RE: CLV City Council July 7, 2010 Agenda items

#41-We ask that this item be removed from the Consent portion so that this/these projects which may be extended into and throughout the school year can be addressed as to the traffic challenges of trucks loaded with tons of dirt, and ?, speeding cars, cones and signs in confusing array and changing positions, water trucks, sweepers, trash pick up, no driveway access, etc. can be acknowledged with a contact for our concerns.

#54.-R-52-2010-We ask for a NO vote on this item as in Redevelopment Agency Agenda related item RA-11-2010 because we did not recognize any taxpayer input into the proposed REDEVELOPMENT AGENCY action. We asked for a clarification of how a Total Direct Economic Impact of \$750,000. was determined with no Economic Impact or no Return on Investment Analysis being performed.

#75 and #76.- This combination entices underage alcohol consumption. We trust that such concerns have been weighed and addressed prior to placing this on a "routine nonpublic agenda" section.

#82-SDR-37942-We ask for a YES vote on this item due to the positive impact their establishment has had on our more immediate neighborhood.

#83-SDR-37363-We ask for a NO vote due to the zero landscape precedent it re-establishes in the neighborhood. Such a contrast to the Community Visual Improvement interest in item #54.

#84-GPA-36593-We have no comments on your vote since we did not attend the meeting! We regret missing that opportunity.

What type(s) of notification were used for the meeting?

Which geographic areas were notified?

#97.-SUP-37665-We ask for a NO vote on this due to the distance invasion for both the residential zone and the synagogue zone.
