Re: Special Use Permit for a Package Liquor on
Retail Establishment, SUP-37603

Protest

Dear Planning & Development Department:

The Clark County School District (CCSD) has reviewed the Official Notice of Public Hearing for the above referenced application.

The CCSD reviews each request it receives in regards to Public Hearing Notices. It appears that requests for gaming and liquor licenses that are within the minimum distance to schools, especially in regards to elementary schools, has been steadily increasing.

We would encourage you to support the guidelines and applicable code requirements that are in place for minimum distances to schools for gaming and liquor establishments until these requirements are otherwise amended.

Please contact me at (702) 799-5214 if you have any questions on this matter.

Sincerely,

Tracy Murphy
