Area are either blighted or
13 necessary for effective redevelopment of the Redevelopment Area. This finding is based upon
14 the fact that the boundaries of the Added Area were chosen to include lands that were
15 underutilized because of blighting influences, or affected by the existence of blighting
16 influences, and land uses significantly contributing to the condition of blight, which inclusion
17 is necessary to accomplish the objectives and benefits of the Redevelopment Plan, as
18 amended by the Plan Amendment.

19 (g) Inclusion of any lands, buildings or improvements in the Added Area
20 which are not detrimental to the public health, safety or welfare is necessary for the effective
21 redevelopment of the entire area of which they are a part. This finding is based upon the fact
22 that the boundaries of the Added Area were chosen as a unified and consistent whole to
23 include all properties contributing to or affected by the blighting conditions characterizing the
24 Added Area.

25 (h) Adequate provisions have been made for the payment of the principal of
26 and interest on any bonds which may be issued by the Agency as provided in the
27 Redevelopment Plan as amended by the Plan Amendment. This finding is based upon the
28 fact that the Redevelopment Plan authorizes the allocation of taxes to the Agency pursuant to

1 NRS 279.676 ("tax increments") and pledges those tax increments to the repayment of
2 indebtedness incurred by the Agency to carry out projects in the Redevelopment Area.
3 Further, the Redevelopment Plan authorizes the Agency to obtain financial assistance from
4 available public or private sources, including the City of Las Vegas, State of Nevada and
5 federal government, interest income, donations, loans from private financial institutions
6 and/or the lease or sale of Agency-owned property, in order to finance projects in the
7 Redevelopment Area.

8 Section 3. The Redevelopment Plan for the Downtown Las Vegas Redevelopment
9 Area, as adopted by Ordinance No. 3213 and amended by Ordinance No. 3339 and
10 Ordinance No. 3637, is hereby amended as set forth in the attached "Amendment to the
11 Redevelopment Plan for the Downtown Las Vegas Redevelopment Area," incorporated herein
12 and made a part hereof by this reference. As so amended, the Redevelopment Plan is hereby
13 incorporated by reference herein and designated as the official Redevelopment Plan for the
14 Downtown Las Vegas Redevelopment Area.

15 The Executive Director of the Agency is hereby authorized to combine the
16 Redevelopment Plan and the Plan Amendment into a single document, and said document,
17 when filed with the City Clerk and the Secretary of the Agency, shall constitute the official
18 Redevelopment Plan.

19 Section 4. Ordinance No. 3213, Ordinance No. 3339 and Ordinance No. 3637 are
20 continued in full force and effect as amended by this Ordinance.

21 Section 5. The City Clerk is hereby directed to send a certified copy of this
22 Ordinance to the Agency, whereupon the Agency is vested with the responsibility for carrying
23 out the Redevelopment Plan as amended by the Plan Amendment.

24 Section 6. The City Clerk is hereby directed to record with the County Recorder of
25 Clark County a description of the land within the Added Area and a statement that
26 proceedings for the redevelopment of the Added Area have been instituted under the
27 Community Redevelopment Law.

28 ///

Section 7. The City Clerk is hereby directed to transmit, within thirty (30) days after the approval and adoption by the City Council of the Plan Amendment pursuant to this Ordinance, a copy of the description and statement recorded pursuant to Section 7 above, a copy of the Ordinance adopting the Plan Amendment and a map or plat indicating the boundaries of the Redevelopment Area, including the Added Area, to: (a) the auditor and tax assessor of Clark County; (b) the officer who performs the functions of auditor or assessor for any taxing agency which, in levying or collecting its taxes, does not use the Clark County assessment roll or does not collect its taxes through Clark County; and (c) the governing body of each of the taxing agencies which levies taxes upon any property in the Redevelopment Area, as amended.

Section 8. Effective Date. This Ordinance shall be in full force and effect the day after publication pursuant to Section 9 hereof.

Section 9. Publication. The City Clerk is hereby ordered and directed to certify to the passage of this Ordinance and to cause the same to be published by title, together with an adequate summary including any amendments, once in the *Las Vegas Review Journal*, a newspaper of general circulation, published and circulated in the City of Las Vegas, Nevada.

Section 10. Severability. If any part of this Ordinance, or the Plan Amendment which it approves, is held to be invalid for any reason, such decision shall not affect the validity of the remaining portion of this Ordinance or of the Plan Amendment, and this City Council hereby declares that it would have passed the remainder of the Ordinance, or approved the remainder of the Plan Amendment if such invalid portion thereof had been deleted.

ORDINANCE NO. 5830

AN ORDINANCE TO ADOPT AN AMENDED AND RESTATED REDEVELOPMENT PLAN, WHICH INCLUDES ADDITIONAL PROPERTY WITHIN THE PLAN, AND TO PROVIDE FOR OTHER RELATED MATTERS.

Sponsored by: Oscar B. Goodman, Mayor

Summary: Adopts an Amended and Restated Redevelopment Plan, which includes additional property within the Plan.

WHEREAS, the City Council approved and adopted a Redevelopment Plan (the "Redevelopment Plan") for the Downtown Las Vegas Redevelopment Area (the "Redevelopment Area") by Ordinance No. 3218 on March 5, 1986, as well as a number of subsequent amendments thereto; and

WHEREAS, the City of Las Vegas Redevelopment Agency (the "Agency") has been established as and authorized to be the official redevelopment agency to carry out in the City the functions and requirements of the Community Redevelopment Law of the State of Nevada (NRS 279.382 et seq.) and to implement the Redevelopment Plan; and

WHEREAS, the Agency has proposed to amend the Redevelopment Plan by means of an Amended and Restated Redevelopment Plan, which is attached hereto as Exhibit A and incorporated herein by this reference; and

WHEREAS, the Amended and Restated Redevelopment Plan (the "Amended Plan") will add areas to the existing Redevelopment Area; and

WHEREAS, the Agency submitted to the City's Planning Commission the proposed Amended Plan, and the Planning Commission, by action taken on April 13, 2006, has recommended the approval and adoption of the proposed Amended Plan; and

WHEREAS, the Agency and the City Council have held public hearings on March 15, 2006, and May 3, 2006, respectively, to consider adoption of the proposed Amended Plan; and

1 additional areas were mailed by first-class mail to the last known owner of each parcel of land in the
2 areas proposed to be added (the "Expansion Areas"); and

3 WHEREAS, the City Council has considered the report of the Agency, the report and
4 recommendations of the Planning Commission and the proposed Amended Plan; has provided an
5 opportunity for all persons to be heard; and has received and considered all evidence and testimony
6 presented for or against any and all aspects of the proposed Amended Plan; and

7 WHEREAS, all actions required by law have been taken by all appropriate public
8 bodies.

9 NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES
10 HEREBY ORDAIN AS FOLLOWS:

11 SECTION 1: The purpose and intent of the City Council with respect to the
12 Redevelopment Area, both existing and Expansion Areas, is to accomplish the following:

13 (A) The elimination of environmental deficiencies and blight, which constitute
14 either social or economic liabilities or both and require redevelopment in the interests of the health,
15 safety and general welfare of the people, including, among others, small and/or irregular lots, obsolete
16 and aged building types, economic and social deficiencies, deteriorated public improvements,
17 inadequate parking facilities and inadequate utilization of land and public facilities;

18 (B) The assembly of land into parcels suitable for modern, integrated development
19 and allowing for improved pedestrian and vehicular circulation;

20 (C) The replanning, redesign and development of undeveloped areas which are
21 stagnant or improperly utilized;

22 (D) The strengthening of retail, office and other commercial and residential
23 functions in the Redevelopment Area;

24 (E) The strengthening and diversification of the economic base within the
25 Redevelopment Area and the community by the installation of needed site improvements to stimulate
26 new commercial expansion, employment and economic growth;

27 (F) The provision of adequate land for parking and open spaces;

28 (G) The establishment of financial mechanisms to assist in the upgrading and/or

1 redevelopment of properties in the Redevelopment Area;

2 (H) The provision of necessary public improvements to correct existing
3 deficiencies;

4 (I) The establishment and implementation of performance criteria to assure high
5 site design standards and environmental quality and other design elements;

6 (J) The minimization of conflict between pedestrian and automobile traffic and the
7 improvement of transportation efficiency;

8 (K) The orderly development of the Redevelopment Area;

9 (L) The rehabilitation and preservation of historically and architecturally
10 worthwhile structures and sites;

11 (M) The provision of an environment where a socially balanced community can
12 work and live by providing jobs and housing for persons of varying social, economic and ethnic
13 groups; and

14 (N) The upgrading of the quality of life in the Redevelopment Area.

15 SECTION 2: The City Council hereby finds and determines that:

16 (A) The Redevelopment Area, including the Expansion Areas, is a blighted area,
17 the redevelopment of which is necessary to effectuate the public purposes declared in the Community
18 Redevelopment Law. This finding is based upon the following conditions within the Redevelopment
19 Area, at least four of which characterize each of the Expansion Areas as more particularly set forth
20 in the report of the Agency to the City Council:

21 (1) The existence of buildings and structures, used or intended to be used
22 for residential, commercial, industrial or other purposes, or any combination thereof, which are unfit
23 or unsafe for those purposes and are conducive to ill health, transmission of disease, infant mortality,
24 juvenile delinquency or crime because of one or more of the following factors:

25 (a) Defective design and character of physical construction.

26 (b) Faulty arrangement of the interior and spacing of buildings.

27 (c) Inadequate provision for ventilation, light, sanitation, open
28 spaces and recreational facilities.

1 (d) Age, obsolescence, deterioration, dilapidation, mixed character
2 or shifting of uses.

3 (2) An economic dislocation, deterioration or disuse.

4 (3) The subdividing and sale of lots of irregular form and shape and
5 inadequate size for proper usefulness and development.

6 (4) The laying out of lots in disregard of the contours and other physical
7 characteristics of the ground and surrounding conditions.

8 (5) The existence of inadequate streets, open spaces and utilities.

9 (6) The existence of lots or other areas which may be submerged.

10 (7) Prevalence of depreciated values, impaired investments and social and
11 economic maladjustment to such an extent that the capacity to pay taxes is substantially reduced and
12 tax receipts are inadequate for the cost of public services rendered.

13 (8) A growing or total lack of proper utilization of some parts of the area,
14 resulting in a stagnant and unproductive condition of land which is potentially useful and valuable for
15 contributing to the public health, safety and welfare.

16 (9) A loss of population and a reduction of proper use of some parts of the
17 area, resulting in its further deterioration and added costs to the taxpayer for the creation of new public
18 facilities and services elsewhere.

19 (10) The environmental contamination of buildings or property.

20 (B) The Amended Plan will redevelop the Expansion Areas in conformity with the
21 Community Redevelopment Law and in the interests of the peace, health, safety and welfare of the
22 community. This finding is based upon the fact that redevelopment of the Expansion Areas will
23 implement the objectives of the Community Redevelopment Law by: aiding in the elimination and
24 correction of the conditions of blight; providing for planning, development, redesign, clearance,
25 reconstruction or rehabilitation of properties which need improvement; improving, increasing and
26 preserving the supply of low- and moderate-income housing within the community; providing
27 additional employment opportunities; and providing for higher economic utilization of potentially
28 useful land.

1 (C) The Amended Plan is consistent with the General Plan of the City of Las Vegas,
2 as affirmed by the recommendation of the Planning Commission.

3 (D) The condemnation of real property, under the limited circumstances provided
4 for in the Amended Plan, is necessary to the execution of the Plan, and adequate provisions have been
5 made for payment for property to be acquired as provided by law. This finding is based upon the need
6 to ensure that the provisions of the Redevelopment Plan, as amended, will be carried out and to
7 prevent the recurrence of blight.

8 (E) Adequate permanent housing is or will be made available in the community for
9 displaced occupants of the Expansion Areas, at rents comparable to those in the community at the time
10 of displacement, if the Amended Plan results in the temporary or permanent displacement of any
11 occupants of housing in the Expansion Areas. This finding is based upon the fact that the Agency's
12 plan for relocation, provides for relocation assistance and benefits according to law and authorizes the
13 Agency to provide other assistance as determined to be appropriate under the circumstances.

14 (F) All noncontiguous areas of the Expansion Areas are either blighted or necessary
15 for effective redevelopment of the Redevelopment Area. This finding is based upon the fact that the
16 boundaries of the Expansion Areas were chosen to include lands that were underutilized because of
17 blighting influences, or affected by the existence of blighting influences and land uses significantly
18 contributing to the condition of blight, which inclusion is necessary to accomplish the objectives and
19 benefits of the Amended Plan.

20 (G) Inclusion of any lands, buildings or improvements in the Expansion Areas
21 which are not detrimental to the public health, safety or welfare is necessary for the effective
22 redevelopment of the entire area of which they are a part. This finding is based upon the fact that the
23 boundaries of the Expansion Areas were chosen as a unified and consistent whole to include all
24 properties contributing to or affected by the blighting conditions characterizing the Expansion Areas.

25 (H) Adequate provisions have been made for the payment of the principal of and
26 interest on any bonds which may be issued by the Agency as provided in the Amended Plan. This
27 finding is based upon the fact that the Redevelopment Plan authorizes the allocation of taxes to the
28 Agency pursuant to NRS 279.676 ("tax increments") and pledges those tax increments to the

1 repayment of indebtedness incurred by the Agency to carry out projects in the Redevelopment Area.
2 Further, the Redevelopment Plan authorizes the Agency to obtain financial assistance from available
3 public or private sources, including the City, State of Nevada and federal government, interest income,
4 donations, loans from private financial institutions and/or the lease or sale of Agency-owned property,
5 in order to finance projects in the Redevelopment Area.

6 SECTION 3: The Redevelopment Plan for the Downtown Las Vegas Redevelopment
7 Area, as adopted by Ordinance No. 3218 and amended subsequently by various ordinances, is hereby
8 amended as set forth in the attached "Amended and Restated Redevelopment Plan," incorporated
9 herein and made a part hereof by this reference. As so amended, the Redevelopment Plan is hereby
10 incorporated by reference herein and designated as the official Redevelopment Plan for the Las Vegas
11 Redevelopment Area.

12 SECTION 4: The City Clerk is hereby directed to send a certified copy of this
13 Ordinance to the Agency, whereupon the Agency is vested with the responsibility for carrying out the
14 Redevelopment Plan as amended by the Amended Plan.

15 SECTION 5: The City Clerk is hereby directed to record with the County Recorder
16 of Clark County a description of the land within the Expansion Areas and a statement that proceedings
17 for the redevelopment of the Expansion Areas have been instituted under the Community
18 Redevelopment Law.

19 SECTION 6: The City Clerk is hereby directed to transmit, within thirty days after
20 the approval and adoption of this Ordinance, a copy of the description and statement recorded pursuant
21 to Section 5 above, a copy of this Ordinance, and a map or plat indicating the boundaries of the
22 Redevelopment Area, including the Expansion Areas, to:

23 (A) The auditor and tax assessor of Clark County;

24 (B) The officer who performs the functions of auditor or assessor for any taxing
25 agency which, in levying or collecting its taxes, does not use the Clark County assessment roll or does
26 not collect its taxes through Clark County; and

27 (C) The governing body of each of the taxing agencies which levies taxes upon any
28 property in the Redevelopment Area, as amended.

1 SECTION 7: This Ordinance shall be in full force and effect the day after publication
2 pursuant to Section 8 hereof.

3 SECTION 8: The City Clerk is hereby ordered and directed to certify to the passage
4 of this Ordinance and to cause the same to be published by title, together with an adequate summary
5 including any amendments, once in the *Las Vegas Review Journal*, a newspaper of general circulation,
6 published and circulated in the City of Las Vegas, Nevada.

7 SECTION 9: If any section, subsection, subdivision, paragraph, sentence, clause or
8 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or
9 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or
10 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the
11 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,
12 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,
13 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,
14 invalid or ineffective.

15 SECTION 10: All ordinances or parts of ordinances or sections, subsections, phrases,
16 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,
17 1983 Edition, in conflict herewith are hereby repealed.

INTRODUCTION

I. INTRODUCTION

This is the Amendment to the existing Redevelopment Plan (the "Amended Plan") for the Redevelopment Area (the "Redevelopment Area"), which is located in the territorial jurisdiction of the City of Las Vegas (the "City"), State of Nevada. This Amendment to the Plan consists of text, a Map of the six amended Redevelopment Areas (Exhibit "A"), and a Legal Descriptions of the amended Redevelopment Area (Exhibit "B")

This Plan has been prepared pursuant to Nevada Revised Statutes (NRS) 279.382 through 279.685 which provide for the exercise of redevelopment authority by a redevelopment agency.

Implementation of this Plan by the City and the Redevelopment Agency of Las Vegas is governed by the provisions contained in this Plan as it may again be amended from time to time. Hereinafter the term "Agency" refers to the Redevelopment Agency of the City of Las Vegas. The term "Legislative Body" refers to the City Council of the City of Las Vegas.

The definitions of general terms which are contained in Nevada Revised Statutes govern the construction of this Plan, unless more specific terms and definitions are otherwise provided in this Plan. All statutory references hereinafter shall be to the Nevada Revised Statutes.

Many of the requirements contained in this Plan are necessitated by and in accord with statutory provisions in effect at the time of adoption of this Plan. Such statutory provisions may be changed from time to time. In the event that any such changes affect this Plan's requirements, and would be applicable to the Agency, the Redevelopment Area, or this Plan, whether or not this Plan were formally amended to reflect such changes, then the requirements of this Plan that are so affected shall be superseded by such changes, to the extent necessary to be in conformity with such changes.

The Redevelopment Area includes all properties within the boundary shown on the Redevelopment Area Map and described in the Legal Description of the Redevelopment Area.

The proposed redevelopment of the Redevelopment Area as described in this Plan conforms to the Master Plan for the City of Las Vegas as applicable and as applied in accord with local codes and ordinances.

This Redevelopment Plan is based upon the Preliminary Plan formulated and adopted by the Las Vegas Planning Commission (the "City Planning Commission") on August 12, 2004.

This Plan provides the Agency with powers, duties and obligations to implement and further the program generally formulated in this Plan for the redevelopment, rehabilitation, and revitalization of the Redevelopment Area. This Plan does not present a specific plan or establish priorities for specific projects for the redevelopment, rehabilitation, and revitalization of any particular area within the Redevelopment Area. Instead, this Plan presents a series of ideas and recommendations for revitalization which are designed to reduce and eliminate decline and deterioration, stimulate new investment, stabilize the tax base and maintain the viability of existing businesses. This Plan will also provide a basic framework within which specific development plans will be presented, priorities for specific projects will be established, and tools to fashion, develop, and proceed with such specific plans, projects and solutions will be provided to the Agency.

In general, the goals and objectives of the redevelopment program in the Redevelopment Area are as follows:

1. To eliminate and prevent the spread of blight and deterioration and the conservation, rehabilitation and redevelopment of the Redevelopment Area in accord with the Master Plan, the Redevelopment Plan and local codes and ordinances.
2. To achieve an environment reflecting a high level of concern for architectural, landscape, and urban design and land use principles appropriate for attainment of the objectives of the Redevelopment Plan.
3. To minimize unplanned growth by guiding revitalization activities and new development in such fashion as to meet the needs of the Redevelopment Area, the City and its citizens.
4. To retain existing businesses by means of redevelopment and rehabilitation activities and by encouraging cooperation and participation of owners, businesses and public agencies in the revitalization of the Redevelopment Area.
5. To encourage investment by the private sector in the development and redevelopment of the Redevelopment Area by eliminating impediments to such development and redevelopment.

6. To encourage maximum participation of residents, businesspersons, property owners, and community organizations in the redevelopment of the Redevelopment Area.
7. To replan, redesign and develop areas which are stagnant or improperly used.
8. To insure adequate utility capacity to accommodate redevelopment and new development.

Redevelopment of the Redevelopment Area pursuant to this Redevelopment Plan and the above goals and objectives will attain the purposes of the Nevada Revised Statutes Chapter 279 by:

- (1) elimination of areas suffering from economic dislocation, and disuse in affected areas;
- (2) replanning, redesign and/or redevelopment of areas which are stagnant or improperly utilized, in ways which could not be accomplished solely by private enterprise without public participation and assistance;
- (3) protection and promotion of sound development and redevelopment of blighted areas and the general welfare of the citizens of the City by remedying such injurious conditions through the employment of appropriate means;
- (4) installation of new, or replacement of existing public improvements, facilities and utilities in areas which are currently inadequately served with regard to such improvement, facilities and utilities; and
- (5) other means as determined appropriate.

PROPOSED REDEVELOPMENT ACTIVITIES

III. PROPOSED REDEVELOPMENT ACTIVITIES

A. General

The Agency proposes to eliminate and prevent the spread of blight and blighting influences, and strengthen the economic base of the Redevelopment Area and the City, by some or all of the following:

1. Permitting participation in the redevelopment process by owners and occupants of properties located in the Redevelopment Area, consistent with this Plan and rules adopted by the Agency;
2. Acquisition of real property;
3. Management of property under the ownership and control of the Agency;
4. Relocation assistance to displaced occupants of property acquired by the Agency in the Redevelopment Area;
5. Demolition of property for uses in accordance with this Plan;
6. Redevelopment of land by private enterprise and public agencies for uses in accordance with this Plan;
7. Rehabilitation of structures and improvements by present owners, their successors, and the Agency;
8. Provision of utilities, roads, streets, landscaping, parking facilities and other public improvements;
9. Consideration of the implementation of land use controls or regulations.

In the accomplishment of these activities, and in the implementation and furtherance of this Plan, the Agency is authorized to use all the powers provided in this Plan and all the powers to the extent now or hereafter permitted by law, which powers are not expressly limited by this Plan.

B. Owner Participation and Business Reentry Preferences

1. Owner Participation

Owners of real property within the Redevelopment Area shall be extended reasonable opportunities to participate in the redevelopment of property in the Redevelopment Area if such owners agree to participate in the redevelopment in conformity with this Redevelopment Plan and the owner participation implementation rules adopted by the Agency. These owner participation opportunities are explained in more detail in the Rules Governing Participation by Property Owners and the Extension of Reasonable Preferences for Property Owners, in the City of Las Vegas Amended Redevelopment Area.

In appropriate circumstances where such action would foster the goals and objectives contemplated by the Redevelopment Plan, an owner may participate in substantially the same location either by retaining all or portions of his property; retaining all or portions of his property and purchasing adjacent property if needed and available for development; rehabilitating or demolishing all or part of his existing buildings; initiating new development; or selling property to the Agency.

Participation opportunities shall necessarily be subject to and limited by factors including but not limited to the following:

- (1) the elimination and/or modification, if any, of existing land uses;
- (2) the construction, vacation, realignment and/or alteration, if any, of existing streets;
- (3) the ability of participants to finance and complete proposed developments and rehabilitations;

- (4) the capability and/or experience of the owner participant, as determined by the Agency, to implement the proposed development;
- (5) the proposed land uses for redevelopment of the Redevelopment Area;
- (6) intensification of certain land uses; and
- (7) the construction or expansion of public facilities.

2. Participation by Tenants

Non-property owners who are tenants engaged in business or residing in the Redevelopment Area shall be extended reasonable preferences if they wish to purchase property at their present location for the purpose of rehabilitating and/or expanding existing improvements or to build new improvements in conformance with the designated land uses and other requirements of this Plan. However, the preference provided to such business or residential tenants will be subordinate to, or follow, the preference provided to the existing property owners.

Businesses and residential tenants may also submit proposals for rehabilitation and/or new development at locations other than their existing location, as long as said property conforms to the Plan. However, no preference shall be provided to business and/or tenants for this type of proposal.

3. Participation Agreements

The Agency may require that, as a condition of participating in redevelopment, each participant shall enter into a binding written participation agreement with the Agency by which the participant agrees to rehabilitate, develop or use the property in conformance with this Plan and to be subject to the provisions hereof and such other provisions and conditions to which the parties may agree. In such agreements, participants who retain real property may be required to make the provisions of this Plan and such participation agreement applicable to their properties.

If an owner fails to participate in the redevelopment under a participation agreement, the Agency shall have the right to acquire the subject property for redevelopment by any legal means permitted under the law and the provisions of this Plan. If so provided in the participation agreement, the price of such acquisition will be the property's fair market value at the time of execution of the participation agreement. Whether or not a participant enters into a participation agreement with the Agency, the provisions of this Plan are applicable to all public and private property in the Las Vegas Redevelopment Area.

4. Implementing Rules

The Owner Participation provisions shall be implemented according to the rules adopted by the Agency simultaneous with the adoption of this Plan, and as the same may be from time to time amended by the Agency. Where there is a conflict between the participation provisions in this Plan and such rules adopted by the Agency, the Plan shall prevail.

C. PROPERTY ACQUISITION

1. Acquisition of Real Property

The Agency may acquire, but is not required to acquire, any real property located in the Redevelopment Area by purchase, lease, option, gift, grant, bequest, devise, or eminent domain as authorized by law.

The Agency may exercise the power of eminent domain to acquire property for a redevelopment project if: (a) The property sought to be acquired is necessary to carry out this Plan; (b) The Agency has made every reasonable effort to negotiate the purchase of the property. The method the Agency would use to acquire property through eminent domain is further explained within its Rules Governing Participation by Property Owners and the Extension of Reasonable Preferences To Property Owners, in the City of Las Vegas Amended Redevelopment Area.

The Agency is authorized to acquire structures without acquiring the land upon which those structures are located.

The Agency is also authorized to acquire any other interest in real property less than a fee.

Without the consent of the owner, the Agency shall not acquire property retained by an owner participant pursuant to a participation agreement if the owner fully performs under the agreement. The Agency shall not, without the consent of an owner, acquire real property on which an existing building is to be continued on its present site and in its present form and use unless such building requires structural alteration, improvement, modernization, or rehabilitation, or the site or lot on which the building is situated requires modification in size, shape or use, or it is necessary to impose upon such property any of the standards, restrictions, and controls of this Plan and the owner fails or refuses to participate in the Plan by execution or fulfilling the obligations of a participation agreement.

2. Acquisition of Personal Property

Generally, personal property may not be acquired by the Agency. However, where necessary in the execution of this Plan, the Agency is authorized to acquire personal property in the Redevelopment Area by any lawful means. The Agency may also acquire by gift, purchase, lease or eminent domain any personal property in connection with real property acquired by the Agency.

D. Property Management

The Agency is authorized to manage and control all real property owned, acquired or leased by it. Such property may be rented or leased by the Agency pending its disposition for redevelopment, and such rental or lease shall be pursuant to such policies as the Agency may adopt.

E. Relocation of Persons (Including Individuals and Families), Business Concerns and Others Displaced by the Project

1. Assistance in Finding Other Locations

The Agency shall assist all persons, business concerns, and others displaced by Agency action in the Redevelopment Area in finding other locations and facilities. In order to

carry out the Redevelopment Plan with a minimum of hardship to persons, business concerns, and others, if any, displaced from their respective places of residence or businesses, the Agency shall assist such persons, business concerns and others in finding new locations that are decent, safe, sanitary, within their respective financial means, in reasonably convenient locations, and otherwise suitable to their respective needs.

2. Relocation Payments

The Agency shall make relocation payments for moving expenses and direct losses of personal property to persons, business concerns, and others displaced by Agency action in the Redevelopment Area and shall make additional relocation payments as may be required by law. Such relocation payments shall be made pursuant to Chapter 342 of Nevada Revised Statutes and the regulations previously adopted by the Agency and the City of Las Vegas. The Agency, at its option, may make such other payments as may be appropriate and for which funds are available.

F. Demolition, Clearance, Public Improvements, Building and Site Preparation

1. Demolition and Clearance

The Agency is authorized to demolish and clear buildings, structures, and other improvements from any real property acquired in the Redevelopment Area as necessary to carry out the purpose of this Plan.

2. Public Improvements

The Agency is authorized to install and construct, or to cause to be installed and constructed, the public improvements, facilities and utilities necessary to carry out this Plan. Such public improvements, facilities and utilities include, but are not limited to the following:

- (12) other public facilities serving the needs of Redevelopment Area occupants.

3. Preparation of Building Sites

The Agency is authorized to prepare, or cause to be prepared, as building sites, any real property in the Redevelopment Area owned or acquired by the Agency.

G. Property Disposition and Development

1. Real Property Disposition and Development

a. General

For the purposes of this Plan, the Agency is authorized to sell, lease, exchange, subdivide, transfer, assign, pledge, encumber by mortgage or deed of trust, or otherwise dispose of any interest in real property. The Agency is authorized to dispose of real property by negotiated lease, sale, or transfer without public bidding but only after a public hearing, notice of which shall be given by publication for not less than once a week for two weeks in a newspaper of general circulation published in Clark County.

A lease or sale by the Agency of real property acquired by it in the Redevelopment Area shall be conditioned on the redevelopment and use of the property in conformity with this Plan.

All real property acquired by the Agency in the Redevelopment Area shall be sold or leased to public or private persons or entities for development for the uses permitted in this Plan, and any such sale or lease may be for an amount at less than fair market value if necessary to effectuate the purposes of this Plan. Real property may also be conveyed by the Agency to the City, and, where beneficial to the Redevelopment Area, to any other public body without charge or for an amount at less than fair market value.

All purchasers or lessees of property from the Agency shall be made obligated to use the property for the purposes designated in this Plan, to begin and complete development of the property within a period of time which the Agency fixes as reasonable, and to comply with other conditions which the Agency deems necessary to carry out the purposes of this Plan, including the provisions of the Agency's existing Employment Plan.

b. Employment Plan

The Agency shall, as it determines to be appropriate, require that a proposal for a redevelopment project include an employment plan which includes:

- (a) A description of the existing opportunities for employment within the Redevelopment Area;
- (b) A projection of the effect that the redevelopment project will have on opportunities for employment within the Redevelopment Area; and
- (c) A description of the manner in which an employer relocating his business into the

Redevelopment Area plans to employ persons living within the area of operation who are:

- (1) Economically disadvantaged;
- (2) Physically handicapped;
- (3) Members of racial minorities;
- (4) Veterans; or
- (5) Women.

During the period of development in the Redevelopment Area, the Agency shall ensure that the provisions of this Plan and of other documents formulated pursuant to this Plan are being observed, and that development in the Redevelopment Area is proceeding in accordance with development documents and time schedules.

c. Disposition and Development Documents

The Agency shall reserve powers and controls in disposition and development documents as may be necessary to prevent transfer, retention, or use of property for speculative purposes and to ensure that development is expeditiously carried out pursuant to this Plan.

To provide adequate safeguards to ensure that the provisions of this Plan will be carried out and to prevent the recurrence of blight, all real property sold, leased, or conveyed by the Agency, as well as all property subject to participation agreements, shall be made subject to the provisions of this Plan and any adopted Design Guidelines and other conditions imposed by the Agency by leases, deeds, contracts, agreements, declarations of restrictions, provisions of the zoning ordinance, conditional use permits, or other means. Where appropriate as determined by the Agency, such documents or portions thereof shall be recorded in the Office of the Recorder of Clark County.

The leases, deeds, contracts, agreements, and declarations of restrictions may contain restrictions, covenants, covenants running with the land, rights of reverter, conditions subsequent, or any other provision necessary to carry out this Plan.

d. Development Financing by the Agency or Other Public Bodies or Entities

The Agency may, with the consent of the Legislative Body, pay all or part of the value of the land for, and the cost of the construction of, any building, facility, structure or other improvement and the installation of any improvement which is publicly or privately owned and located within the redevelopment area. Before the Legislative Body may give its consent, it shall determine that:

- (1) The buildings, facilities, structures or other improvements are of benefit to the Redevelopment Area or the immediate neighborhood in which the Redevelopment Area is located; and
- (2) No other reasonable means of financing those buildings, facilities, structures or other improvements are available.

Those determinations by the Agency and the Legislative Body are final and conclusive.

If the value of the land or the cost of the construction of that building, facility, structure or other improvement, or the installation of any improvement has been, or will be, paid or provided for initially by the community or other governmental entity, the Agency may enter into a contract with that community or governmental entity under which it agrees to reimburse the community or governmental entity for all or part of the value of that land or the cost of the building, facility, structure or other improvement, or both, by periodic payments over a period of years. The obligation of the Agency under

that contract constitutes an indebtedness of the Agency which may be payable out of taxes levied and allocated to the Agency under paragraph (b) of subsection 1 of Nevada Revised Statutes 279.676, or out of any other available money.

e. Development Plans

All development plans (whether public or private) shall be processed in the manner provided by applicable City codes, as they are, or as they may be, amended from time to time. All development in the Redevelopment Area must conform to City (as appropriate) and Agency design review procedures, including any Design Guidelines adopted by the Agency.

2. Personal Property Disposition

For the purposes of this Plan, the Agency is authorized to lease, sell, exchange, transfer, assign, pledge, encumber, or otherwise dispose of personal property which is acquired by the Agency.

H. Cooperation with Public Bodies

For the purpose of aiding and cooperating in the planning, undertaking, construction or operation of redevelopment projects located within the area in which it is authorized to act, any public body, upon the terms and with or without consideration as it determines, may:

1. Dedicate, sell, convey or lease any of its property to the Agency.
2. Cause parks, playgrounds, recreational, community, educational, water, sewer or drainage facilities, or any other works which it is otherwise empowered to undertake, to be furnished adjacent to or in connection with a redevelopment plan.
3. Furnish, dedicate, close, pave, install, grade, regrade, plan or replan streets, roads, roadways, alleys, sidewalks or other places which it is otherwise empowered to undertake.

4. Plan or replan, zone or rezone any part of such area and make any legal exceptions from building regulations and ordinance.
5. Enter into agreements with the federal government respecting action to be taken by such public body pursuant to any of the powers granted by Nevada Revised Statutes 279.382 to 279.685, inclusive. Such agreements may extend over any period, notwithstanding any law to the contrary.
6. Purchase or legally invest in any of the bonds of the Agency and exercise all of the rights of any holder of such bonds.

The Agency, by law, is not authorized to acquire real property owned by public bodies without the consent of such public bodies. The Agency, however, will seek the cooperation of all public bodies which own or intend to acquire property in the Redevelopment Area. Any public body which owns or leases property in the Redevelopment Area will be afforded all the privileges of owner participation if such public body is willing to enter into a participation agreement with the Agency. All plans for development of property in the Redevelopment Area by a public body shall be subject to Agency approval.

The City will from time to time update and revise its Master Plan. It is the intention of this Redevelopment Plan that the City's Master Plan, as it currently exists, or as it may from time to time be amended, and as implemented and applied by City ordinances, resolutions and other laws be used as a guide to long range planning. The major land uses authorized within the Redevelopment Area by the Master Plan are described below:

2. Conforming Properties

Without the consent of the owner, the Agency shall not acquire any real property on which an existing building is to be continued on its present site and in its present form and use unless an existing building requires structural alteration, improvement, modernization or rehabilitation, or the site or lot on which the building is situated requires modification in size, shape or use, or it is necessary to impose upon such property any of the standards, restrictions and controls of this Plan. The Agency may acquire such property if the owner refuses to enter into a participation agreement or Disposition and Development Agreement or fails to redevelop the property or otherwise carry out the provisions of such agreement.

D. Interim Uses

E. Nonconforming Uses

The Agency is authorized to permit an existing use to remain in an existing building in good condition, which use does not conform to the provisions of this Plan, provided that such use is generally compatible with existing and proposed developments and uses in the Redevelopment Area, and abatement of such uses is not required by applicable City codes.

The Agency may authorize additions, alterations, repairs or other improvements in the Redevelopment Area for uses which do not conform to the provisions of this Plan where such improvements are within a portion of the Redevelopment area where, in the determination of the Agency, such improvements would be compatible with surrounding Redevelopment Area uses and development and are permitted under applicable City codes.

The intent of this Redevelopment Plan is to maintain the amount of property currently being used for public purposes. However, in any area the Agency is authorized to permit the maintenance, establishment or enlargement of public, semi-public, institutional or non-profit uses, including park and recreational facilities, libraries, educational, fraternal, employee, philanthropic, religious and charitable institutions, utilities, railroad rights-of-way, and facilities of other similar associations or organizations. The Agency may impose such other reasonable restrictions as are necessary to protect the development and uses in the Redevelopment Area.

10. Other Covenants, Conditions and Restrictions

The Agency is authorized to permit minor variations from the limits, restrictions and controls established by this Plan. In order to permit any such variation, the Agency must determine that:

- a. The application of certain provisions of the Plan would result in practical difficulties or unnecessary hardships inconsistent with the general purpose and intent of the Plan;
- b. There are exceptional circumstances or conditions applicable to the property or to the intended development of the property which do not apply generally to other properties having the same standards, restrictions, and control;

- c. Permitting a variation will not be materially detrimental to the public welfare or injurious to property or improvements in the area;
- d. Permitting a variation will not be contrary to the objectives of the Plan; and
- e. The Agency will ensure that any deviation will not impair the purpose of this Plan, the Zoning district or any applicable zoning regulations.

G. Design Guidelines

Within the limits, restrictions, and controls established in this Plan, the Agency is authorized to establish heights of buildings, land coverage, set back requirements, design and sign criteria, traffic circulation, traffic access, parking, and other development and design controls necessary for proper development and use of both private and public areas within the Redevelopment Area. H. Building Permits

No permit shall be issued for the construction of any new building or any addition, construction, moving, conversion or alteration to an existing building in the Redevelopment Area from the date of effectiveness of the ordinance approving this Plan until the application for such permit has been reviewed by the Agency. Any permit that is issued hereunder must be in conformance with the provisions of this Plan, any Design Guidelines adopted by the Agency, any restrictions for controls established by resolution of the Agency, and any applicable participation or other agreement.

The City may request that the Agency comment on an application for a building permit in order to determine whether the application conforms to the requirements of this Plan. Agency review will be advisory only and will not control the City's approval or disapproval of an applicant.

I. Nondiscrimination and Nonsegregation

There shall be no discrimination or segregation based on race, color, sex, age, creed, religion, national origin or ancestry permitted in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of property in the Redevelopment Area.

METHOD OF FINANCING THE AREA

V. METHOD OF FINANCING THE AREA

A. General Description of the Proposed Financing Method

The Agency is authorized to finance activities in the Redevelopment Area with tax increment funds; interest income; Agency bonds, donations; loans from private financial institutions; the lease or sale of Agency owned property; owner participant or developer loans; participation in development; or with financial assistance from Clark County, the City, State of Nevada, the federal government, or any other available source, public or private.

The Agency is also authorized to obtain advances, borrow funds, issue bonds, and create indebtedness in carrying out this Plan. The principal and interest on such indebtedness may be paid from tax increments or any other funds available to the Agency. Advances and loans for surveys and planning, and for the operating capital for administration of the Redevelopment Area, may be provided by the City or any other available source, public or private, until adequate tax increment or other funds are available or sufficiently assured to repay the advances and loans and to permit borrowing adequate working capital from other sources. The City, as it is able, may also supply additional assistance through issuance of bonds, loans and grants and in-kind assistance.

Tax increment financing, as authorized by this Plan, is intended as the primary source of financing (in combination with other sources of financing that may be available) for specific activities in the Redevelopment Area.

The Agency is authorized to finance this Plan by all means permitted by law. The analysis and description of the proposed method of financing the Redevelopment Plan is contained in the Agency's Report to the City Council. The analysis provides sufficient detail to determine the economic feasibility of this Plan.

B. Tax Increment Funds

All taxes levied upon taxable property within the Redevelopment Area each year, by or for the benefit of the State of Nevada, Clark County, the City of Las Vegas, any district or any other public

corporation (hereinafter sometimes called "taxing agencies") after the effective date of the ordinance approving this Plan, shall be divided as follows:

1. That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the Redevelopment Area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in the Redevelopment Area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the County last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the Redevelopment Area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the state and becomes exempt from taxation, the assessed valuation of the exempt property as shown on that assessment roll must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.
2. Except as otherwise provided in paragraphs 3 and 4, that portion of the levied taxes each year in excess of the amount set forth in paragraph 2 must be allocated to and when collected must be paid into a special fund of the Redevelopment Agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the Redevelopment Agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in the Redevelopment Area exceeds the total assessed valuation of the taxable property in the Redevelopment Area shown on the last equalized assessment roll referred to in paragraph 1, all of the taxes levied and collected upon the taxable property in the Redevelopment Area must be paid into the funds of the

respective taxing agencies. When the Redevelopment Plan is terminated and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the Redevelopment Area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

3. That portion of the taxes in excess of the amount set forth in paragraph (1) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to, and when collected must be paid into the appropriate fund of the taxing agency.
4. That portion of the taxes in excess of the amount set forth in paragraph (1) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996 must be allocated to, and when collected must be paid into the appropriate fund of the taxing agency.

Except as otherwise provided, in any fiscal year, the total revenue paid to the Redevelopment Agency must not exceed an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent (10%) of the total assessed valuation of the City.

For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the Redevelopment Plan is the assessment roll in existence on March 15th immediately preceding the effective date of the ordinance.

This section shall be construed to fully implement the provisions of the Community Redevelopment Law Section 279.676.

C. Agency Bonds

The Agency is authorized to issue bonds from time to time, if it deems it appropriate to do so, in order to finance all or any part of activities in the Redevelopment Area.

Neither the members of the Agency, Agency staff, nor any persons executing the bonds are liable personally on the bonds by reason of their issuance.

The bonds and other obligations of the Agency are not a debt of the City, the state or any of its political subdivisions and neither the City, the state nor any of its political subdivisions is liable on them, nor in any event shall the bonds or obligations shall so state on their face. The bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

D. Time Limit on Issuing Securities or Establishment of Indebtedness

Securities must not be issued and no indebtedness may be incurred in any other manner, by or on behalf of the Agency to finance, in whole or in part, the Redevelopment Plan beyond 30 years after the date on which the Redevelopment Plan is adopted, except that the Agency may incur indebtedness at any time before the termination of the Redevelopment Plan if the indebtedness is fully repaid no later than the termination of the Redevelopment Plan. The maturity date of any securities which are refunded must not extend beyond the date of termination of the Redevelopment Plan.

Any securities issued by or on behalf of the Agency to finance, in whole or in part, redevelopment pursuant to NRS 279.620 to 279.626, inclusive, and 279.634 to 279.672, inclusive, must mature and be fully paid, including any interest thereon, before the termination of the Redevelopment Plan.

E. Other Loans and Grants

Any other loans, grants, guarantees, or financial assistance from the United States, the State of Nevada, or any other public or private source will be utilized if available as appropriate in carrying out activities in the Redevelopment Area. In addition, the Agency may make loans as permitted by law to public or private entities for any of its redevelopment purposes.

VI. ACTIONS BY THE CITY

The City may aid and cooperate with the Agency in carrying out this Plan and may take all actions necessary to ensure the continued fulfillment of the purposes of this Plan and to prevent the recurrence or spread in the area of conditions causing blight. Actions by the City may include, but are not limited to, the following:

1. Institution and completion of proceedings for opening, closing, vacating, widening, or changing the grades of streets, alleys, and other public rights-of-way, in the Redevelopment Area. Such action by the City shall include the requirement of abandonment, removal, and relocation by the public utility companies of their operations in public rights-of-way as appropriate to carry out this Plan, provided that nothing in this Plan shall be construed to require the cost of such abandonment, removal, and relocation be borne by others than those legally required to bear such costs;

3. Revision or adoption of the City zoning ordinance(s), specific plan(s), or the Master Plan as appropriate within the Redevelopment Area to permit the land uses and development authorized by or necessary or desired to carry out this Plan;
4. Imposition wherever necessary (by covenants or restrictions, conditional use permits or other means) of appropriate controls within the limits of this Plan upon parcels in the Redevelopment Area to ensure their proper development and use;
5. Execution of statutory development agreements where necessary and appropriate to facilitate developments approved by the Agency;
6. Provisions for administrative enforcement of this Plan by the City, as appropriate, after development;
7. Performance of the above actions, and of all other functions and services relating to public health, safety, and physical development normally rendered in accordance with a schedule which will permit the redevelopment of the Redevelopment Area to be commenced and carried to completion without unnecessary delays;

8. Provisions of services and facilities by the various officials, offices and departments of the City for the Agency's purposes under this Plan;
9. Provision of financial assistance in accordance with this Plan or as authorized by law; and/or
10. The undertaking and completing of any other proceedings necessary to carry out activities in the Redevelopment Area.

The foregoing actions to be taken by the City may involve financial outlays by the City, but do not constitute a commitment to make such outlays.

VII. ENFORCEMENT

The administration and enforcement of this Plan, including the preparation and execution of any documents implementing this Plan, shall be performed by the Agency and/or the City.

Without limitation on the powers conferred on the City or Agency by statute or law, the provisions of this Plan or other documents entered into pursuant to this Plan may also be enforced by court litigation instituted by either the Agency or the City. Such remedies may include, but are not limited to, specific performance, damages, re-entry, injunctions, or any other remedies appropriate to the purposes of this Plan. In addition, any recorded provisions which are expressly for the benefit of owners of property in the Redevelopment Area may be enforced by such owners.

VIII. DURATION OF THIS REDEVELOPMENT PLAN

The provision of this Plan and any amendments hereto shall be effective, and the provisions of other documents formulated pursuant to this Plan may be made effective, for forty-five (45) years after the date on which the original Plan was initially adopted, or March 5, 1986. IX. PROCEDURE FOR AMENDMENT

This plan may be amended by means of the procedure established in the Community Redevelopment Law, or by any other procedure established by law.

X. IMPLEMENTATION AGREEMENTS

The Agency and City may enter into any agreement(s) between them which they deem necessary to implement the provisions of this Plan. Such agreements shall relate only to the implementation of this Plan and shall not revise, change or modify any of the provisions, requirements or limitations of this Plan.

XI. SEVERABILITY

If any provision, section, subsection, subdivision, sentence, clause or phrase of this Plan is for any reason held to be invalid, unenforceable, or unconstitutional, such decision shall not affect the validity and effectiveness of the remaining portion or portions of the Plan. In the event that any portion of the Redevelopment Area shall be determined to have been invalidly or incorrectly included in the Redevelopment Area that is the subject of this Plan, such portion of the Redevelopment Area shall be deemed severable from the remainder of the Redevelopment Area and the remainder of the Redevelopment Area shall remain fully subject to the provisions of this Plan.
