RE: APN 138-10-413-004, 7460 W. Cheyenne

Dear Sir or Madam:

Please accept this letter as our request for a Special Use Permit to allow the existing Rapid Cash Payday & Auto Title Loan store to purchase gold on the premises (jewelry store, class III). Recently there have been several commercials on TV for gold purchase where the customer requests an envelope, places their broken or discarded gold jewelry in the envelope and send it to the company. In turn, the company sends the customer a check for approximately 10-15 cents on the dollar.

Rapid Cash would like to do something similar, only with more control and a better situation for the customer. The customer brings the jewelry to the store where it is weighed. The customer walks away with a check for approximately 50-55 cents on the dollar-5 times more than if they mailed it. Also, the customer has control because they actually hand it over to a person, not a post office. Also, every purchase is reported to Metro on a daily basis.

There is no resale of the jewelry; it is not a loan but a purchase of the jewelry for the gold. It will be an incidental use to the main business and is considered just another service for the customer. In addition, the additional use will have no impact on parking. The parking calculations are as follows:

Parking Calculations

Building "A" 23,400 square feet
Building "B" 5600 square feet
Building "C" 3500 square feet total
(50% of building is Financial Inst. & Class III jewelry)
Total square footage 32,500
