RE: APN 162-05-801-011

To Whom It May Concern:

We are applying for a massage therapy license to enable us to use multiple rooms for massage therapy. Hours of operation are Monday thru Friday 8:00am to 6:00pm. The use of massage therapy is limited to our medical patients. There is no outside advertising for massage therapy and there is no signage on the building regarding massage therapy. In fact, the only signage relates to Kozmary Center. The patients for massage therapy are all patients of the Kozmary Center for Pain Management and the massage therapy is used on a medical basis to reduce muscle spasm and promote healing of painful areas as part of a medical regimen prescribed by Dr. Kozmary. Typically patients are seen for their monthly or bimonthly appointments and at the same visit are seen for massage therapy. Because of this arrangement, I do not believe that the parking is an issue with the current spaces that we have allotted for our patients at the 2851 El Camino Avenue location.

For any questions you may have regarding this matter, please feel free to contact me.

Sincerely,

STEVEN V. KOZMARY, M.D.

Director, Kozmary Center for Pain Management
