MAYOR GOODMAN invited JERRY WALKER, Field Operations Deputy Director, and ANTONIO GUEVARA, August Employee of the Month, to the podium. The Mayor spoke on MR. GUEVARA'S employment experience with the City and his accomplishments within the Field Operations Department. In addition, he pointed out that even with the budget cuts, there are City employees, like MR. GUEVARA, who continue to go the extra mile and do what it takes to keep departments afloat.

MR. WALKER thanked MR. GUEVARA and his team for their efforts in keeping sewer lines clean. He appreciated how they respond to problems, day or night, and doing what it takes to alleviate those problems before they potentially become a danger to the community.

MR. GUEVARA introduced some of his team members and applauded the entire team who are the key element in getting the job done. In addition, he welcomed the younger generation to consider this field of work, although the job is not a glamorous one.
