Summary: Assessment Protest Resolution

WHEREAS, the City Council of the City of Las Vegas (the "City Council" and "City," respectively) in the County of Clark and State of Nevada, pursuant to an ordinance heretofore adopted (the "District Ordinance") created the City of Las Vegas, Nevada, Special Improvement District No. 1516 - Fremont Street Maintenance District (Las Vegas Boulevard to 8th Street) (the "District") and ordered the acquisition, improvement and maintenance of a Commercial Area Vitalization Project (the "Project"), as defined in Nevada Revised Statutes ("NRS") 271.063, within the District in the City; and

WHEREAS, the City Council has heretofore determined that the cost and expense of the Project is to be paid by special assessments levied against the benefited lots, tracts and parcels of land in the District which the City Council has determined will receive special benefits (and corresponding market value increases) from the Project; and

WHEREAS, in accordance with NRS 271.360 and 271.377, the City Council heretofore determined and does hereby declare that the net cost of the Project (including all necessary incidentals which either have been or will be incurred in connection with the District) is \$252,402.00, of which \$0 is available from other sources and \$252,402.00 is to be assessed upon the benefited lots, tracts and parcels of land in the District, which the City Council has determined will receive special benefits (and corresponding market value increases) from the Project; and

WHEREAS, the City Council by resolution heretofore adopted and directed the City's Director of Public Works, together with the City Engineer Division of the City and certain consulting engineers (collectively, the "City Engineer"), to make out a final assessment roll for the District; and

WHEREAS, the City Council, together with the City Engineer, made out an assessment roll for the District which contains, among other things, the names and addresses of the last known owners of the property to be assessed, a description of each lot, tract, or parcel of land to be assessed, the amount of the proposed assessment to be levied thereon; and

WHEREAS, the City Engineer has reported the assessment roll to the City Council and the City Engineer has filed the assessment roll with the City Clerk of the City (the "City Clerk"); and

WHEREAS, the City Council, by resolution heretofore adopted, established a date, time and location at which the City Council would hear and consider any and all complaints, protests and objections to the assessment roll and to the assessments contained therein; and

WHEREAS, the City Engineer has, in accordance with the provisions of the law relating thereto, given the requisite legal notice by both mail and publication that complaints, protests and objections to assessments for the Project should be filed with the City Clerk, and that the City Council would hear and consider any and all complaints, protests, or objections on Wednesday, April 21, 2010, at 1:00 p.m., at the Las Vegas City Council Chambers, 400 Stewart Avenue, in Las Vegas, Nevada; and

WHEREAS, the City Council has determined, and does hereby determine, that the notice, both mailed and published, for the hearing held on April 21, 2010 on said assessment roll was reasonably calculated to inform each interested person of the proceedings concerning the District and the Project, which may directly and adversely affect his or her legally protected rights and interests.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAS VEGAS, IN THE COUNTY OF CLARK AND THE STATE OF NEVADA; THAT:
