RE: SDR-37577 & SUP-37576

Dear Councilwoman Tarkanian:

It has recently come to my attention that SuperPawn has filed for a special use permit application for the former Sizzler location near Decatur Boulevard and Meadows Lane. This building has been vacant for some time. As a resident in the area, vacant buildings are unattractive and can lead to the impression that our neighborhood is on the decline. I have seen the upgrades that SuperPawn is proposing to make to the building and the landscaping along Decatur Boulevard. These upgrades would be a tremendous enhancement and may spur additional improvements in other commercial shopping centers in the area. I urge your support of SuperPawn's applications.

Sincerely,

Monette Cortez

To Whom It May Concern:

Regarding our Wendy's located at Decatur and Meadows lane, our landlord informed us of a proposed Cashways Super Pawn going in on the pad next to that location. We are not opposed to having them as a neighbor to our restaurant. We have a Cashways Super Pawn next to one of our other locations and have never had any issues or concerns with them as a neighbor. If you have any questions or need further information please feel free to contact me.

Thank you,
