- (c) If the City terminates this Agreement for default in whole or in part, it may acquire, under reasonable terms and in the manner the City considers appropriate, services or goods similar to those terminated, and the Company shall be liable to the City for any excess costs for those goods or services. However, the Company shall continue with performance of the Agreement not terminated.
- (d) The Company shall not be liable for any excess costs if the failure to perform the Agreement arises from circumstances beyond the control and without the fault or negligence of the Company. These circumstances are limited to such causes as (i) acts of God or of the public enemy, (ii) acts of governmental bodies, (iii) fires, (iv) floods, (v) epidemics, (vi) quarantine restrictions, (vii) strikes, (viii) freight embargoes, and (ix) unusually severe weather. - (g) In the event that the City fails to perform any of its obligations required under this Contract, and the City does not remedy the failure after notice thereof is provided to the City by the Company pursuant to Paragraph D.1 "Legal Notice" above, the Company shall have the right to treat the failure as a claim or dispute subject to the resolution provisions of Section E-1 "Disputes" of this Contract. During the period of such resolution, the Company shall continue with its performance under the Contract.

E-4 Insurance

The Company shall procure and maintain Workers' Compensation and General Liability Insurance, and Commercial Automobile Liability Insurance at its own expense, for all work related to the performance of this Agreement.

- (a) The Company agrees to protect, indemnify and hold the City, its officers, employees, agents and consultants (collectively herein the "City") harmless from any and all claims, liabilities, losses, damages, suits, actions, fines, decrees and judgments including workman compensation claims, attorney fees, court costs or other expenses of any and every kind or character (collectively herein the "Liabilities") which may be recovered from or sought against the City as a result of, by reason of, or as a consequence of, any act or omission, negligent or otherwise, on the part of the Company, its officers, employees, agents or suppliers (i) in the manufacturing or supplying (including transportation) of any materials, supplies or other products to the City, or (ii) in the performance of the terms, conditions and covenants of this Agreement, regardless of whether the Liabilities were caused in part by the City. Any money due and owing the Company under this Agreement may be retained by the City for its protection. In the event no money is due and owing, the surety, if required, of the Company, may be held until all of the Liabilities have been settled and suitable evidence to that effect furnished to the City.
- (b) It is expressly agreed that the Company shall defend the City against the Liabilities and in the event that the Company fails to do so, the City shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs, including attorney's fees and court costs, to the Company.

The Company hereby indemnifies and shall defend and hold harmless the City its officers, employers, agents and consultants(collectively herein the "City) representatives respectively from and against any and all claims, losses, costs, damages, and expenses, including attorney's fees, incurred by City, as a result of or in connection with any claims or actions based upon infringement or alleged infringement of any patent and arising out of the use of the equipment or materials furnished under the Agreement by the Company, or out of the processes or actions employed by, or on behalf of the Company in connection with the performance of the Agreement. The Company shall, at its sole expense, promptly defend against any such claim or action unless directed otherwise by the City or its representative; provided that the City or its representatives shall have notified the Company upon becoming aware of such claims or actions, and provided further that the Company aforementioned obligations shall not apply to equipment, materials, or processes furnished or specified by the City or its representatives.

E-8 Assignment of Contractual Rights

The Company shall not assign, transfer, convey or otherwise dispose of the Agreement or its right, title or interest in or to the same, or any part thereof, without the prior written consent of the City and any sureties.

E-9 Severability

The invalidity, illegality, or unenforceability of any provision of this Agreement or the occurrence of any event rendering any portion or provision of this Agreement void shall in no way affect the validity or enforceability of any other portion or provision of this Agreement. Any void provision shall be deemed severed from this Agreement, and the balance of this Agreement shall be construed and enforced as if this Agreement did not contain the particular portion of provision held to be void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this clause shall not prevent this entire Agreement from being void should a provision, which is of the essence of this Agreement, be determined void.

E-10 Audit of Records

- (a) The Company agrees to maintain the financial books and records (including supporting documentation) pertaining to the performance of this Contract according to standard accounting principles and procedures. The books and records shall be maintained for a period of three (3) years after completion of this Contract, except that books and records which are the subject of an audit finding shall be retained for three (3) years after such finding has been resolved. If the Company goes out of business, the Company shall forward the books and records to the City to be retained by the City for the period of time required herein.
- (b) The City, or its designated representative(s), shall have the right to inspect and audit (including the right to copy and/or transcribe) the books and records of the Company pertaining to the performance of this Contract during normal business hours. The City will provide prior written notice to the Company of the audit and inspection. If the books and records are not located within Clark County, the Company agrees to deliver them to the City, or to the address, designated by the City, within Clark County. In lieu of such delivery, the Company may elect to reimburse the City for the cost of travel (including transportation, lodging, meals and other related expenses) to inspect and audit the books and records at the Company's office. If the books and records provided to the City are incomplete, the Company agrees to remedy the deficiency after written notice thereof from the City, and to reimburse the City for any additional costs associated therewith including, without limitation, having to revisit the Company's office. The Company's failure to remedy the deficiency shall constitute a material breach of this Agreement. The City shall be entitled to its costs and reasonable attorney fees in enforcing the provisions of this Paragraph..
- (c) If, at any time during the term of this Contract, or at any time after the expiration or termination of the Contract, the City or the City's designated representative(s) finds the dollar liability is less than payments made by the City to the Company, the Company agrees that the difference shall be either: (a) repaid immediately by the Company to the City or (b) at the City's option, credited against any future billings due the Company.

E-11 Independent Contractor

The Company represents that it is fully experienced and properly qualified to deliver the Goods provided for herein, and that it is properly licensed, equipped, organized, and financed to perform such work. The Company shall act as an Independent Contractor and not as the agent of the City in performing the Agreement. The Company shall maintain complete control over its employees and all of its manufacturers, suppliers, and subcontractors. Nothing contained in this Agreement shall create any contractual relationship between any such manufacturer, supplier or subcontractor and City. Company shall perform all work in accordance with its own methods subject to compliance with the Agreement.

E-12 Use By Other Government Entities

The State of Nevada and/or any political subdivisions within the State of Nevada may be granted the privilege of joining this Agreement at the option of the Company only. In the event the Company allows another governmental entity to join this Agreement, it is expressly understood that the City shall in no way be liable for the obligations of the joining governmental entity.

E-13 Waiver

Waiver of any of the terms of this Agreement shall not be valid unless it is in writing signed by each party. The failure of the City to enforce any of the provisions of this Agreement, or to require performance of any of the provisions herein, shall not in any way be construed as a waiver of such provisions or to affect the validity of any part of this Agreement, or to affect the right of the City to thereafter enforce each and every provision of this Agreement. Waiver of any breach of this Agreement shall not be held to be a waiver of any other or subsequent breach of this Agreement.

E-14 Modification/Amendment

This Agreement shall not be modified or amended except by the express written agreement of the parties, signed by a duly authorized representative for each party. Any other attempt to modify or amend this Agreement shall be null and void, and may not be relied upon by either party.

E-15 Section and Paragraph Headings

The section and paragraph headings appearing in this Agreement are inserted for the purpose of convenience and ready reference. They do not purport to define, limit or extend the scope or intent of the language of the sections and paragraphs to which they pertain.

E-16 Integration

This Agreement represents the entire and integrated agreement between the City and the Company. It supersedes all prior and contemporaneous communications, representations, and agreements, whether oral or written, relating to the subject matter of this Agreement.

E-17 Marketing Restrictions

The Company may not publish or sell any information from or about this Agreement without the prior written consent of the City. This restriction does not apply to the use of the City's name in a general list of customers, so long as the list does not represent an express or implied endorsement of the Company or its Goods.

E-18 Limitation of Funding

The City reserves the right to reduce estimated or actual quantities, in whatever amount necessary, without prejudice or liability to the City, if funding is not available or if legal restrictions are placed upon the expenditure of monies for the Goods required under this Agreement.

E-19 Changes – Fixed-Price Goods

- (a) The City may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Agreement in any one or more of the following:
 - (i) Description of Goods to be provided.
 - (ii) Time of delivery.
 - (iii) Place of delivery.
- (b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Agreement, whether or not changed by the order, the City shall make an equitable adjustment in the Agreement price, the delivery schedule, or both, and shall modify the Agreement.
- (c) The Company must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order; however, if the City decides that the facts justify, the City may receive and act upon a proposal submitted before final payment of the Agreement.
- (d) If the Company's proposal includes the cost of property made obsolete or excess by the change, the City shall have the right to prescribe the manner of the disposition of the property.
- (e) Failure to agree to any adjustment shall be a dispute under Paragraph E-1, "Disputes"; however, nothing in this clause shall excuse the Company from proceeding with the Agreement as changed.
- (f) The Company shall provide current, complete, and accurate documentation to the City in support of any equitable adjustment. Failure to provide adequate documentation, within a reasonable time after a request from the City, will be deemed a waiver of the Company's right to dispute the equitable adjustment proposed by the City, where such equitable adjustment has a reasonable basis at the time it is determined by the City.

E-20 Counterpart Signatures

This Contract may be executed in counterparts, all such counterparts will constitute the same contract and the signature of any party to any counterpart will be deemed a signature to, and may be appended to, any other counterpart.
