Re: Martin Luther King Boulevard Improvement Project
Alta Drive to Carey Avenue
Las Vegas, Nevada
APN: 139-21-199-022,027

Dear Planning Department:

Please vacate the proposed bus turnout that is located on the above referenced road parcel numbers. It has been discovered that there is a conflict with existing Las Vegas Valley Water District facilities and the proposed bus turnout area. It has been determined that it is more cost efficient to relocate the proposed bus turnout, rather than to relocate the existing Water District facilities.

If you have any questions, please contact **Kevin Cerny, Right-of-Way Agent, at 229-1228**. Thank you for your cooperation.

Sincerely,

Kevin Cerny
