PURPOSE/BACKGROUND:

This bill will establish time limits within which a member of the City Council may request reconsideration of Council action to deny a zoning-related application. The Planning and Development Department desires to have such time limits established by ordinance rather than having potential reconsiderations decided on a case-by-case basis. Under this bill, a Council request to reconsider must be made at the same meeting at which the denial occurs or within 14 days thereafter.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
