TO: Honorable Mayor Goodman, Mayor Pro-Tem Reese, Councilpersons Anthony, Barlow, Ross, Tarkanian, Wolfson!

FROM CNP

RE: CLV Council Aug. 4, Agenda—Selected items

29., 30., and 31.—Please PULL THESE 3 FROM THE CONSENT AGENDA AND CONSIDER OUR COMMENTS. We advise council members to consider that such businesses most impact the poorest of the poor. There is a purpose for all businesses or they would not thrive, even cock fights. Consider the reasons these are wise businesses in current economic climate.

Only if I have marked my saw, camera, etc. and only if this mark has not been removed, and only if I have traveled, maybe 5 miles during business hours to file a missing/stolen report, may I have it returned in a length of time. The interest charged plus resident stories of what one might label intimidation, not from the customer, occur. Please refer to the first sentence. A NO vote is requested.

32.—Please PULL THIS ITEM FROM CONSENT AND ANSWER THE 3 QUESTIONS.

1-Please name the people which constitute "city" in "city determines...." On p. 29 of Bidding & Post Construction. 2-Did this/these go to bid? 3-Why were EV&A architects chosen?

35.—Please PULL THIS ITEM FROM CONSENT TO ANSWER THE QUESTION.. Is this insurance in connection with the RTC bicycle project? If so, do consider the loss of employee and bike and healthcare vs the alternative.

36—Please PULL THIS ITEM FROM CONSENT TO ANSWER THE QUESTION. Is this toward house purchase or rent? Is it only in the "low" or "very low" categories?

41.—Please explain with layman language, what and where and under what circumstances "citizens mobile access" would be required plus time-line of notice, and any other information necessary for the "citizens" to be aware of in order to make use of such "access".

45.---NO is our vote request to you on this item which is falsely named. With the stringent controls of the members selected and replaced by "City of Las Vegas" and "training", no creativity or originality of thought need be tolerated. Due to the "City of Las Vegas" and "training" verbiage, certainly 'PUPPET' needs to replace "Citizen" in the committee title!

Your diligence and attention to detail and attendance is appreciated !:)
