PURPOSE/BACKGROUND:

Under applicable City ordinances, parking citations may be contested by means of a hearing officer process. For those who don't choose that process, another potential means of contesting a citation has been to appear in response to a civil complaint filed by the City in Municipal Court. The Municipal Court process has not proved workable, so this bill establishes the hearing officer process as the exclusive means of contesting a citation.

RECOMMENDATION:

ADOPTION at 6/2/2010 City Council meeting pursuant to 5/18/2010 Recommending Committee.
