Fiscal Impact

☐

No Impact

☐ **Augmentation Required**

☐

Budget Funds Available

Amount:

Funding Source:

Dept./Division:

PURPOSE/BACKGROUND:

The American Recovery and Reinvestment Act of 2009 (ARRA) has provided numerous opportunities for cities across the country to invest in projects that promote sustainability by reducing greenhouse gas emissions, reducing energy costs and creating jobs. The City of Las Vegas has received an ARRA subgrant award through the State Energy Program (SEP) from the Nevada State Office of Energy. The SEP funds will be used for streetlight retrofits under the State of Nevada's Traffic Signals and Street Lighting energy efficiency project, which was approved by the Department of Energy. This project represents a small portion of the entire project that will retrofit streetlights across the City with energy efficient lighting and is also in line with meeting the goals of the City's Sustainable Energy Strategy (R-50-2008)

RECOMMENDATION:

Approval to accept subgrant award
