PURPOSE/BACKGROUND:

Pursuant to LVMC Chapter 6.67, the City imposes license fees on public utilities, which in turn are passed through to customers of those public utilities. Recently, there has been a challenge to the authority under which local governments, including the City, have authorized or mandated the payment of those fees by utility customers that are governmental entities. This bill will clarify that such entities are (and have been) subject to the payment of City-imposed utility license fees to the same extent as other utility customers.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
