Minutes:

COUNCILMAN WOLFSON recognized AUSTIN DAIGLE a student athlete with excellent character and outstanding sportsmanship. AUSTIN is a track and field athlete who competes in many different events. Photos were shown of AUSTIN doing the long jump and after several competitions throughout the season, he won first place. But he did not feel right about the jump and felt that his toe was over the line, and what is called in long jump, scotched the jump. He was awarded the ribbon and after the competition he reviewed the pictures of the jump with his father and decided to return the first place ribbon. His parents accompanied him to Pahrump and presented the first place blue ribbon to GLEN IVY, who had been second in the competition. The Councilman introduced AUSTIN'S mother JENNIFER, his sister MELISSA, grandmother MARY and his aunt SORN.

COUNCILMAN WOLFSON indicated that AUSTIN is interested in joining the Air Force and becoming a pilot, and presented him with a Certificate of Recognition. AUSTIN stated he is glad he returned the first place ribbon because he felt GLEN had been trying to win first place. AUSTIN thanked his family for being present. His mother stated she is proud because he was doing the right thing. MELISSA stated her brother is a good person.
