RE: Selected items from June 24, 2010 CLV Planning Commission Agenda

We understand that all LV Planning Commission actions may set a precedent for any and all actions within our City of Las Vegas, Nevada boundaries, therefore imposing a direct impact upon ALL wards.

~~#24. SUP-38194 related to VAR-38 - We ask that NO be the vote on this SUP because of the THREE waivers:~~

- ~~1) the 340 ft. distance from a residential zone where residents are assured of a 400 ft. distance,~~
- ~~2) the 638 ft. variance from code in the distance required from an existing massage establishment, AND~~
- ~~3) the 20 ft. variance requested from the required distance of 80 ft from access to the site!~~

~~We know these measurements were not arbitrarily established for the protection of residents as well as the business person and ask that we respect them.~~

#28. SUP-38137 - NO is the vote we request for this business in this location because of the permanent effect such waivers have throughout the city. Does money override code and ordinances? Can a homebuyer trust such?

- 1) The 140 ft. waiver in separation distance from residential use is good governing?
- 2) the 180 ft. waiver from a Financial Institution surely is a detriment to the established business, AND
- 3) the 600 ft variance in the required square feet of floor area will forever, within our city boundaries, encourage even smaller, 'hole in the wall' Financial Institutions.

With both #24 and #28, the door is open for 4 plus waivers which certainly is lowering the standards of the "WORLD CLASS" image mentioned as a quality for our city.

Appreciating your challenging position,

June Ingram, President

and BOARD
